Extra Credit Assignment Exam #2: Due at the beginning of class Monday Feb. 27th BEFORE the exam. This assignment is worth 5 points on Exam #2 (all or nothing, no partial credit)

You will need to turn in:

- Printout of your data table
- Printout of your journal with answers to all 7 questions

Go to the website below:
http://www.glencoe.com/sites/common_assets/science/virtual_labs/LS03/LS03.html

Go through the animation, following the instructions. On the far left side, there are icons for a journal, a calculator and a table. You will answer the questions from the journal and print it out. You will also record your observations in the table and print it out. The printouts will be turned in and graded for your extra credit points.
