**EGLS3 – Evaluation for Greater Learning Student Survey System**

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

**Access Student Services Policies on their Web site:**

**Attendance Policy:**

For a 3 credit-hour lecture class meeting 3 hours per week (48 hours of instruction), you can be dropped after 6 hours of absence. The 6 hours includes accumulated minutes for arriving late to class and leaving class early.

**Distance Education and/or Continuing Education Policies**

**Access DE Policies on their Web site:**

All students are responsible for reading and understanding the DE Student Handbook, which contains policies, information about conduct, and other important information. For the DE Student Handbook click on the link below or go to the DE page on the HCC website.

The Distance Education Student Handbook contains policies and procedures unique to
the DE student. Students should have reviewed the handbook as part of the mandatory orientation. It is the student's responsibility to be familiar with the handbook's contents. The handbook contains valuable information, answers, and resources, such as DE contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the DE Student Handbook by visiting this link:

The Sr. Advisor will review the advising syllabus and the ways in which you can communicate with them. Students are required to meet with their advisor at least twice within the semester. Participation in these advising sessions is required and will be a part of the grade in this success class. Students that do not meet with their advisor at least twice during the semester will have a hold placed on their account and will not be able to register for classes the next semester.
