Art Director/Director/Multimedia-Web Designer/Artist

I have a technical mastery of commercial programs and mediums including, but not limited to: Photoshop, Quark, Illustrator, GoLive, InDesign, Dreamweaver, Fontographer, Final Cut, DVD Studio Pro, Quicktime, Acrobat, iLife, Quicktime VR and many more. I have worked with color correction, prepress, press checks, and all aspects of print and interactive media as well as worked on Radio and TV production. I also have a competent understanding of mold making, foundry work, woodworking, metal work and welding, and other craft oriented skills. Having a mastery of these materials helps me to advise, create, and trouble shoot many aspects of a project efficiently and effectively.
