What's Exciting About This Course

MUAP 2177 is an introductory course in learning about the voice mechanism and singing. We will explore vocal technique, posture, appropriate repertoire, and prominent voice composers and performers.

We may also discuss audio and microphone techniques, expression, and technology required for making videos and sending audio and video files, many of which are possible from any cellphone or tablet.

My Personal Welcome

Welcome to Voice III –I'm delighted that you have chosen this course! One of my passions is to know as much as I can about music, and I can hardly wait to pass that on. I will present the information in the most exciting way I know, so that you can grasp the concepts and apply them now and hopefully throughout your life.

As you read and wrestle with new ideas and facts that may challenge you, I am available to support you. The fastest way to reach me is by my HCC email. The best way to really discuss issues is in person and I'm available during posted office hours to tackle the questions. My goal is for you to walk out of the course with a better understanding of yourself, music, and why you enjoy the music that you do. Please visit me or contact me by email whenever you have a question.

Course Overview

Course Description

MUAP 2177 is an intermediate course in learning about the voice mechanism and singing. We will explore vocal technique, posture, appropriate repertoire, and prominent voice composers and performers.

Requisites

MUAP 2177 requires college-level reading and writing skills. Research indicates that you are most likely to succeed if you have already taken and passed ENGL 1301. If you have enrolled in this course having satisfied these prerequisites, you have a higher chance of success than students who have not done so. Please carefully read and consider the repeater policy in the [HCCS Student Handbook](#). It is STRONGLY recommended you either have taken or be currently enrolled in MUSI 1303 Fundamentals of Music, or in MUSI 1311 Music Theory I. The co-requisite for this course is MUAP 2179, Voice Studio III.

If you are a music major pursuing an AA in Music, you should also be enrolled in a Music Theory course, Sight Singing & Ear Training course, Piano Class course, an ensemble, and MUAP Private lessons and studio in the instrument in which you specialize. Please see a full-time music instructor or your MUAP instructor for academic advising and to learn how you can finish a music degree in 2-3 years with proper guidance.

Plagiarism is copying another student's work, or an already published work. It is also misquoting or not properly citing a source, and claiming it as your own, whether intentional or not. Students plagiarizing may be given one warning and a lower grade but will be given the opportunity to redo the assignment. Students who plagiarize a second time **MAY BE WITHDRAWN FROM THE COURSE**.

Turnitin is a service through Canvas/Eagle Online where students submit their work and it is checked for plagiarism. If more than 15% of the work is plagiarized, students may be asked to edit the work or take a 50% or 0% the first time.

Maxient is an online service where HCC professors can report plagiarism and cheating, and it will be linked to the students' permanent education record through the Dean of Students. If someone is caught cheating or plagiarizing, it will now be reported through Maxient.
