### What's Exciting About This Course

MUEN 2142 is the Concert Choir Ensemble – each class is a rehearsal where we learn new things and practice correct singing and choral music principles, with the end-goal of performance in mind. We will rehearse appropriate repertoire in preparation for a final performance. We will sing well-known pieces from religious choral music, contemporary choral pieces, world music, musical theatre, and pop music! The course will also include a discussion of the basic music elements, such as melody, rhythm, harmony, timbre, texture, form and acoustics.

If you can go to the website [www.Soundtrap.com](http://www.Soundtrap.com) and start getting familiar with the materials there, it will help you. We will be recording your voices there, as well as submitting cellphone videos.

### My Personal Welcome

Welcome to Concert Choir IV—I'm delighted that you have chosen this course! One of my passions is to know as much as I can about music, and I can hardly wait to pass that on. I will present the information in the most exciting way I know, so that you can grasp the concepts and apply them

now and hopefully throughout your life. As you read and wrestle with new ideas and facts that may challenge you, I am available to support you. The fastest way to reach me is by my HCC email. The best way to really discuss issues is in person and I'm available during posted office hours to tackle the questions. My goal is for you to walk out of the course with a better understanding of yourself, music, and why you enjoy the music that you do. Please visit me or contact me by email whenever you have a question.

## \* Instructor's Practices and Procedures

---

### Incomplete Policy

In order to receive a grade of Incomplete ("I"), a student must have completed at least 12 of 16 weeks of the work in the course. In all cases, the instructor reserves the right to decline a student's request to receive a grade of Incomplete. If a student completes work in week 13 then stops, the student has earned a grade of "F".

### Missed Assignments/Make-Up Policy

If you miss a rehearsal, please contact your section leader and get notes from what was gone over in class. In general, all students should look at their music 30-60 minutes a week outside of class. If you miss a rehearsal, you should add the additional hour and a half of personal rehearsal/learning notes for your choral music to stay caught up. Also copy any marks in the music given from your section leader.

### Academic Integrity

**Plagiarism** is copying another student's work, or an already published work. It is also misquoting or not properly citing a source, and claiming it as your own, whether intentional or not. Students plagiarizing may be given one warning and a lower grade but will be given the opportunity to redo the assignment. Students who plagiarize a second time **MAY BE WITHDRAWN FROM THE COURSE.**

**Turnitin** is a service through Canvas/Eagle Online where students submit their work and it is checked for plagiarism. If more than 15% of the work is plagiarized, students may be asked to edit the work or take a 50% or 0% the first time.

**Maxient** is an online service where HCC professors can report plagiarism and cheating, and it will be linked to the students' permanent education record through the Dean of Students. If someone is caught cheating or plagiarizing, it will now be reported through Maxient.

Your instructor takes this responsibility very seriously and will inform members of the class if their behavior makes it difficult for him/her to carry out this task. As a fellow learner, you are asked to respect the learning needs of your classmates and assist your instructor achieve this critical goal.

### Instructor's Course-Specific Information

pictures or record parts of rehearsal. It is usually best to ask the instructor in advance.

## Faculty Statement about Student Success

Study early and often. Practice. When you are assigned the practice exercises or sections of a song before class, write them down and practice them. Use websites and apps, recording devices, mirrors, etc.

Memorize your pieces early, so that you can interpret them and perform them with expression before week 13. You must perform them memorized in class by week 13, so that we can sing them in concert in week 15! You can do it - block out the time!
