What's Exciting About This Course

MUEN 1142 is the Concert Choir Ensemble – each class is a rehearsal where we learn new things and practice correct singing and choral music principles, with the end-goal or performance in mind. We will rehearse appropriate repertoire in preparation for a final performance. We will sing well-known pieces from religious choral music, contemporary choral pieces, world music, musical theatre, and pop music! The course will also include a discussion of the basic music elements, such as melody, rhythm, harmony, timbre, texture, form and acoustics.

My Personal Welcome

Welcome to Concert Choir II—I'm delighted that you have chosen this course! One of my passions is to know as much as I can about music, and I can hardly wait to pass that on. I will present the information in the most exciting way I know, so that you can grasp the concepts and apply them now and hopefully throughout your life.

As you read and wrestle with new ideas and facts that may challenge you, I am available to support you. The fastest way to reach me is by my HCC email. The best way to really discuss issues is in person and I'm available during posted office hours to tackle the questions. My goal is for you to walk out of the course with a better understanding of yourself, music, and why you enjoy the music that you do. Please visit me or contact me by email whenever you have a question.

Assignments, Exams, and Activities

Written Assignment

TWO CONCERT REPORTS: Each student must attend 1 of 2 concerts/recitals on campus, either the Student Recital or the Honors Recital (second half included), as well as 2 additional concerts (recital, opera, musical theater performance, etc. Online acceptable for 1 performance) and write a **TWO FULL-PAGE** report on what they saw and heard, and what they liked, and turn it in to online with program on a different file. These will be online submissions through Canvas and Turnitin.

COMPOSER REPORT: Each student will write a **THREE-PAGE REPORT** on a composer of their choice (preferably in their instrument). These papers are due at different times throughout the semester.

These papers count for 15% of your grade. Both papers should be SINGLE-SPACED and font size 12.

Exams

40% of your grade in this course is your participation in 2-3 concerts/performances per semester. In the case of this semester, these will be full songs recorded and submitted. Any performance counts as an exam, with your final exam being the final semester performance. We have been instructed that there will be NO in-person concert events this semester.

In-Class Activities

On occasion, students will do small writing assignments in class, quartet checks, or other activities that will go toward your participation grade, which is 45% of your grade. There will be other papers, activities, and assignments that involve choral singing or the repertoire we are singing.

Final Exam

Your final will be submitting your final recordings before the final day of class. The day of the final we may be able to listen to the end product (we hope!).

Students who are absent from the final exam without discussing their absence with the instructor in advance or within 24 hours afterward will receive an exam grade of "F". Students who cannot make the final exam due to health or emergency reasons will receive an "incomplete". This grade will stand until it is replaced the following semester, otherwise it will turn into an "F" the following semester.

Grading Formula

Class Participation/Attendance 45% points
 Performances and Dress Reh 40% points
 Concert Attendance/Reports 15% points

Grade	Percentage
A	90-100%
B	80-89
C	70-79
D	60-69
F	<60

Incomplete Policy:

In order to receive a grade of Incomplete ("I"), a student must have completed at least 12 of 16 weeks of the work in the course. In all cases, the instructor reserves the right to decline a student's request to receive a grade of Incomplete. If a student completes work in week 13 then stops, the student has earned a grade of "F".

Instructor's Practices and Procedures

Missed Assignments

If you miss a rehearsal, please contact your section leader and get notes from what was gone over in class. In general, all students should look at their music 30-60 minutes a week outside of class. If you miss a rehearsal, you should add the additional hour and a half of personal rehearsal/learning notes for your choral music to stay caught up. Also copy any marks in the music given from your section leader.

Academic Integrity

Plagiarism is copying another student's work, or an already published work. It is also misquoting or not properly citing a source, and claiming it as your own, whether intentional or not. Students plagiarizing may be given one warning and a lower grade but will be given the opportunity to redo the assignment. Students who plagiarize a second time **MAY BE WITHDRAWN FROM THE COURSE.**

Turnitin is a service through Canvas/Eagle Online where students submit their work and it is checked for plagiarism. If more than 15% of the work is plagiarized, students may be asked to edit the work or take a 50% or 0% the first time.

Maxient is an online service where HCC professors can report plagiarism and cheating, and it will be linked to the students' permanent education record through the Dean of Students. If someone is caught cheating or plagiarizing, it will now be reported through Maxient.

Here's the link to the HCC information about academic integrity (Scholastic Dishonesty and Violation of Academic Scholastic Dishonesty and Grievance):

Attendance Procedures

Class starts at 1PM – please be prompt and in your seat by 12:58PM, with a pencil and choir folder in hand. Tardiness will get you points off in your participation grade. Warm-ups are first in class, and a very important part of the class – please be on time.

Student Conduct

As your instructor and as a student in this class, it is our shared responsibility to develop and maintain a positive learning environment for everyone. Your instructor takes this responsibility very seriously and will inform members of the class if their behavior makes it difficult for him/her to carry out this task. As a fellow learner, you are asked to respect the learning needs of your classmates and assist your instructor achieve this critical goal.

Instructor's Course-Specific Information

Please make sure that for concerts you have proper concert attire. Also, you will need a gmail account to be able to access the rehearsal tracks.

Electronic Devices

Please limit cell phone use – I will try to help you know when it is appropriate to use your cell phone. You ARE allowed to take pictures or record parts of rehearsal. It is usually best to ask the instructor in advance.
