The Secretary's Commission on Achieving Necessary Skills (SCANS) from the U.S. Department of Labor was asked to examine the demands of the workplace and whether our students are capable of meeting those demands. Specifically, the Commission was directed to advise the Secretary on the level of skills required to enter employment. In carrying out this charge, the Commission was asked to do the following:

- Define the skills needed for employment
- Propose acceptable levels of proficiency
- Suggest effective ways to assess proficiency, and
- Develop a dissemination strategy for the nation's schools, businesses, and homes

#### Section 5: Textbook Information:

The required textbook for this course is: *Financial Accounting Fundamentals 6th. Edition, Chapters 1-12 w/Connect Loose-Leaf by Wild - Publisher: McGraw-Hill ISBN: 9781260255119* You will also be required to complete a variety of assignments that will be delivered via McGraw-Hill Connect, an innovative online learning system proven to help students achieve greater success. The purchase of Connect is mandatory for this course.

Summer Semester is the last Semester to use *Financial Accounting Fundamentals 6th. Edition* as starting from Fall 2019 will use 7<sup>th</sup> Edition.

While there are many purchase options, the best bargain for obtaining everything you will need to be successful in this course may be found in the value-added bundle available in the campus bookstore (option 3) or ordered directly from McGraw-Hill (option 1). While I highly recommend the option that includes a printed copy of the text, if you are comfortable forgoing use of a hard-copy text in favor of an electronic version, you may instead purchase stand-alone access to McGraw-Hill Connect (option 2). This provides you with access to all of the assignments in McGraw-Hill Connect plus an integrated e-book version of the required textbook. [See below: Textbook Pricing Options]

The McGraw Hill Connect system allows you to register without immediately paying. You do have a 14-calendar day period before you have to pay but do not pass that Courtesy period of paying as your account will expire and you will not have access to Connect. The Courtesy period is a courtesy offered by McGraw at our request, but all students are required to pay. If you pay and then withdraw or drop, Connect will honor your registration for a certain number of days normally where you can take the course again the next semester.

There is no reason to delay registering. There is also no reason to get behind as the Connect system does offer the ability to use the eBook portion of Connect

If you run into any technical difficulties, please call McGraw-Hill's Customer Experience Group by dialing 1(800)331-5094 or submit the "Contact Us" form found online at [www.mhhe.com/support](http://www.mhhe.com/support).

I suggest for a faster response, CALL. Also see in Eagle On Line Canvas for more information concerning McGraw-Hill Connect.

## **Section 8: Grading Processes**

<http://www.hccs.edu/programs/catalog/general-course-information> (see HCC Grading System)

### **FINAL GRADE OF FX**

Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of “FX” at the end of the semester. Students who stop attending classes will receive a grade of “FX”, compared to an earned grade of “F” which is due to poor performance. Logging into an On Line course without active participation is seen as non-attending. **Students that also fail to complete a minimum of the course work may also receive an FX or may be withdrawn from the class.** See pages 19-20 for guidelines on active participation in this class.

Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of “FX” is treated exactly the same as a grade of “F” in terms of GPA, probation, suspension, and satisfactory academic progress.

**International Students:** For guidelines on FX see page 22

### **Examinations:**

1. There are no make-up exams.
2. There are two exams and the FINAL exam.

**Exams # 1 and 2 cover, each; 4 chapters for 120 Points each..**

**FINAL EXAM** covers chapters 9 - 12, equal 160 points in 4 parts.

### **Evaluation Requirements:**

<b>Two Exams</b>	<b>240 points</b>
<b>Homework using Connect</b>	<b>600 points</b>
<b>FINAL EXAM using Connect</b>	<b>160 points</b>
<b>Total Points</b>	<b>1000 points</b>

### HCC Grading Scale

Percentage	Grade	Points	Points/semester HR
90 - 100% =	A	(900 to 1000 points)	4 Points
80 - 89% =	B	(800 to 899 points)	3 Points
70 - 79% =	C	(700 to 799 points)	2 Points
60 - 69% =	D	(600 to 699 points)	1 Points
BELOW 59%=	F, FX, IP, W, I, AUD,	( 0 to 599 points)	0 Points

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses. To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

#### Evaluation and Requirements:

Students are expected to read all assigned chapters, complete and submit all assignments on or before the due dates. Your assignment grades will be posted in Eagle on Line every Monday. Verify grades every Monday during the Semester.

This course will use the book publisher McGraw-Hill Connect Learning Module for all of your on-line work

Your final grade for this course will be based on how well you do in meeting the evaluation requirements listed on your assignment schedule and applying the grading scale which is listed below.

#### Below are your assignments in Connect

All chapter grades in Connect equal 50 points for simplicity.

#### The 50 points for each chapter in Connect is based upon the following points:

**Learn Smart/Smart Book Assignments:**

Content is still structured somewhat like a textbook but instead of asking students to read it thoroughly from start to finish, it coaches the student on how to read the material and quizzes them on various concepts as they move through each section. Depending on their responses, they're guided along to different highlighted passages. Learn Smart is more focused on reviewing material and attempts to help students read more efficiently to better retain information.

The assignment list where Learn Smart is listed indicates a time such as 20 minutes. This does not mean you have only 20 minutes before you start but is telling you that the

average amount of time is 20 minutes. Just make sure the assignment is completed by the day and time listed in the assignment list.

**Be sure to use Learn Smart (Smart Book) that is in the assignment section in Connect to be graded.**

See Eagle on Line Topic 4 for links to learn how to do Learn Smart (Smart Book)

**See Connect Orientations in Connect on how to use Learn Smart as an assignment**

**See Connect Orientations in Connect on how to do Exercise Assignments and Interactive Presentations**

**Exercises and Problems Assignments:**

All exercises and problems in Connect are the same exercises and problems as you will find in the back of each chapter. The only difference is that each student's numbers for the exercises or problems in Connect will be different numbers than in the book or what your fellow students have. (Algorithmic exercises and problems)

**Submission Attempts-Check my works**

The system is set to give you only two (2) submission attempts but you do have unlimited "check my works" to help you eventually master the concept and problem before you submit for grading. The best score will be your grade. If you complete one attempt and start another attempt and decide not to submit, the system will only use the grade from the first attempt.

**Hints:**

Some of the exercises and problems have features to allow you to watch a video of a similar exercise/problem "View Hint" will walk you through the process.

**Ask your instructor feature:**

The system is set that you can ask your instructor a question by using the mail feature found in each Connect problem. Students can "ask your instructor a question". Your instructor will respond back to you by using the mail feature in Connect (so check your Connect regularly for responses back from your instructor).

**EBook and resources:**

The system is set that you can click on ebook and resources that will take you direct to the section in the book that is dealing with your exercise/problem

### **Report a content issue:**

If a student feels that there is an error with the material do NOT report these issues directly to Connect. Click “ask your instructor” while in the Connect problem. Give detailed information as to the problem. Your instructor will determine if there really is an issue and has the ability to report that issue direct to the Connect product team.

### **Interactive Presentations Assignments:**

Interactive Presentations (IP) are an interactive audio/video that will require you to answer questions as you move along in the video. The system is set to give you two (2) attempts. The best score will be your grade. If you complete one attempt and start another attempt and decide not to submit, the system will only use the grade from the first attempt.

### **Quizzes Assignments:**

Each chapter in Connect has a multiple-choice quiz and each student’s quiz is completely different from another student’s quiz. (Random pooling) Each student is allowed 2 attempts to improve their grade. Each attempt is a different set of questions. The best score will be your grade. If you complete one attempt and start another attempt and decide not to submit, the system will only use the grade from the first attempt. Quizzes do not have “check my work”. The feature “ask your instructor” is available.

### **a. Attendance guidelines: Face to Face, Hybrid or On-Line classes**

As stated in the HCC Catalog, all students are expected to attend classes regularly. Students in On Line courses must log into their Eagle on Line class or they will be counted as absent. Just like an on-campus class, your regular participation is required.

(See class attendance)

### **b. Active Participation:**

**During the course, I reserve the right to withdraw you from the course due to excessive non-participation in class assignments or activities**

Active participation is based upon ATTEMPTING AND SUBMITTING Connects assignments for grading. Your instructor will continuously monitor the number of SUBMITTED Connect assignments and your grade average

**Any grade average of 50 % or lower** will alert your instructor to review your course work and determine if the grade average is due to lack of submitted work or lack of understanding the material. A student may be considered as non-participating and subject to withdrawal if they have attempted and submitted less than 75% of your assignments.

The instructor will apply the above-mentioned guidelines for officially withdrawing a student before or by the official day of withdrawal. These same guidelines will also apply after the official day of withdrawal in assigning a final grade of FX.

Also, review page 1 about the requirement that you must log into Eagle on Line at a minimum of two (2) times a week. Checking in everyday would be advisable. Any modifications to any schedule will be posted in an “Announcement”, email or a revision in the syllabus

**c. Official Day of Record and guidelines- January 5<sup>th</sup>, 2019**

It is important that you **LOG INTO THIS COURSE IN EAGLE ON LINE for attendance purposes before January 28<sup>th</sup>, 2019@ 11:59 pm and also register in Connect before January 28<sup>th</sup>, 2019@ 11:59 pm.** We are obligated to report attendance to the registrar's office by **January 28<sup>th</sup>, 2019.** If you have not logged in to Eagle on Line by the above date and registered into Connect by the above stated date, you will have been considered as never attending and the registrar's office will drop you from this course. **I will NOT reinstate you.**

**d. Drops and Withdrawals: HCC Course Withdrawal Policy**

See below link for guidelines and rules

<http://www.hccs.edu/applying-and-paying/financial-aid/withdrawal-policy/>

If a student decides to drop or withdraw from a class upon careful review of other options, the student can drop online prior to the deadline through their HCC Student Service Center:

<https://hccsaweb.hccs.edu:8080/psp/csprd/?cmd=login&languageCd=ENG>

**The final withdrawal deadline for this class is April 1<sup>st</sup>, 2019** Classes of other duration may have different final withdrawal deadlines. Please visit the online registration calendars or contact the HCC Registrar's Office to determine class withdrawal deadlines.

Although it is the responsibility of the student to withdraw officially from a course, the professor also has the authority to block a student from accessing Eagle on Line, and/or to withdraw a student for excessive absences or failure to actively participate regularly. On Line students who do not log into their Eagle on Line class

before the Official Day of Record will be automatically dropped for non-attendance. Completing the On-Line orientation does not count as attendance.

n. **Campus Carry Law**

At HCC the safety of our students, staff, and faculty is our first priority. As of August 1, 2017, Houston Community College is subject to the Campus Carry Law (SB11 2015). For more information, visit the HCC Campus Carry web page at

### **Section 10: International Students:**

Please contact the International Student Office at 713-718-8520 if you have additional questions about your visa status. <http://www.hccs.edu/support-services/international-students/>

Effective Fall 2017, F-1 international students must earn letter grades (A, B, C, D or F). A grade of “FX” (failing because of non-attendance) will no longer count towards the full-time enrollment requirement. “FX” is not considered a valid letter grade and demonstrates the student is not maintaining F-1 immigration status.

Also, please note that the longstanding policy of “W” grades not counting toward full-time enrollment remains in effect.

F-1 students must maintain at least 12 credit hours during the fall and spring semesters (9 credit hours during the summer, if this is their first semester of attendance at HCC). International students holding an F-1 visa are limited to no more than the equivalent of one class or 3 credits.

### **Section 12: EGLS3 - Evaluation for Greater Learning Student Survey System**

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student system online near the end of the term.

### **Virtual Classroom Conduct:**

As with on-campus classes, all students in HCC On Line Education courses are required to follow all HCC Policies & Procedures, the Student Code of Conduct, the Student Handbook, and relevant sections of the Texas Education Code when interacting and communicating in a virtual classroom with faculty and fellow students. Students who violate these policies and guidelines will be subject to disciplinary action that could include denial of access to course-related email, discussion groups, and chat rooms or being removed from the class.

As your instructor and as a student in this class, it is our shared responsibility to develop and maintain a positive learning environment for everyone. Your instructor takes this responsibility very seriously and will inform members of the class if their behavior makes it difficult for him/her to carry out this task. Inappropriate behavior also includes emails that the language of the email is considered by the instructor as not being conducive to a positive environment. Your instructor will advise you if the email is inappropriate and ask for you to refrain from future inappropriate emails. The instructor has the right to refer all actions deemed inappropriate to Administration for further action hours of distance education (online class) per semester that will count towards the full-time status.
