

Betty Akbar

Adjunct Faculty, Accounting
Southwest College-HCC
betty.akbar1@hccs.edu

Betty Akbar graduated from University of Houston-Clear Lake with Master of Science in Accounting. She earned a Bachelor of Science in Economics, major in Accounting from Atma Jaya Catholic University, Indonesia.

Ms. Akbar is a Certified Public Accountant with over 20 years of experience in Public Accounting and Industry. Her work experience in various industries includes public accounting firm, international non-for-profit organization, and a small to larger multi-national company. Currently, she works full-time for a Chemical company in Houston. Her expertise is in comptrollership, financial and managerial accounting, accounting systems, external and internal auditing, financial planning & analysis, and financial modeling.

Ms. Akbar joined the Houston Community College System as an Adjunct Faculty in Spring 2010. Her teaching course is Government and Not-for-Profit Accounting. In the past, she taught Computerized Accounting Application, Managerial Accounting, and Intermediate Accounting II.

My teaching philosophy is to encourage students to be active learners and to assist students to achieve their success.
