ACTIVE PARTICIPATION AND OFFICIAL DAY OF RECORD

All students are expected to attend classes regularly, thus DE students must
login to their course(s) on a regular basis. DE students who do not login and
actively participate before the Official Day of Record will be AUTOMATICALLY
dropped for non-attendance (when the roster is marked accordingly by your
Completing the DE online orientation does not count towards attendance. Writing the Diagnostic Essay will constitute proof of active participation prior to the Official Day of Record.

Official Day of Record – The day of record is different for each term, and is stated in the course syllabus. The Day of Record is also posted on the official HCC Calendar<http://www.hccs.edu/hccs/current-students/academic> (select the appropriate term). Students are expected to attend classes regularly, and in a DE class, that means participating in the class (not just logging on); for this class, submission of the Diagnostic Essay is considered mandatory to establish attendance prior to the Official Day of Record.

Technical Compliance:

This class is a distance-education class using Eagle Online for notes, lectures and assessments. Each student must maintain Internet access throughout this course. Additionally, students are expected to maintain a state of technical compliance, including (but not limited to): up-to-date software as required by the instructor; a stable Internet connection; and use of the Firefox browser when using Eagle Online.

The instructor is not required to give consideration for lost/missing/unacceptable work stemming from technical non-compliance and/or end-user technical issues. Failure to maintain Internet access shall not constitute a valid excuse for missed work. Any student who cannot keep up with the coursework owing to a lack of computer or Internet must drop the course.

Any student found to have quit logging in (two weeks is typical) and whom the Professor is unable to contact is subject to being dropped without further warning, resulting in either a "W" or a "FX" grade, depending upon the time of the term at which the behavior is noted.

Your HCC Eagle ID e-mail address:

Your HCC Eagle ID e-mail address will be the only e-mail address used for official HCC communication (e.g., financial aid, graduation, regulatory updates, etc.). It is important that you check this account regularly for important information and communications.

Please go to http://www.hccs.edu/district/students/student-e-mail/eagle-id/ for information about your HCCS email account. It is the student’s responsibility to check e-mail DAILY within Eagle Online as well as the student’s HCC default email address.

DE Student Services: You will find many resources at this site: http://de.hccs.edu/student-services/
On the DE Student Services page, you can find a link to the DE Student Handbook:

The Distance Education Student Handbook contains policies and procedures unique to the DE student. Students should have reviewed the handbook as part of the mandatory orientation. It is the student's responsibility to be familiar with the handbook’s contents. The handbook contains valuable information, answers, and resources, such as DE contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the DE Student Handbook by visiting this link: http://de.hccs.edu/media/houston-community-college/distance-education/student-services/studenthandbook/HCCDEStudentHandbook.pdf

Tutoring, Counseling, Library, Computer Labs:

**Online Tutoring**

HCC provides free online tutoring in writing, math, science, and other subjects. Look for Ask Online on your Eagle Online log-in page. This directs students to the HCC AskOnline Tutoring site: http://hccs.askonline.net/. Use your student ID or HCC e-mail address to create an account. Instructions, including a 5-minute video, are provided to make you familiar with the capabilities of this service.

**Counseling**

Much DE student information can be found on the DE Student Services website: http://de.hccs.edu/student-services/ For counseling, begin with the AskDECounseling online student help form for any counseling and advisement needs: http://de-counseling.hccs.edu/StudentSignIn/

Student Services Associates (SSA) and Counselors can assist students with admissions, registration, entrance testing requirements, degree planning, transfer issues, and career counseling. In-person, confidential sessions, can also be scheduled, if necessary, as HCC counselors maintain a local referral base in order to provide appropriate referrals to students with personal or family issues that may require long-term solutions.

HCC has instituted an Early Alert process by which your professor may “alert” you and DE counselors that you might fail a class because of
excessive absences and/or poor academic performance. A counselor will then reach out to you to discuss your progress and offer any relevant resources. This initiative is designed to provide students with support services and resources to assist them in successfully completing their course.

**Library Services**

As a DE student you have the same access to first-rate information resources that the HCC Libraries make available to all HCC students. A special website pulls together all the tools DE students will need to get their research rolling. Visit [http://library.hccs.edu/distanceed](http://library.hccs.edu/distanceed) to learn about services specifically for Distance Education students.

Library services are available throughout HCC. Through a daily library delivery service and a listing of all materials belonging to HCC libraries, books may be requested from and delivered to any campus library. HCC also has cooperative borrowing agreements with the University of Houston libraries and provides a copy of the Houston Public library catalog at each library. These arrangements provide students with access to over 4 million volumes.

Special services provided by the library system include photocopying facilities; specialized equipment for disabled students; group and personalized instruction in library use, including a self-instructional media program to orient students to the use of the HCCS libraries; a “term paper” workshop; and online bibliographic search services.

Some library services are available online, but I urge you to visit an HCCS campus library also, if at all possible. (Some of you may have access also to other college libraries, such as University of Houston, Rice University, or University of Texas; certainly, those libraries are fine if more convenient.)

**Computer Labs**

HCCS has computer labs (have your HCCS student ID card ready) for those times when your personal computer is out of order and you have an assignment to download. So, be aware of the hours those labs are open.

Accessibility:

Houston Community College is committed to providing an accessible and supportive environment for students with disabilities. In compliance with Section 504 of the Rehabilitation Act and under the Americans with Disabilities Act, the Disability Support Service Office (DSSO) at each college of Houston Community College is responsible for arranging reasonable accommodations for all qualified students with a documented disability (e.g. physical, learning, psychiatric, vision, hearing, etc.) who needs to arrange reasonable accommodations must contact the Disability Services Office at the respective college. It is recommended that students meet with an ADA counselor at least 60 days prior to the beginning of each term. Faculty members are authorized to provide only the accommodations requested by the Disability Support Services Office. Visit this site: http://www.hccs.edu/district/departments/accessibility/

All students seeking assistance from the Disabilities Support Services Office must disclose the presence of a specific disability to the DSSO. Before receiving requested accommodations, students are required to submit medical or other diagnostic documentation of their disability and/or limitations. In cases where existing documentation is incomplete, students will be required to participate in additional evaluation of limitations as needed.

Requests for an interpreter or real-time captioning services must be made at least 60 days before the start of classes.

Untimely requests may result in delay, substitution or denial of accommodation. If a request is submitted late, the DSSO staff will make every reasonable effort to accommodate the request.

Visit this site to learn how to receive accommodations: http://www.hccs.edu/district/departments/accessibility/how-to-receive-accommodations/

HCC Disability Counselors:

Go to this link and click on the name of the counselor near you to find email addresses, phone numbers, addresses, and fax numbers: http://www.hccs.edu/district/departments/accessibility/ada-counselors/#d.en.176881

- Jette (Yetta) E. Lott
- Senta Eastern
- Hope Pamplin
After student accommodation letters have been approved by the DSS office and submitted to DE Counseling for processing, students will receive an email confirmation informing them of the Instructional Support Specialist (ISS) assigned to their professor.

**EGLS₃ -- Evaluation for Greater Learning Student Survey System**

*EGLS₃ (Evaluation for Greater Learning Student Survey System)*

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Go to [www.hccs.edu/egls3](http://www.hccs.edu/egls3) for more information.

**HCC Course Withdrawal and Attendance Policy:**

Beginning in Fall 2007, the State of Texas imposes penalties on students who withdraw/drop courses excessively. Students are limited to no more than SIX total course withdrawals throughout their educational career at a Texas public college or university. Students are encouraged to review the [HCC 6 Drop Policy](http://example.com). To help you avoid having to drop/withdraw from any class, contact your DE professor regarding your academic performance. You may also want to contact your DE counselor to learn about helpful HCC resources (e.g. online tutoring, child care, financial aid, job placement, etc.).

There are many ways to drop your Houston Community College class. A student can drop their class online within their student account within the drop period. A student can also visit their local HCC Campus and obtain a drop/add form from a counselor.

Students wishing to drop enrollment must [understand the consequences](http://example.com) of withdrawing from classes.

**HOW TO WITHDRAW**
• If a student decides to drop or withdraw from a class upon careful review of other options, the student can drop online prior to the deadline through his/her PeopleSoft/Student Account: https://hccsaweb.hccs.edu:8080/psp/csprd/?cmd=login&languageCd=ENG
• HCC and/or instructors may drop students for excessive absences without notification (see Class Attendance below).
• Students should check HCC’s Academic Calendar by Term for drop/withdrawal dates and deadlines. Classes of other duration (mini-term, flex-entry, 8-weeks, etc.) may have different final withdrawal deadlines. Please contact the HCC Registrar’s Office at 713.718.8500 to determine mini-term class withdrawal deadlines.

Last day to withdraw deadline on the Syllabus.

If you do not withdraw before the deadline, you will receive the grade that you have earned by the end of the semester. Zeros averaged in for required assignments/tests not submitted will lower your semester average significantly, most likely resulting in a failing grade ("F"). Feel free to discuss your concerns with your professor.

CLASS ATTENDANCE

As stated in the HCC Catalog, all students are expected to attend classes regularly. Students in DE courses must log in to their Eagle Online 2 class or they will be counted as absent. Just like an on-campus class, your regular participation is required.

Although it is the responsibility of the student to drop a course for non-attendance, the instructor also has the authority to block a student from accessing Eagle Online, and/or to drop a student for excessive absences or failure to participate regularly. DE students who do not log in to their Eagle Online class before the Official Day of Record will be AUTOMATICALLY dropped for non-attendance. Completing the DE online orientation does not count as attendance.

FINAL GRADE OF FX

Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of “FX” at the end of the semester. Students who stop attending classes will receive a grade of “FX”, compared to an earned grade of “F” which is due to poor performance. Logging into a DE course without active participation is seen as non-attending.
Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of “FX” is treated exactly the same as a grade of “F” in terms of GPA, probation, suspension, and satisfactory academic progress.

Virtual Classroom Conduct:

As with on-campus classes, all students in HCC Distance Education courses are required to follow all HCC Policies & Procedures, the Student Code of Conduct, the Student Handbook, and relevant sections of the Texas Education Code when interacting and communicating in a virtual classroom with your professor and fellow students. Students who violate these policies and guidelines will be subject to disciplinary action that could include denial of access to course-related email, discussion groups, and chat rooms or even removal from the class. Go to this link for information on these topics: http://de.hccs.edu/media/houston-community-college/distance-education/student-services/studenthandbook/PoliciesandProcedures.pdf

Use of Cameras or Recording Devices:

Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations.
Core Objectives

Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Students enrolled in this core curriculum course will complete a research project or case study designed to cultivate the following core objectives:

- **Critical Thinking Skills**—to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
- **Communication Skills**—to include effective development, interpretation and expression of ideas through written, oral and visual communication
- **Personal Responsibility**—to include the ability to connect choices, actions and consequences to ethical decision-making
- **Teamwork** (Comp I, Comp II, and TW)—to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
- **Social Responsibility** (Lit Only)—to include the ability to connect choices, actions, and consequences to ethical decision-making

Student proficiency in Communication Skills will be assessed as a formal written out-of-class essay, which is at least 3 pages long and which includes an oral presentation component as well as a visual component. Student proficiency in Critical Thinking will be assessed by a formal out-of-class essay assignment. Personal, Social Responsibility, and Teamwork will be assessed as part of long unit or major essay assignment, which will include assigned reading responses, pre-writing activities, multiple drafts, and group activities (such as peer review or group presentations). Student project grades will account for at least 5% of the final course grade.

Read the assignment instructions file on the Annotated Bibliography (on sources to be used in the Research Paper)—due June 25. Concurrently, read the file on the Research Paper—due June 29, and begin finding articles from HCCS databases like JSTOR immediately (e-mail your professor for approval of FOUR sources—sending a list of titles and authors—as soon as possible).

Annotated Bibliography Due Thursday 6/25 at 8 AM—upload the file saved as .doc, .docx, or .rtf—do NOT save the file as .wps. Upload your file in the Turnitin link in Week 3 in Eagle Online.

(Note: *Monday, June 29 is the last day to drop with a grade of W at 4:30 PM.* If a student decides to drop or withdraw from a class upon careful review of other options, the student can drop online prior to the deadline through their HCC Student Center. HCC and/or instructors may drop students for excessive absences without notification. However, do NOT assume that you will automatically be dropped for excessive absences.)

Read Lecture VII, plus Williams’s *The Glass Menagerie* 361. Find an article on themes, characters, and symbols in *The Glass Menagerie* by Tennessee Williams in a major peer-reviewed journal (such as *American Literature*, *PMLA*, *American Quarterly*, or *The Explicator*) found in an HCCS Library database such as JSTOR, *Academic Search Complete*, or *ProQuest*. This should be a substantial scholarly article of 7+ pages (from a peer-reviewed journal in one of the HCCS Library Databases), and you will use it in writing your Final Examination Essay (Critical Analysis). Make sure your professor pre-approves your article. Your article should NOT summarize the play; also, it should not be a review of a theatrical production.

Post comments in Discussion forum on *The Glass Menagerie*.
