OFFICIAL DAY OF RECORD:

All students are expected to attend classes regularly, especially in a hybrid class that meets once per week. The day of record is different for each term, and is stated in the course syllabus; it is also posted on the official HCC Calendar: <http://www.hccs.edu/hccs/current-students/academic> (select the appropriate term). Students who have not attended class prior to the Official Day of Record will be automatically dropped by the Registrar.

Technical Compliance:

This class is a Hybrid class using Eagle Online for notes, lectures and assessments. In addition to the use of computers during in-class meetings, each student must maintain Internet access throughout this
course. Additionally, students are expected to maintain a state of technical compliance, including (but not limited to): up-to-date software as required by the instructor; a stable Internet connection; and use of the Firefox browser when using Eagle Online. The instructor is not required to give consideration for lost/missing/unacceptable work stemming from technical non-compliance and/or end-user technical issues. Failure to maintain Internet access shall not constitute a valid excuse for missed work, as you have access to computers at HCC computer labs and libraries, as well as all Houston Public Libraries.

Your HCC Eagle ID e-mail address:
Your HCC Eagle ID e-mail address will be the only e-mail address used for official HCC communication (e.g., financial aid, graduation, regulatory updates, etc.). It is important that you check this account regularly for important information and communications. E-mails sent to your professor from personal email accounts (such as gmail, yahoo, etc.) will NOT be answered.
Please go to http://www.hccs.edu/district/students/student-email-eagle-id/ for information about your HCCS email account. It is the student’s responsibility to check e-mail DAILY within Eagle Online as well as the student’s HCC default email address.

Online Tutoring
HCC provides free online tutoring in writing, math, science, and other subjects. Look for Ask Online on your Eagle Online log-in page. This directs students to the HCC AskOnline Tutoring site: http://hccs.askonline.net/. Use your student ID or HCC e-mail address to create an account. Instructions, including a 5-minute video, are provided to make you familiar with the capabilities of this service.

EGLS3 -- Evaluation for Greater Learning Student Survey System
EGLS₃ (Evaluation for Greater Learning Student Survey System)
At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Go to www.hccs.edu/egls3 for more information.
HCCS Core Curriculum Information

Core Objectives
Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Students enrolled in this core curriculum course will complete a research project or case study designed to cultivate the following core objectives:

Student proficiency in Communication Skills will be assessed as a formal written out-of-class essay, which is at least 3 pages long and which includes an oral presentation component as well as a visual component. Student proficiency in Critical Thinking will be assessed by a formal out-of-class essay assignment. Personal, Social Responsibility, and Teamwork will be assessed as part of long unit or major essay assignment, which will include assigned reading responses, pre-writing activities, multiple drafts, and group activities (such as peer review or group presentations). Student project grades will account for at least 5% of the final course grade.

Attendance: The maximum number of absences is equal to 12.5% of class sessions. There are no excused absences; an absence is an absence. Coming in late or leaving early will constitute a tardy, with three tardies constituting one absence. Once you have been absent for 12.5% of class sessions, you will be administratively dropped.

Classroom Etiquette: Once class has begun, you are not to leave until the class is dismissed. Food, pagers, and children are not to be brought to class. Cell phones, blackberries, and all other electronic devices should be turned off before
you enter the classroom. ALL COMPUTER USE DURING CLASS MUST BE RELATED TO THE WORK FOR THIS CLASS; YOU ARE NOT TO ACCESS SITES SUCH AS FACEBOOK DURING CLASS.

_Honesty Policy:_ Plagiarism, cheating, or collusion (consult The OWL at Purdue: [https://owl.english.purdue.edu/owl/resource/589/1/](https://owl.english.purdue.edu/owl/resource/589/1)) will result in a grade of zero on that assignment. Failure to document quotations, paraphrases, and summaries will result in a grade of zero on that assignment. Submitting the work of another person (copying in any amount, and/or “cutting and pasting”), and that includes work taken from the Internet as your own or using information from other sources without proper MLA documentation will result in a grade of zero on the assignment. There will be NO possibility of redoing that assignment once the zero has been given. Remember that Turnitin will show—in red—the passages that match Internet sources, publications, and student papers. Honesty in the academic setting involves doing your own work, and carefully documenting all sources used.

Conferences: I am available for individual conferences. Talk to me after class to set a time.

_HCC Course Withdrawal and Attendance Policy:_
Beginning in Fall 2007, the State of Texas imposes penalties on students who withdraw/drop courses excessively. Students are limited to no more than SIX total course withdrawals throughout their educational career at a Texas public college or university. Students are encouraged to review the [HCC 6 Drop Policy](https://hccsaweb.hccs.edu:8080/psp/csprd/?cmd=login&languageCd=ENG). To help you avoid having to drop/withdraw from any class, contact your DE professor regarding your academic performance. You may also want to contact your DE counselor to learn about helpful HCC resources (e.g. online tutoring, child care, financial aid, job placement, etc.).

There are many ways to drop your Houston Community College class. A student can drop their class online within their student account within the drop period. A student can also visit their local HCC Campus and obtain a drop/add form from a counselor.

Students wishing to drop enrollment must understand the consequences of withdrawing from classes.

HOW TO DROP
- If a student decides to drop or withdraw from a class upon careful review of other options, the student can drop online prior to the deadline through his/her PeopleSoft/Student Account: [https://hccsaweb.hccs.edu:8080/psp/csprd/?cmd=login&languageCd=ENG](https://hccsaweb.hccs.edu:8080/psp/csprd/?cmd=login&languageCd=ENG)
- HCC and/or instructors may drop students for excessive absences without notification (see Class Attendance below).
- Students should check HCC’s Academic Calendar by Term for drop/withdrawal dates and deadlines. Classes of other duration (mini-term, flex-entry, 8-weeks, etc.) may have different final withdrawal deadlines. Please contact the HCC Registrar’s Office at 713.718.8500 to determine mini-term class withdrawal deadlines.

_Last day to withdraw deadline_
If you do not withdraw before the deadline, you will receive the grade that you have earned by the end of the semester. Zeros averaged in for required assignments/tests not submitted will lower your semester average significantly, most likely resulting in a failing grade ("F"). Feel free to discuss your concerns with your professor.

CLASS ATTENDANCE

As stated in the HCC Catalog, all students are expected to attend classes regularly. Although it is the responsibility of the student to drop a course for non-attendance, the instructor also has the authority to block a student from accessing Eagle Online, and/or to drop a student for excessive absences or failure to participate regularly.

FINAL GRADE OF FX

Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of “FX” at the end of the semester. Students who stop attending classes will receive a grade of “FX”, compared to an earned grade of “F” which is due to poor performance.

Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of “FX” is treated exactly the same as a grade of “F” in terms of GPA, probation, suspension, and satisfactory academic progress.

Be familiar with official policies in the HCC Student Handbook:

In-class 11/17: Discuss *The Glass Menagerie* by Tennessee Williams.

Online/out of class:

Find an article on themes, characters, and symbols in *The Glass Menagerie* by Tennessee Williams in a major peer-reviewed journal (such as *American Literature*, *PMLA*, *American Quarterly*, or *The Explicator*) found in an HCCS Library database such as *JSTOR*, *Academic Search Complete*, or *ProQuest*. This should be a substantial scholarly article of 7+ pages, and you will use it in writing your Final Examination Essay. Make sure your professor pre-approves your article. Your article should NOT summarize the play; also, it should not be a review of a theatrical production.

**In-class 11/24:** Discuss Williams’s *The Glass Menagerie*, finding critical articles, and writing the final exam essay.
