HCC Policy Statement: Academic Honesty

You are expected to be familiar with the College's Policy on Academic Honesty, found in the catalog and student handbook. Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/or disciplinary proceedings may be initiated by College System officials against a student accused of scholastic dishonesty.

“Scholastic dishonesty” includes, but is not limited to, cheating on a test, plagiarism, and collusion.

Cheating on a test includes:

- Copying from another student's test paper;
- Using materials during a test that are not authorized by the person giving the test;
- Collaborating with another student during a test without authority;
- Knowingly using, buying, selling, stealing, transporting, or soliciting in whole or part the contents of a test that has not been administered;
- Bribing another person to obtain a test that is to be administered.

Plagiarism means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

Collusion means the unauthorized collaboration with another person in preparing written work offered for credit.

Violations: Possible punishments for academic dishonesty may include a grade of “0” or “F” on the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System. A recommendation for suspension or expulsion will be referred to the College Dean of Student Development for disciplinary disposition.

Students who wish to appeal a grade penalty should notify the instructional supervisor within 30 working days of the incident. A standing committee appointed by the College Dean of Instruction (Academic or Workforce) will convene to sustain, reduce, or reverse the grade penalty. The committee will be composed of two students, two faculty members, and one instructional administrator. A majority vote will decide the grade appeal and is final.

Official HCC Attendance Policy:

Students are expected to attend classes regularly. Students are responsible for material covered during their absences, and it is the student's responsibility to consult with instructors for makeup assignments. Class attendance is checked daily by instructors.

Although it is the responsibility of the student to drop a course for non-attendance, the instructor has the authority to drop a student for excessive absences.

A student may be dropped from a course for absenteeism after the student has accumulated absences in excess of 12.5 percent of the hours of instruction (including lecture and laboratory time).

For example:

For a three credit-hour lecture class meeting three hours per week (48 hours of instruction), a student may be dropped after six hours of absences.

Administrative drops are at the discretion of the instructor. If you are doing poorly in the class, but you have not contacted your professor to ask for help, and you have not withdrawn by the official withdrawal date, it will result in you receiving a grade of “F” in the course

Tardiness:

Because assignments and resources are often given at the start of class, tardiness can mean not receiving valuable information, *which may not be repeated*. Tardiness and leaving early also counts toward missed instruction and can contribute to the 12.5% of allowed absences.

NOTE: LAST DAY FOR STUDENT/ADMINISTRATIVE DROP THIS SEMESTER:

November 3, 2017 at 4:30 p.m.

Course Withdrawals-First Time Freshmen Students-Fall 2007 and Later:

Effective 2007, section 51.907 of the Texas Education Code applies to first-time in college freshman students who enroll in a Texas public institution of higher education in the fall semester of 2007 or thereafter. High school students currently enrolled in HCC Dual Credit and Early College are waived from this requirement until they graduate from high school.

Based on this law, **HCC or any other Texas Public institution of higher education may not permit students to drop after the official day of record more than six college level credit courses for unacceptable reasons during their entire undergraduate career.**

Course Withdrawals:

Be sure you understand HCC policies about dropping a course. It is the student's responsibility to withdraw officially from a course and prevent an "F" from appearing on the transcript. If you feel that you cannot complete this course, you will need to withdraw from the course prior to the final date of withdrawal. Before, you withdraw from your course; please take the time to meet with the instructor to discuss why you feel it is necessary to do so. The instructor may be able to provide you with suggestions that would enable you to complete the course. Your success is very important

If you plan on withdrawing from your class, you **MUST** contact a HCC counselor or your professor prior to withdrawing (dropping) the class for approval and this must be done **PRIOR** to the withdrawal deadline to receive a "W" on your transcript. ***Final withdrawal deadlines vary each semester and/or depending on class length, please visit the online registration calendars, HCC schedule of classes and catalog, any HCC Registration Office, or any HCC counselor to determine class withdrawal deadlines. Remember to allow a 24-hour response time when communicating via email and/or telephone with a professor and/or counselor. Do not submit a request to discuss withdrawal options less than a day before the deadline.* If you do not withdraw before the deadline, you will receive the grade that you are making in the class as your final grade

Early Alert Program:

To help students avoid having to drop/withdraw from any class, HCC has instituted an Early Alert process by which your professor *may* "alert" you and HCC counselors that you might fail a class because of excessive absences and/or poor academic performance. It is your responsibility to visit with your professor or a counselor to learn about what, if any, HCC interventions might be available to assist you – online tutoring, child care, financial aid, job placement, etc. – to stay in class and improve your academic performance.

Repeat Course Fee:

The State of Texas encourages students to complete college without having to repeat failed classes. To increase student success, students who repeat the same course more than twice, are required to pay extra tuition. The purpose of this extra tuition fee is to encourage students to pass their courses and to graduate. Effective fall 2006, HCC will charge a higher tuition rate to students registering the third or subsequent time for a course. If you are considering course withdrawal because you are not earning passing grades, confer with your instructor/counselor as early as possible about your study habits, reading and writing homework, test taking skills, attendance, course participation, and opportunities for tutoring or other assistance that might be available.

HCC Grading Information:

A = 100- 90	4 points per semester hour
B = 89 - 80:	3 points per semester hour
C = 79 - 70:	2 points per semester hour
D = 69 - 60:	1 point per semester hour
59 and below = F	0 points per semester hour
FX (Failure due to non-attendance)	0 points per semester hour
IP (In Progress)	0 points per semester hour
W (Withdrawn)	0 points per semester hour
I (Incomplete)	0 points per semester hour
AUD (Audit)	0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses.

The grade of "I" (Incomplete) is conditional. It will only be assigned if at least 80% of the course work is complete, the student provides a valid excuse, and the student would be mathematically able to pass the course if the work is completed. Students receiving an "I," must make an arrangement with the instructor in writing to complete the course work within six months. After the deadline, the "I" becomes an "F." All "I" designations must be changed to grades prior to graduation. Changed grades will appear on student record as "I"/Grade (example: "I/A").

FINAL GRADE OF FX: Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class.

Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.

To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

Instructor Grading Criteria: Homework, assignments and projects will be evaluated according to the following criteria:

Evaluation and Grading

I will determine your grade via the following criteria:

- Technique, Form, Content and Craftsmanship- Level of technical difficulty attempted and achieved. More sophisticated work may receive higher scores.
- **Following Instructions- Adherence to all specific assignment guidelines/content requirements**
- Originality and Problem Solving- Creativity and Originality: Solving the assignments in an imaginative and unique way may lead to a higher score.
- **Participation in daily group discussions, critiques, field trips and daily & end of semester clean up.**
- Steady work habits; being organized with work finished and turned in on time. - Adherence to deadlines.
- Honesty: Submit your own work.

Assignments will include:

1. Night into Day
2. *Eyes of the Storm* exhibition
3. Darkroom Experimentation
4. Technical and Formal Elements Quiz
5. Open Assignment
6. 20 Objects Assignment
7. Lightroom Proficiency Quiz
8. Mimic Assignment
9. Artist Presentation
10. Final Project
11. Organization and Positive Participation grade

**** Possible extra credit assignments will be given****

***Eyes of the Storm* exhibition:** This assignment is required to promote the utilization of varied materials and techniques with informed aesthetic and conceptual strategies in order to ensure that students create original, display-ready works of art using the studio skills taught this semester, because of Hurricane Harvey.

Late work:

It is important that each student completes his or her work in time for the announced due date. *Late work will be deducted one letter grade for each class period it is late* (even if you are absent on the due date, your work will be considered late). **NO PROJECT WILL BE ACCEPTED LATER THAN TWO CLASS PERIODS PAST THE DEADLINE** unless the student addresses the issue with the instructor prior to the end of the project.

Participation:

Your participation in class demonstrations, discussions and group critiques is expected and required in order to successfully complete this studio course. Your level of participation will be noted and will be used to determine whether borderline grades stay at the lower value or move to the higher grade. Arriving in class without the materials necessary for the day's work, is the same as being absent and is poor participation.

Instructor's Final Grading Legend:

Your final grade is determined by calculating the average letter grade you earned during the semester. Letter grades for each assignment have the following point values:

(A 4.0) (A- 3.67) (B+ 3.33) (B 3.0) (B- 2.67) (C+ 2.33) (C 2.0) (C- 1.67) (D 1.0) (F 0)

Online Student Evaluation of Instruction: *EGLS3 -- Evaluation for Greater Learning Student Survey System*

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

Lab Requirements:

This course meets for 6 hours each week in a 2 hour lecture, 4 hour lab format. Students can expect to incur the cost of their own Photography supplies in addition to your camera, approximating \$100.00 to \$150.00 (or more) over the course of the semester. *If you have enrolled in a Second Start, 8-week or mini-term class, and are dependent on Financial Aid for purchasing your supplies, you may not be receiving your overload money until those semesters begin—plan accordingly—you cannot succeed in this course without purchasing the necessary tools.*

Health Safety:

It is strongly advised that if you are pregnant, have respiratory difficulties, sensitivity to chemicals, metals, or hand and wrist problems, you not stay enrolled in this course.

At HCC the safety of our students, staff, and faculty is our first priority. As of August 1, 2017, Houston Community College is subject to the Campus Carry Law (SB11 2015). For more information, visit the HCC Campus Carry web page at <http://www.hccs.edu/district/departments/police/campus-carry/>.”

Insurance Disclaimer:

The Fine Arts Department at Central College strongly recommends that all HCCS students carry some form of medical insurance to cover illness and injury, both on and off campus. Information regarding low-cost health insurance for students is available in the Fine Arts office. Under Texas state statute, HCCS is immune to liability in the event of accident or injury.

Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' rights with regard to sex/gender discrimination. Information regarding these rights are on the HCC website under Students-Anti-discrimination. Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understands and conforms to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations.

Use of Photography Studio:

- In order to use a studio, a student must have a current art studio pass issued by the Fine Arts Office, signed by his/her current art instructor after passing the Photography Open Studio quiz.
- Students agree to adhere to the posted office hours and Photography studio hours, and to be clear of all spaces in time for the office staff to close according to security guidelines or before a class meets.
- To receive a key to open a studio when no instructor is present, students must register in the Fine Arts Office
- Write your name, or HCCSD ID number on your art studio pass and sign in legibly
- Leave studio pass with the office staff.
- Sign out after using the studio, and reclaim studio pass.
- There will be a **\$75 charge if you misplace the key.**
- Only students currently enrolled in the Photography classes may use the studio; **no children or pets.**
- It is not acceptable to keep a key and leave personal belongings in a studio while attending another class, or otherwise leave the building or campus. Doing so will result in the student losing key privileges.
- Each student is responsible for keys checked out. Keys should never be passed from one student to another. The student who signed for the key is responsible for the key until that student returns to sign out.
- When leaving the Photography studio make sure that your space is clean, all enlarger kits are put away and stored in their proper place, all trash is disposed of, the water is shut off, the chemistry is covered and the lights are turned off.
- Any student who disregards these guidelines will lose the privilege of using the FAC studios.
