**What's Exciting About This Course**

History is a very engaging, insightful and analytical class to help one better understand and explain the world, people, events and everything else that shape and define mankind and its impact on social, economic, and political progress, achievements and boundaries.

**My Personal Welcome**

I welcome all to my History 1301 Class and hope that each of you gain a little more insight and commitment to contextualize history with the hope of challenging and pushing your ability to think differently while appreciating all facets of a topic or subject. For 6 weeks this class is going

to be on line where we will be using Canvas, the Content Folder on the Learning Web and Turnitin.com. After 6 weeks we will meet in our class on the days and time unless for the remainder of the semester unless HCC changes the plans and we finish the semester online which I will notify the class. Even though our face to face classes were transferred to Canvas I will hope to make the transition and accommodations both easy and readily accessible while you and I work to finish the semester up and administer the class through communication, email, quizzes, tests, discussion boards, chat, conference. Please check both the Learning Web in the 1301 content folder for additional content, information, essay questions and Canvas as additional and more content, information, quizzes, exams, and other instructions will be given to help you all out. I have made audio lectures covering my lectures, and information and they will be found in each Exam module. These audio lectures usually accompany my actual lectures from class. They are helpful and a guide to better understand the material better, but also compliments my power point notes (which are provided in Canvas in each Exam module. When I have a video or movie for you to watch, very little audio lecture recordings will cover or deal with the content from the video, cause the answers for said people, terms, and essay questions are found in the video, but more importantly I want you to watch, pay attention and really draw/pull from the videos the information as you do so by thinking, coming to the conclusion on your own and analyzing it. This will be on display mainly in Exam 2, and a little bit on Exam 1 dealing with several essay questions from those Exam content and material. I have the student pull the information and answers that way in a normal face to face class and online. So don't feel like I am mean that is how I encourage and engage you. If its not a video or movie, there will be lots of content and information to pay attention from the audio lecture since its synced up to the power points notes.

### **Modality Statement on the classes offered for Fall 2020**

We as a class for this semester qualify as a Flex Campus/Class which means we meet online for 6 weeks and then depending on if HCC changes it to face to face or keep it online in early Oct.

#### **Flex Campus**

Students enroll in classes and have the choice to attend either online or in person at the scheduled dates and times. We are working on a system to ensure all students have the opportunity to participate in person at times if they want. When a student isn't attending in person, they are required to participate at the scheduled time online. Look for the code FC when reviewing the updated schedule.

#### **Online Anytime**

Students take classes online at any time. These are traditional online classes and students never come to campus. Look for the code WW when reviewing the updated schedule.

#### **Online on a Schedule**

Students take classes online at the scheduled class time that they select when enrolling. Students never come to campus, but log into their class on the scheduled dates and times. Look for the code WS when reviewing the updated schedule.

### **Eagle Online Canvas Learning Management System**

I can and will use Eagle Online Canvas for a variety of purposes throughout the semester. I will post important announcements on assignments, due dates, historical topics, and other useful information that can assist the student and to help clear up any confusion they might have from class, or if they missed a class during the week. I also will communicate with the students both via

their HCC email throughout the semester, and also via the Canvas to make things better and easier for the class and myself to stay in touch and constantly updated. This section of HIST 1301 will use Eagle Online Canvas (<https://eagleonline.hccs.edu>) to supplement in-class assignments, exams, and activities. In addition of directing the students to Eagle Canvas Online, I will also point out that the Learning Web is also vital and important for them regarding quiz material, essay questions, and other useful tools for them to use this semester.

### **HCC Online Information and Policies**

Here is the link to information about HCC Online classes including the required Online Orientation for all fully online classes: <http://www.hccs.edu/online/>

### **Eagle Online Canvas Gradebook Notice**

The gradebook tool in Canvas may not accurately reflect your current or final course grade. Consult your syllabus and your assignment grades to calculate your course grade and speak with the professor if you have questions. The gradebook will be updated as assignments are being done, completed and turned in via Canvas or Turnitin.com where I will grade and record the grades accordingly to the assignment.

### **Instructional Materials**

The instructional and class materials that will be used for my class is the textbook, the E-readers along with 1 history book that covers a topic, subject or time period. More information in class will be given and the assignments that accompany them.

#### **Textbook Information:**

To access and get the Text book, there is a link in canvas called McGraw-Hill Connect. That is where you click it and follow the procedures to connect to McGraw-Hill and get the text book there either as a online version or physical copy (if physical copy is available and if they mail it to you)

### **Reader**

A new E-Reader is coming soon through a new publication company. Check with Canvas discussion board for that information to purchase and gain access to the readers. There is a link in the Canvas for your class called First Day (Inclusive Access) Course Material. That is where you

find the access and way to see and read the ebook readers. I will post it in the Content folder on the Learning Web the Table of Contents for 1301

Purchase only the Reader, there is not a class attached to this. **REQUIRED**

### **Tutoring**

HCC provides free, confidential, and convenient academic support, including writing critiques, to HCC students in an online environment and on campus. Tutoring is provided by HCC personnel in order to ensure that it is contextual and appropriate. Visit the HCC Tutoring Services website for services provided.

### **Libraries**

The HCC Library System consists of 9 libraries and 6 Electronic Resource Centers (ERCs) that are inviting places to study and collaborate on projects. Librarians are available both at the libraries and online to show you how to locate and use the resources you need. The libraries maintain a large selection of electronic resources as well as collections of books, magazines, newspapers, and audiovisual materials. The portal to all libraries' resources and services is the HCCS library web page at <http://library.hccs.edu>

### **Supplemental Instruction**

Supplemental Instruction is an academic enrichment and support program that uses peer-assisted study sessions to improve student retention and success in historically difficult courses. Peer Support is provided by students who have already succeeded in completion of the specified course, and who earned a grade of A or B. **Assignments, Exams, and Activities**

**Exams:**

The student will take Three exams throughout the semester. Each exam will cover the lectures, class discussions, and textbook. The class will be broken into three major segments or themes and each theme will address a specific main point that discusses and highlights the events, people, movements, etc in history. These themes or ideas will be emphasized and elaborated on strengthening what role they play in American History as the country evolves politically, socially, economically, and militarily. The students will receive a copy of 4 mini essay questions that stresses certain key areas of history where the student must demonstrate his/her own understanding of the topic and answer the question with thought, information and clarity from their notes, class discussions and textbook. The instructor will choose 2 essay questions before the exam and the student must answer both questions. Each Essay Question is worth 25 points. The student will be given a set of key terms where they be asked to answer 5 questions that will be used on the exams for each segment of history the class covers. The 5 Key Terms on the exam are worth 25 points. A final segment for each exam that must be completed is to have the students identify 5 people that will be covered in class and emphasize how they played a part in US History. The identification section of the exam is worth 25 points. Each exam completes a segment of history and no exam is cumulative. The total points for each exam are 100 points.

**Quizzes/Assignments:**

Students will take 8 quizzes throughout the semester. They are designed to provide factual material for class discussions and exams. Each quiz will be taken before a major exam. Consult the schedule for more details. All quizzes must be taken by the date and time specified in the outline. Any quiz not taken by that day and time will become a zero for the student. No exceptions allowed.

**United States President Quiz:** They will take 2 Presidential Quizzes beginning with George Washington and ending with James Buchanan

**United States Map Quiz:** They will take 4 State Map Quizzes over the first 36 states.

**European Map Quiz:** The students will take one European Map Quiz over 12 European Countries.

**US Constitution Quiz:** The students will take one US Constitution Quiz covering the first 12 Amendments

**US Colony Project:**

The students will be working on and turn them on turnit.com. I will grade each presentation to see if they have met the requirements. The entire project will be worth 100. Each colony turned in reflects on how they all played a part and a better understanding how their colony was founded, made an impact in America's formation and the difference between the original 13 colonies. This is a solo project and not a group project. The three main things or topics that must be included for each colony: the founder or settlers, the economy, and the religion. Each colony presentation must have a map of their colony and use information that covers your colony from that time period of your colony's founding.

**US President Project:**

The students who didn't select a colony will complete and turn in a presentation will then choose 1 of the first 15 President's and create a presentation to turn in to Turnitin.com This is also a solo presentation as well and must be done as a Power Point Presentation. I will grade each presentation and student based on their actual completion and overall finished presentation. The entire project will be worth 100 points. The three things to include in the project are: brief overview of each President's background, their time as President, and their time after serving as President.

I will create 2 discussion board entries in Canvas where one will be the colonies and the second one will be the presidents where you will go and type which colony or president you want to do your presentation over. I will take the entries on a first come basis based on time and date entry stamped on your submission. I will have a list of the 13 colonies and 15 presidents to select in a word document in the learning web in the 1301 content folder. If you choose to do a colony, you cant do a president. Only 1 topic for per person. If you type you entry in after someone else, try again, cause everyone can see the already submitted entries from other students until all 13 and all 15 presidents are taken. If all the colonies and presidents are taken (28 total) and you have not picked either a colony/president, then you will do a presentation over a general 1301 topic to create and turn in. Each presentation must contain between 6-7 slides.

**The Colony/President/General Presentations are due on the website Turnitin.com at 11:00 pm on Sept 18, 2020. No Late Work Accepted.**

**E-Reader Assignment**

The student will select any 5 Primary Articles or Documents and 5 Secondary Articles or Documents (the readings or documents within the chapters, not the chapters). Click the chapters and a selection of readings or documents within will appear under each chapter you select from the actual Online E-Reader itself and complete the assignment by reading, writing, thinking and typing it up. Each submission is worth 10 points for each primary and secondary write-up making the total assignment 100 points. The format to use and follow is as follows: 12 Point Font, Times New Roman, Double Spaced

The upper left hand side of the document should contain the following information:

Name

Class

Instructor

Date

Title of the Reading centered and Italicized.

Each of the responses to the 10 the student will select and complete will be the same throughout. There will be 4 paragraphs done for each of the selected 10 readings.

The First Paragraph will consist or contain the actual student's reading and summation of the selected document or reader. The student should focus on what the document or the selected reading emphasizes or concentrates on that deals with the actual important summation in its scope.

The Second Paragraph will have the student focus and concentrate on the main point of the selected reading. This is not a repeat of the first paragraph and will be graded entirely upon the student's ability to really focus on the main point or level of understanding of deriving and analyzing the readings main point.

The Third Paragraph will next require the students to really concentrate on the overall impact from the main point of the selected readings place and significance in history during the period in which the readings are addressing. Again, the student should not repeat themselves and assume that it is like the first and second paragraph and recycle their answer. This demands that the student to concentrate and write up the overall impact the main point has or plays on the topic from the selected readings.

The Fourth Paragraph should only deal with the overall importance from the main point from the selected readings that the student has chosen. I will expect and require that the students to stay away from repeating themselves from the previous 3 paragraphs, but instead focus on the importance the main topic or point is stressing as it relates to history that the reading is covering or addressing.

**Please check the calendar on when the E-Readers are due. All must be turned in by November 20, 2020 on the website Turnitin.com. No Late**

**Work Accepted. I will create a submission spot on Turnitin.com for each entry with the due date of November 20, 2020.**

#### **History Book Analytical Assignment:**

I am going to assign a book to read that is both appropriate for the time period of this 1301 class and length of pages and scope so you won't be over-whelmed and risk the chance of getting behind or lost. The book I will have you read – either as a digital copy online (there are various places to read it on line for free or to buy, or a copy of the physical version) is the *Narrative Life of Frederick Douglass*. The book is less than 150 pages long and it's a very interesting, fast and appropriate read that deals with the issue of slavery in America in the 1800s prior to the Civil War.

Once you have read the book, you will write up a 2-3 page Analytical Paper fully analyzing it from your own cognitive and analytical input, thinking and understanding. The format is simple and will abide to the principle of encouraging the student to fully engross and immerse into the book or author's main central ideals and overall purpose. The format to use and follow is as follows: 12 Point Font, Times New Roman, Double Spaced and is worth a 100 points.

The student will read the book and work on understanding the topic and purpose analytically and most importantly attempt or infer on the historical moments and place to the context of the time, period, place, people, events, etc. In roughly 2-3 pages, the student will pull from the book what they have chosen to find a theme or an overall arching arc of the chapters and content that pushes them to think critically and analytically about the book.

This can be done in several paragraphs that capitalizes and comments on the entire scope of the book.

A purposeful guide in these paragraphs could be included in their papers that touch on the authors beginning chapters, middle chapters, and final chapters that complete and compliment the message of the author. The student could also approach the book from the perspective on picking out 1 or 2 very common and useful points that creates a theme that is used throughout with the intent of explaining and highlighting while strengthening it as it relates to the time period, event, movement, etc. There is no right or wrong way to analyze and write a 2-3 paper for this assignment as long as the student immerses themselves into the book and focuses on the content, its proper historical context and to critically think beyond the normal and typical level rather than typing up a summation or quick overview of the book with no thought, understanding and grasp.

The assignment if it falls into the 2-3 page range will include at least and up to 5-7 paragraphs with the hope and aspiration for the student to push themselves and challenge their critical and analytical skills that far exceed what they have done before or that is different from a book report, review or a research paper. If a student has questions, confused or needs some help in understanding the assignment better, needs clarification I encourage them to ask, reach out and

stay on top of the assignment and requirements. Most importantly is for them to be creative, critical and analytical in their approach, book, and paper when its completed and ready to turn in.

If you have any questions please don't hesitate and email me or contact me via canvas.

**The History Book Analytical Assignment is due on Friday November 20, 2020 on the website Turnitin.com at 11:00 PM. No late work accepted.**

### **Academic Dishonesty, Plagiarism, Cheating**

Plagiarism, cheating, and other forms of academic dishonesty are prohibited by HCCS policy. Plagiarism is the use of the ideas or words of another person (either in whole or in part) without crediting the source. #### Attendance Procedures

#### Attendance and Withdrawal Policies:

It is recommended and important for you to attend class. I will create in the Discussion Board a thread each day for attendance (each will have the date: Example June 8) and you will go there and type present. If you miss class on a consistent basis, please keep in mind that you are responsible for getting any and all notes that you have missed. In addition, keep in mind certain assignments have a 1 week grace period to make up and some have no grace period. Quizzes can be made up within a week of a missed class and you must arrange a time with the Professor to make it up. If you miss the quiz over the presidents, please note you will be given time to make it up before the semester ends. Failure to make it up the grade will be a 0. That is called makeup, not a retake. There are no retakes on any assignment. A retake is where you did a quiz, or exam and you failed, and want to retake it for a better grade. There are no retakes. On the other hand, a book report, or a Group Presentation or Extra Credit Assignment can't be made up. Any assignments not made up in the allotted time frame will be recorded as a 0 and the others that can't be made up will be a 0 as well.

If you stop attending class, I will not automatically drop you. I will only drop you after you have requested to be dropped. Furthermore, I am not able to drop you after the official drop date.

**The last date to officially withdraw from a class is Friday October 30, 2020.  
PLEASE BE AWARE, THAT YOU, THE STUDENT ARE NOW ABLE TO DROP YOURSELF.**

*If you stop attending classes after the "Last day to withdraw":*

- Academic consequence – grade of "FX" (same impact on your GPA as an "F")
  - Financial consequence – required to repay all or a portion of your financial aid
- \*\*Future financial aid eligibility may be affected no matter when you withdraw.**

#### Student Conduct

#### Civility policy:

Class attendance requires civility and courtesy towards students as well as the professor.

**As such, the following behaviors are prohibited: talking, cell phones, pagers, studying for other classes, chronic tardiness or any other action deemed disruptive or inappropriate by the instructor.**

**The professor reserves the right to remove anyone from the class for violating these policies.**
