Departmental Practices and Procedures

The Health Information is an online program and uses online meeting technologies (email, Zoom, WebEx). Students are expected to use proper etiquette when using the technologies.

1. This is a safe space. Open and honest discussion is encouraged.
2. Do not use all capitals or expletives in your emails or chats - this can be interpreted as yelling.
3. Use the audio and video feature when possible.
4. Dress in appropriate attire when your camera is on.
5. Add your picture to your Canvas profile.
6. State your name when speaking.
7. No eating during meetings.
8. Mute your mic when you are not talking.
9. Respect others opinions, do not interrupt those speaking, and speak in a professional manner at all times.
10. Respondus with Webcam will be used for test taking. You must show your picture ID (ie: HCC student ID, driver's license, passport) and perform an environmental scan using your webcam. Failure to do so will result in you not being able to take your exam. Inordinate movement and speech will signal the professor. After seven (7) inordinate movements (ie: leaving computer camera view, walking away from computer camera view, turning off computer camera) and/or speech (ie: speaking out loud in a conversation tone and pitch), one point will be deducted for each.
