INSTRUCTIONAL METHODS

As your professor, I want you to be successful in this class. We will work together to achieve the levels of proficiency previously stated. I will create activities where you can experience, speaking, reading, writing, listening, and cultural understanding of Spanish. I will also pay attention to your learning style without sacrificing the standards you should achieve. I will rely on your feedback through exams, quizzes, and oral report. Exams. All the exams test vocabulary, reading, writing, and listening. If you do all assigned work and study prior to taking the exam, you should do well.

All the aforementioned determines how successfully you are at achieving the learning outcomes previously outlined. If you find you are not mastering the language skills, please reflect on your study habits and time management skills and prepare for each class.

SCHOLASTIC DISHONESTY

Students engaged in any scholastic dishonesty: cheating, plagiarism or collusion, as described by the Student Handbook may be penalized as specified in the Student Handbook (pp. 28-29). Please, familiarize yourself with the student handbook.

ATTENDANCE POLICY

Class will begin at the scheduled time. Please be on time, as coming and going is disruptive. The class roll will be called every day at the beginning of class. Students are expected to attend classes every day and will be responsible for materials covered during their absence, as per the course lesson plan and additional materials assigned by instructor. Students will lose points on the participation grade for every class missed. As per HCCS policies, stated in the Student Handbook (P. 2), the instructor has full authority to drop a student after the student has accumulated absences in excess of 10 hours, including lecture and laboratory time. However, it is recommended that the student be responsible for dropping the course if he/she has been absent more than 10 hours of class. This policy will be strictly enforced, particularly for veterans. If a student is late by more than 10 minutes or leaves class 15 minutes before the class ends, the student will receive one 1/2 absence. After 2 of these absences the student will get one full absence. Poor attendance records tend to correlate with poor grades. There are no excused or unexcused absences; they are all absences.

Absences will be counted from the first class day of the semester, no matter when the student registers or first attend.

MAKE UP TEST POLICY

Students **are responsible** for material covered during their absences. . Exchanging phone numbers with one or two other students for times when you miss a single class is a good idea. Make-up exams will not be given except in well-documented dire circumstances. LATE ASSIGNMENTS WILL NOT BE ACCEPTED.

REPEATED COURSE FEE

Students who repeat a course for a third or more times may soon face significant tuition/fee increases at HCC and other Texas public colleges and universities. Please ask your professor / counselor about opportunities for tutoring / other assistance prior to considering course withdrawal or if you are not receiving passing grades.

CLASSROOM BEHAVIOR

The guidelines for student conducts and consequences for their violation are specifically defined in The Student Handbook " [As] mature, responsible adults., they will voluntarily observe these rules as a matter of training and habit. Students [will] not interfere with or disrupt the orderly educational process of the College System." It is expected that the students will demonstrate both courtesy and cooperation in the classroom. **A student who either cannot or will not extend both courtesy and cooperation may not continue the course.**

USE OF RECORDING DEVICES IN HCC FACILITIES

Per HCCS Policy, "Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations."
