Find eight sources about one of the following topics: gun control or the #metoo movement.

Three of the sources must be from articles from academic journals from *Academic Search Complete*.

After each works cited entry, include a 100-150 word-long paragraph answering the following the questions:

- 1) What is this source about? (Who/what/where/when/why)
- 2) How does this source contribute to discourse surrounding your topic? Which side of the problem does it address that isn't addressed elsewhere?
