

Test Corrections Worksheet

Name: _____ CRN: _____ Today's Date: _____
 Title of Test: _____ Original Score on Test: _____

Directions: Fill out this form COMPLETELY and ACCURATELY! When completed, turn this form in to Dr. Parker. Use additional sheets if necessary.

- Remember your work on each question you miss is your attempt to earn ½ credit back for each question missed on the exam.
- Each column needs to be completed to be considered for credit.
- Needs to be HANDWRITTEN and LEGIBLE for credit.
- List what page you found it in your textbook or NO CREDIT!!!
- Justification is not, "I did not study that, I guessed, I made a mistake."
- Your explanation of the correct answer is NOT just restating the answer, it is demonstrating that you understand the answers meaning why it was the correct

<p>Reflection: (Answer all.)</p> <ul style="list-style-type: none"> • How did you study for this test? • Did you study to the best of your ability? • How could you study differently in the future? 	
---	--

EXAMPLE

?	Original	Justification	Correct	Explanation of correct answer	Textbook
#	Answer	(Reason the question was missed or why you chose the answer that you did?)	Answer	(The evidence that proves this answer is correct from your textbook.)	Page #
5	B	I confused the functions <u>osteocyte</u> with <u>osteoblast</u> .	C	An <u>osteocyte</u> is a mature cell that monitors and maintains the matrix and the <u>osteoblast</u> is an immature cell that secretes the matrix in bone.	Page 186
