INSTRUCTIONAL METHODS

As your professor, I want you to be successful in this class. We will work together to achieve the levels of proficiency previously stated. I have created activities where you can experience, speaking, listening, and cultural understanding of Spanish. I will also pay attention to your learning style without sacrificing the standards you should achieve.

STUDENT ASSIGNMENTS

Weekly activities done online that support what is being covered in the assigned episode from the online learning management system **Supersite**. These activities include listening, vocabulary, cultural and grammar exercises. All assignments are listed on the tentative course

calendar that follows. Pay close attention to the due dates for these assignments. The schedule is available at the beginning of the semester so that students may plan. I encourage you to see me right away if you are having problems with any of the assignments so as not to fall behind.

ASSESSMENT OF STUDENT OBJECTIVES

All the aforementioned assessment instruments determine how successful you are at achieving the learning outcomes previously outlined. If you find you are not mastering the language skills, please reflect on your study habits and time management skills and prepare for each class.

1. Students will do an oral presentation of 2-3 minutes on a topic related to everyday activities and will be evaluated according to:
 - a. fluency
 - b. vocabulary
 - c. pronunciation
2. Students will have a test after completing 2 episodes and an oral evaluation at midterm and final.
3. Students will be tested on vocabulary with quizzes for each episode.
4. Students will be presented with a number of products, values, and behaviors that are part of the Hispanic culture and will be assessed at the end of the semester on their knowledge of these aspects of Hispanic culture.

INSTRUCTOR'S REQUIREMENTS

ATTENDANCE POLICY

Class will begin at the scheduled time. Please be on time, as coming and going is disruptive. The class roll will be called every day at the beginning of class. You are expected to attend classes every day and will be responsible for materials covered during your absence, as per the course lesson plan and additional materials assigned by instructor. You will lose points on the participation grade for every class missed. As per HCCS policies, stated in the Student Handbook (P. 2), your instructor has full authority to drop you after you have accumulated absences in excess of 6 hours. However, it is recommended that you be responsible for dropping the course if you have been absent more than 6 hours of class. If you are late by more than 10 minutes or leaves class 15 minutes before the class ends, you will receive one 1/2 absence. After 2 of these absences you will get one full absence. Poor attendance records tend to correlate with poor grades. There are no excused or unexcused absences; they are all absences.

MAKE UP TEST POLICY

You **are responsible** for material covered during your absences. It is a good idea to exchange phone numbers with one or two other students for times when you miss a class. Make-up exams will not be given except in well-documented dire circumstances. You may only make up one exam per semester and the test will be given on the last day of class. Make-up tests will be different from regularly scheduled tests. Quizzes may not be made up. You **are responsible** for material covered during your absences. It is a good idea to exchange phone numbers with one or two other students for times when you miss a class.

OFFICIAL DAY OF RECORD is Wednesday, February 1. Students must actively participate before the Official Day of Record, or they will be automatically dropped for non-attendance. Active participation for this class means:

- 1. registering and purchasing course materials and**

2. beginning *Hola, ¿qué tal?* online exercises. You will need to log into the **Supersite** website several times a week and complete exercises at the pace of several pages every day.

MAKE UP POLICY

Auto-graded assignments in **Supersite** must be completed by the due date.

HCC GRADING SCALE

A = 100-90	4 points per semester hour
B = 89-80	3 points per semester hour
C = 79-70	2 points per semester hour

59 and below = F	0 points per semester hour
W (Withdrawn)	0 points per semester hour

AUD (Audit)	0 points per semester hour

STUDENT EVALUATION

Your grade will be determined by the following	Details	Percent of Final Average
*Class Participation/Attendance/ Preparation/ Quizzes	Homework will consist of activities in the Supersite. The “Tarea” assignments will be graded individually and then averaged together. It is important not to forget to do the homework in the Supersite as your grade could go down by a whole letter grade.	25%
Midterm/Finals Oral Evaluation and Oral Presentation	At midterm you will have an oral evaluation over Episodios 1-4. In Week 12, you will do a 2-3 minute oral presentation to your instructor and classmates. In Week 15, you will have a final oral evaluation over Episodios 5-8.	25%
Final Exam (Written)	The final exam is a written exam given at the end of the semester and is comprehensive; it covers the listening, vocabulary and cultural information from Episodios 1-8	25%
Tests on Episodios/ Vocabulary Quizzes & Culture Assignments	Students will be evaluated through tests on every two episodes, vocabulary quizzes (1 per episode) and assignments on the Supersite for each episode about specific cultural topics presented in the episodes. These will be manually graded by the instructor.	25%
Total:		100%

*Class participation, Attendance, Preparation and Quizzes are essential in a foreign language class. Learning a foreign language requires a lot of dedication and focus. The pace moves quickly, and a lot of material is covered in each episode. Points will be reduced by 5 points for every class period missed and by 5 points for every incidence of failure to participate or prepare for class. Specifically, you are expected to:

- Attend all classes
- Arrive on time and remain the entire class
- Bring your textbook to every class
- Prepare for class and be actively involved in class (not on Facebook ☺)
- Stay on task, on the correct page and exercise
- Turn off and remove from sight all electronic devices once you enter the classroom
- Refrain from talking during the instructor's lessons, chatting off topic in peer groups when you have been given a group assignment, or studying for other classes

TITLE IX OF THE EDUCATION AMENDMENTS OF 1972, 20 U.S.C. A§ 1681 ET. SEQ.

Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' rights with regard to sex/gender discrimination. Information regarding these rights is on the HCC website under Students-Anti-discrimination. Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understands and conforms to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations.

Log in to: www.edurisksolutions.org. Sign in using your HCC student e-mail account, then go to the button at the top right that says **Login** and enter your student number.

ACADEMIC HONESTY

Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/ or disciplinary proceedings may be initiated by college district officials against a student accused of scholastic dishonesty. "Scholastic Dishonesty" includes, but is not limited to, cheating on a test, plagiarism and collusion. Possible punishments for academic dishonesty may include a grade of "0" or "F" on the particular assignment, failure in the course, and/or referral to the college Dean of Student Services for disciplinary action up to and including expulsion. Students have the right to appeal the decision.

STUDENT ATTENDANCE

You are expected to attend all lecture classes and labs regularly. You are also responsible for materials covered during your absences. Instructors may be willing to consult with you for make-up assignments, but it is your responsibility to contact the instructor. Class attendance is monitored daily. Although it is your responsibility to drop a course for nonattendance, the instructor has the authority to drop you for excessive absences. You may be dropped from a course after accumulating absences in excess of 12.5 percent of the total hours of instruction (lecture and lab). For example:

- For a 3 credit-hour lecture class meeting 3 hours per week (48 hours of instruction), you can be dropped after 6 hours of absence.
- For a 4 credit-hour lecture/lab course meeting 5 hours per week (80 hours of instruction), you can be dropped after 10 hours of absence.

Departments and programs governed by accreditation or certification standards may have different attendance policies. Administrative drops are at the discretion of the instructor. Failure to withdraw officially can result in a grade of "F" in the course.

REPEATING COURSES

As a result of recent Texas legislative changes, please be advised that HCC is charging additional tuition for students who enroll in the same class three or more times at HCC. While it is the hope of HCC that students will be successful in their first attempt at classes, we realize that life demands, academic struggles, and other issues may result in students needing to take the same class more than once. Speaking with an advisor will help you develop student success skills, improving your overall academic performance. If a student repeats a course in which a grade (A-F) has been received, the highest grade received at HCC is the permanent grade for the course and will be used in computing the GPA. All grades earned in a given course will be reflected on the transcript. Other colleges may compute the GPA differently than HCC.

WITHDRAWALS

Students must withdraw by the withdrawal deadline (April 3) in order to receive a "W" on a transcript. Final withdrawal deadlines vary each semester and/or depending on class length, please visit the online Academic Calendar at www.hccs.edu/hccs/current-students/academic, HCC schedule of classes and catalog, any HCC Registration Office, or any HCC advisor to determine class withdrawal deadlines.

Be certain you understand HCC policies about dropping a course and consult with a counselor/advisor to determine if withdrawing is in your best interest. It is your responsibility to withdraw officially from a class and prevent an "F" from appearing on your transcript. Senate Bill 1231 and limits the number of W's a student can have to 6 classes over the course of their entire academic career. This policy is effective for students entering higher education for the first time in Fall 2007 and subsequent terms. Withdrawals accumulated at any other Texas public higher education institution count toward the 6 course total. Withdrawals for certain circumstances beyond the students control may not be counted toward the 6-drop limit.

In addition, withdrawing from a course may impact your financial aid award or eligibility. Contact the [Financial Aid Office](#) or website to learn more about the impact of withdrawing on financial aid

USE OF ELECTRONIC DEVICES IN THE CLASSROOM

The use of electronic devices by students in the classroom is up to the discretion of the instructor. Any use of such devices for purposes other than student learning is strictly prohibited. If an instructor perceives such use as disruptive and/or inappropriate, the instructor has the right to terminate such use. If the behavior continues, the student may be subject to disciplinary action to include removal from the classroom or referral to the Dean of Student Services.

STUDENT CODE OF CONDUCT

Houston Community College views college-level students as adults who subscribe to a basic standard of conduct, which requires that they not violate any municipal, state or federal laws. Furthermore, no student may disrupt or otherwise interfere with any educational activity or fellow students' right to pursue academic goals to the fullest in an atmosphere appropriate to a community of scholars. Any student failing to abide by appropriate standards of conduct during scheduled college activities may result in disciplinary action. Students suspected of violating the student code of conduct will be subject to the disciplinary process. Students have the right to due process.

TUTORING One important key to success in college is learning to use available resources. Houston Community College provides many tutoring opportunities for students in almost all areas.

EGLS3

The EGLS3 (Evaluation for Greater Learning Student Survey System) will be available for most courses near the end of the term until finals start. This brief survey will give invaluable information to your faculty about their teaching. Results are anonymous and will be available to faculty and department chairs after the end of the term. EGLS3 surveys are only available for the Fall and Spring semesters. There are no EGLS3 surveys during the Summer semester due to logistical reasons.
