B = 89 - 80:

C = 79 - 70:

D = 69 - 60:

59 and below = F

FX (Failure due to non-attendance) IP (In Progress)

W (Withdrawn) I (Incomplete) AUD (Audit)

4 points per semester hour 3 points per semester hour 2 points per semester  
hour 1 point per semester hour 0 points per semester hour 0 points per  
semester hour 0 points per semester hour 0 points per semester hour 0 points  
per semester hour 0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re- enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses.

**FINAL GRADE OF FX:** Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class.

Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.

To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

Health Sciences Programs Grading Scales may differ from the approved HCC Grading Scale. For Health Sciences Programs Grading Scales, see the "Program Discipline Requirements" section of the Program's syllabi.

EGLS3 -- Evaluation for Greater Learning Student Survey System

<http://hccs.edu/student-rights>

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.
