**Student Assignments**

Homework: writing on various topics

Writing or completing work covered in class such as revising essays, writing outlines or writing essays in whole or part, writing essays from outlines made in class work. Students will rewrite in-class essays using teacher feedback.

**Homework is due** on the next class day unless otherwise stated by the instructor. Homework one day late will receive a grade of 70%. If you are absent, you are still responsible for the homework: work missed while absent has to be completed on your return. Please get a classmate's phone number or email me to find out what you missed so that you can be prepared for class.

**Assessments**

Five in-class compositions (and revisions) and the final composition  
Weekend compositions, homework exercises, other writing  
Quizzes and tests on work covered in class. There will be regular quizzes (some unannounced) over homework or topics we have been studying. **Dictionaries and electronic devices are not allowed in writing tests and quizzes.**

Automatic failure on final exam: Fewer than 150 words, off topic, no thesis statement or topic sentences, or all simple sentences

**Make up policies:** If you miss ONE in-class composition, see me to arrange a time to make it up. This will be a great inconvenience for you as essays take a long time to write and you will miss some other class activities. **DO NOT MISS COMPOSITIONS.** These are major TESTS and they are very important parts of the grade. They are also important for writing development. Make up policy on missed homework or weekend compositions: I drop the lowest score at the end of the semester.

### **Instructional Materials**

*Ready to Write More*, 3<sup>rd</sup> edition, Blanchard and Root (Pearson Longman Publishers)  
*Longman Dictionary of American English* or *Oxford Advanced Learner's Dictionary*  
A 3-ring binder, dividers, and lined paper  
A computer flash drive

### **EGLS3: Evaluation for Greater Learning Student Survey System**

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

### **HCC Policy Statement: Academic Honesty (Dishonesty = Cheating)**

Any form of cheating or copying will result in a grade of 0 for that assignment and possibly recommendation for probation or dismissal from the college system. Cheating includes copying from another student during a test or giving another student answers on a test. Another form of cheating (called plagiarism) is copying from the Internet or another text and presenting it as your work. An additional form of cheating is memorizing text from the Internet or a book and presenting those words as your own on a test or in homework. ALL work has to be written by the student and not copied from another source.

### **HCC Policy Statement: Attendance**

According to the HCC Student Handbook, you can be dropped from a course after accumulating absences in excess of 12.5 percent of the total hours of instruction (lab as well as lecture). For Intensive English if you exceed a total of 10 hours (12.5%) of absence in any class (= 4 full days of any class, including labs), you can be dropped from that class. If you are an F1 student, this can make you out of status and will cause you visa problems, possibly requiring you to petition for reinstatement. Please email me if you are absent and talk to me on your return to find out the work that you missed.

### **Tardiness and in-class time absence**

Classes and tests begin on time. Lateness of ten minutes or more counts as class or lab absence. Three tardies = 1 absence. Lateness after break times, leaving early or disappearing during class or lab are also counted as absences. Texting, using social networking sites, or other improper use of technology during class time or lab time are also counted towards your absences (1 warning = 1 tardy).

Class attendance leads to class success.

### **HCC Withdrawal Deadline**

To drop a class, you must speak with a counselor or an advisor. The nearest place to see one is in Gulfton Room 117. The last day students may withdraw or be dropped from a class with a grade of W is Friday November 2<sup>nd</sup> before 4:30 p.m. Students who have excessive absences after that date will receive the grades they earn. **Note: International students will be out of status if they drop or are dropped from their classes and may have to return to their countries. Speak with a counselor or an advisor before dropping classes to make sure you understand the procedures.**

### **HCC Policy on Students Repeating a Course for the Third Time**

#### **Repeating students:**

Grades of IP or F are failing grades; the student will have to repeat the course. A student who fails a class for the second time must receive a grade of F for that class. Students who repeat a course for three or more times will have to pay a higher tuition fee at HCC and other Texas public colleges and universities. *If you are having trouble in class, talk to your teacher and get help from a tutor.* Get other assistance from a counselor before withdrawing or for advice if your grades are not passing. Students should get help so that they will not fail. Tutoring is also available at Gulfton Center on Tuesdays, Wednesdays and Thursdays from 1:30 to 2:30 in Room 121 and on Fridays from 9:00-11:00 in the Audio Lab. Evening tutoring is available on Tuesdays from 6:30 to 7:00 p.m. in the Audio Lab.

### **HCC Policy Statement -- ADA**

Services to Students with Disabilities Students who require reasonable accommodations for disabilities are encouraged to report to Dr. Becky Hauri at 713-718-7910 to make necessary arrangements. Faculty is only authorized to provide accommodations by the Disability Support Service Office. Please see this website for more information: <http://hccs.edu/student-rights>

### **HCC Policy on Sexual Harassment**

Sexual harassment in any form is not tolerated at Houston Community College. It is a violation of HCCS policy for an employee, agent, or student of the college to engage in sexual harassment as defined in the EEOC guidelines (EEO/AA Compliance Handbook 47). See HCCS Student Handbook for more information.

### **CLASSROOM BEHAVIOR**

Treat your classmates and teacher with respect. Use English. Make the most of your class time by actively participating in discussions and activities. Do not use your cell phone to text during class. Turn your cell phone to vibrate and keep it in your pocket if you are expecting an emergency call.

#### **Use of Camera and/or Recording Devices**

Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations.

#### **Misuse of Electronic Devices in the Classroom**

The use of electronic devices by students in the classroom is up to the discretion of the instructor. Any use of such devices for purposes other than student learning is strictly prohibited. If an instructor **perceives** such use as disruptive and/or inappropriate, the instructor has the right to terminate such use. If the behavior continues, the student may be subject to disciplinary action to include removal from the classroom or referral to the Dean of Student Services. (Please see the Attendance Policy for this class.)

**Disruptive Behavior:** Students who conduct themselves in a manner that significantly interferes with college teaching, research, administration, disciplinary procedures or other authorized college activities (including its public service functions) on the college premises will be subject to disciplinary action.

**Missed tests, presentations, quizzes:** Please do not be absent on testing or presentation days. If you are absent, you must ask your instructor for permission to make up what you missed. Missed presentations and examinations can be made up only if you can provide what your instructor considers an acceptable reason for having a second chance. If you do not speak with your instructor about this on the day when you return to class, you will not be allowed to make up the work.

**Late homework:** If homework is one day late without a reason that is acceptable to your instructor, the grade will go down 15 points. Two days late = 30 points down. Late homework will not be accepted after the second day. If you miss classwork, you cannot receive full credit for making it up.

## **INSTRUCTOR'S REQUIREMENTS**

### **The teacher needs to:**

- Create a rich learning environment for writing and student interaction.
- Give students extra reading in class and in lab on topics connected to the course
- Make classes, projects, tests, assignments, policies, dates, and regulations clear.
- Tell students about important HCC policies such as attendance and academic honesty (no cheating).
- Make arrangements to be available to students when they need help or have questions.
- Give help when needed
- Provide grading scales and assessment.
- Make a class calendar available.

### **To succeed in college the students need to:**

- Work hard, attend all classes, and be on time. Good attendance + hard work = SUCCESS
- If you are absent for all or part of a class, you are responsible for contacting the instructor as soon as possible to find out what you missed and to find out if the work can be made up.
- Pay attention, listen carefully and ask questions. Listen and be respectful to other students' contributions.
- Create a good learning environment. *Turn off cell phones or use vibrate mode for emergencies.* No Texting in class.
- Concentrate. Use English only in class time and sit next to someone who doesn't speak your language.
- Eat well for energy. The brain needs good food. Eat breakfast at home and lunch in break times.
- Do homework. The brain learns by seeing new words and ideas many times in different ways.
- Do your own work and learn. Copying from the Internet and other sources is not learning.
- Have fun with English.
- Read, write, listen and speak English in daily life through TV, neighbors, students and coworkers, and volunteering in the community.
- Use technology for learning on-line in English learning sites.
