

Ghias Shariff

Work Address: Southwest, Stafford Campus, 555 Community College Drive, Houston, TX 77013

Office Telephone Number: 713-718-7771

College Email Address: Ghias.shariff@hccs.edu

EDUCATION

1976 – 1980 ***PhD in Nutrition/Biochemistry***
University of California – Davis, California
* GPA 3.4
* 11 research publications
* One publication adopted as part of university course material

1974 – 1976 ***Master of Science in Poultry Science/Nutrition***
University of Agriculture – Faisalabad, Pakistan
* Top division student (percentile system)
* Recipient of merit scholarship

WORK EXPERIENCE

2016 – Present ***Professor (adjunct) Nutrition***
Augusta University, Augusta, Georgia
• Teaching advance nutrition courses to graduate classes
• Using latest web base technology such as the D2L & WebEx

2003 – present ***Professor(adjunct) of Nutrition & Biology***
Houston Community College, Houston, TX
* Taught a maximum of seven classes simultaneously, with an average of 30 students per class (approx. 160 students total), demonstrating the ability to successfully handle a large workload.
* Taught at five different campuses, thereby teaching a diverse student body effectively.
* Developed teaching materials that were adopted by other professors.
* Achieved an excellent student rating for overall performance.
* Using latest web base technology such as the Learning Web and Eagle online

08/2010 – 08/2012 ***Professor (Adjunct) of Biochemistry***
University of Bridgeport, Bridgeport, Connecticut
* Taught 2 online classes simultaneously (approx. 50 students total) using web based teaching tools such as Blackboard and Wimba.
* Made effective use of online forums for engaging students in discussion, thereby enhancing the learning experience.
* Developed a syllabus that is both comprehensive and challenging.
* Held students to a higher level of achievement, pushing them to truly absorb class material.

Feb 2004 – Jan 2005 ***Nutritionist Consultant***
Doctors' Hospital, Lahore, Pakistan
* Spent one year in Pakistan, between teachings at HCC, gaining experience in applied nutrition at a leading medical institution of Pakistan.
* Dealt with indoor/outdoor patients, giving nutritional advice to sufferers of heart disease, hypertension, diabetes, obesity, etc., thereby gaining insight into the real-world application of nutrition.
* Developed diet plans for referred patients.
* .

Professional Achievements and Publications

- 10 publications in different scientific journals
- Shariff, G, P. Vohra, C.O Qualset, & Williams (1983). Establishing relationship of nutrient composition and quality of wheat and triticale grains using chicken, quails and flour beetle bioassays. *Hilgardia* 51(4);1 -11

Shariff, G, P.Vohra & C.O Qualset (1980). Further studies on the nutritional evaluation of wheat, triticale and rice grains using the red flour beetle. *Cereal Chem.* 58(2):86-8
