Core Curriculum Objectives:

Critical Thinking Skills

[HCC: to include creative thinking, innovation, inquiry and analysis, synthesis of information]. Art Appreciation is an investigation and analysis of the styles and modes of artistic production from prehistoric times to our own. Through the study of artistic media, universal themes are explored and students will develop an appreciation for the creative process as one that represents an evolving synthesis of cultural, personal, and technological influences. Assessment of critical thinking in course work will count for no less than 10% of the final grade.

Communication Skills

[HCC: to include effective development, interpretation and expression of ideas through written, oral, and visual communication]. Art Appreciation students will learn to interpret the language of visual communication through the study of selected artworks and creation of their own hands-on art project. Students will demonstrate effective writing skills as they fulfill instructor specific writing assignments. In addition, students will develop verbal communication skills as they participate in discussions, critiques and presentations throughout the semester. Assessment of verbal and written communication in course work will count for no less than 10% of the final grade and may be combined with other core assignments.

Teamwork:

[HCC: to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal]. In Art Appreciation courses we use discussions, critiques, group assignments and hands-on art projects to analyze artistic production within various cultures and time periods. This exploration of culture through art allows students to connect with a variety of viewpoints and then exchange viewpoints with others. Students will demonstrate their ability to work effectively with others in class as they safely and responsibly manage shared media, tools, equipment and clean-up duties, as applicable. Each semester students will participate in at least one collaborative assignment designed to expand their experience in developing skills essential to working effectively with others to support a shared purpose or goal. Assessment of teamwork activities and assignments will count for no less than 10% of the final grade and may be combined with other core assignments.

Social Responsibility

[HCC: to include intercultural competency, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities]

By its very nature Art Appreciation is intercultural. As a subject it explores various historical, political, economic, theological, sociological, and ethnic contexts. Using this framework, students consider the community's responsibility in such issues as art destruction/defacement and restoration, art acquisition and public display, public funding of art and censorship. Students observe current events and how they influence or change art history, as new discoveries may change our perception about art. Students make use of the local art community (including museums, galleries, etc.) to augment their knowledge of and participation in their community. Assessment of social responsibility activities and assignments will count for no less than 10% of the final grade and may be combined with other core assignments.

Core Curriculum Assessment:

Students will work in teams to explore and analyze a given topic that deals with how an aspect of visual art and social responsibility relate. Student teams will then create a written, oral, and/or visual project that effectively communicates the given topic. The responsibility of each team member is to research and analyze the gathered material, and contribute to the creation of the resulting project. Each team is responsible for submitting a written, oral, and visual project that outlines their findings, analysis, and interpretation of the material. This Core Curriculum Assessment is a requirement of the course. Note: This requirement will be modified to suit the needs of students enrolled in a short-term course.

Instructional Methods:

Methods of instruction may include: lecture, media/video/film presentations, media and technique demonstration, hands-on art projects, readings (from textbooks, peer-reviewed articles, books and original source seminal texts), field trips, discussions and critiques. All methods, selected, are designed to foster creativity, as well as incorporate life-long skills (cooperation, collaboration, communication, critical thinking, research, social responsibility, writing...) that will help you in other classes, your career, and personal life.

Student Assignments:

Assignments/Activities may include: group and/or individual projects; hands-on art projects, verbal critiques; exams and/or quizzes; field trips; various assigned readings from textbooks, peer-reviewed articles, books, original source seminal texts; mandatory discussions based on various topics related to the major areas of study in Art and Design and the major time periods of study in Art History; writing papers including critiques, essays, analyses, reviews, research, comparing and contrasting artistic and design theories and art historical perspectives; service learning projects; and presentations.

This course requires a minimum of 2,000 words in a combination of writing assignments and/or projects.
HCC online Tutoring Program: <https://hccs.upswing.io/>

The Eagle Online version of this course/section contains Modules. Each module is comprised of course content (such as lesson introduction, assignments, activities, discussion forums, etc...). It is possible that Module components might change, slightly, due to various circumstances during the course of the semester. You will be notified of changes and requirements. It is your responsibility to obtain and adhere to modifications. Modules may be released on a weekly basis, unless otherwise announced. HCC Grading Scale:

A = 100- 90	4 points per semester hour
B = 89 - 80:	3 points per semester hour
C = 79 - 70:	2 points per semester hour
D = 69 - 60:	1 point per semester hour
59 and below = F	0 points per semester hour
FX (Failure due to non-attendance)	0 points per semester hour
IP (In Progress)	0 points per semester hour
W (Withdrawn)	0 points per semester hour
I (Incomplete)	0 points per semester hour
AUD (Audit)	0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses. FINAL GRADE OF FX: Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress. To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA. *Health Sciences Programs Grading Scales may differ from the approved HCC Grading Scale. For Health Sciences Programs Grading Scales, see the "Program Discipline Requirements" section of the Program's syllabi.*

Plagiarism means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

Collusion means the unauthorized collaboration with another person in preparing written work offered for credit.

Violations: Possible punishments for academic dishonesty may include a grade of "0" or "F" on the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System. A recommendation for suspension or expulsion will be referred to the College Dean of Student Development for disciplinary disposition.

Students who wish to appeal a grade penalty should notify the instructional supervisor within 30 working days of the incident. A standing committee appointed by the College Dean of Instruction (Academic or Workforce) will convene to sustain, reduce, or reverse the grade penalty. The committee will be composed of two students, two faculty members, and one instructional administrator. A majority vote will decide the grade appeal and is final.

Tutoring:

Students are encouraged to take advantage of tutoring services offered by the English Department located on the third floor of the Fine Arts Center next to the English office. Tutors will assist writing assignments and are especially helpful for students when English is a second language. In addition, online tutoring is available 24/7 at <https://hccs.upswing.io> - Submissions are returned within 24 hours or less.

Academic Advising: Academic advisement concerning specific Fine Arts courses is available to Central College students during the academic semesters. Please sign up in the Fine Arts office, FAC 101, to speak to a full time instructor in your area of interest. All students are encouraged to sign up for the Fine Arts Newsletters: www.centrafinearts.info

**EGLS3 --
Evaluation for
Greater Learning
Student Survey
System:**

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

Distance Education and/or Continuing

Official HCC Attendance Policy:

Students are expected to attend classes regularly. Students are responsible for material covered during their absences, and it is the student's responsibility to consult with instructors for makeup assignments. Class attendance is checked daily by instructors. **Note: In this course, late work is not accepted, nor is make-up work issued. Although it is the responsibility of the student to drop a course for non-attendance, the instructor has the authority to drop a student for excessive absences.**

For face-to-face courses, a student may be dropped from a course for absenteeism after the student has accumulated absences in excess of 12.5 percent of the hours of instruction (including lecture and laboratory time). For example: For a 3 credit lecture class, meeting 3 hours per week (48 hours of instruction), a student may be dropped when their absence exceeds 6 hours). For a 3 credit lecture/lab class, meeting 6 hours per week (96 hours of instruction, a student may be dropped when their absence exceeds 12 hours)

In this Eagle Online Art 1301 course section, students are expected to actively participate with the course, as well as exhibit appropriate behavior conducive to an amicable learning environment. Active attendance and participation includes the following: logging into the course three days per week to access and read course materials (I highly suggest logging into the course early during the week to obtain pertinent course material prior to working on assignments); submitting completed assignments, within appropriately assigned drop boxes, by scheduled due dates; respectfully participating with all course discussions, as well as correspondence between peers and/or instructor; completing assignments reflecting "Core Curriculum Competencies" as required by the State of Texas and HCCS; posting a self-portrait (photo) within your "Canvas" Profile; using your HCCS e-mail account to correspond with instructor and students of the course; adhering to Netiquette, Academic Writing and Research Guidelines featured in this course; participating with required collaborative team project .

Students will either be removed from and/or fail the course if they do not actively participate with the course. A student exhibiting inappropriate behavior, at any time during the term, will either be removed from and/or fail the course. A student who plagiarizes material (review Research Guidelines located within course) will not earn points for an assignment and/or may be removed from, or fail, the course. A student who has not logged into and/or has not actively participated within the course prior to the Official Date of Record will automatically be withdrawn from the course. Any student not actively pursuing this course and/or has not uploaded a self-portrait at their Eagle Online Profile Page, and/or is exhibiting disrespectful behavior towards instructor, peers, or course material, may also be removed from, fail, or blocked from gaining access to course materials featured in Eagle Online. **Late work is not accepted in this course.**

All materials located within this course are subject to copyright and trademark laws. A student who either intentionally or unintentionally copies, distributes, posts, plagiarizes, trades, publishes or sells any course material will be prosecuted.

Students should plan on spending a minimum of 9 hours per week (dependent upon comprehension of course material, skills, use of computer technology) for readings, assignments, activities and discussions featured in this course. It is the student's responsibility to maintain good time-management skills, as well as to actively participate with the course. **Please remember that this is a condensed version of the 16 week course.**

Due to the calendar schedule, as well as the nature of course material and delivery method, it is **not recommended that students enroll in the course past the first week of this course.** In order to maintain **Academic Integrity, late work is not accepted in this course. Incompletes are not issued in this course unless deemed appropriate, and approved by Instructor, Dept. Chair, and Dean of the Center of Excellence for the Visual & Performing Arts.** Plan on posting & submitting assignments in advance of scheduled due dates/times.

Please remember that sometimes problems arise with computer technology, therefore, it's advantageous not to wait until the last minute to submit assignments. If you are experiencing technical difficulties, it is highly suggested that you contact the HCCS Help Desk well in advance of scheduled due dates/times. Due to the nature of this course, **accommodations are not granted for human and/or computer errors, vacation or work schedules, personal issues or illnesses.** It is the student's responsibility to submit a completed assignment within the appropriate Module assignment drop box. It's also the student's responsibility to review their uploaded documents (or posts to the discussion forum) to ensure that the correct items are submitted by scheduled due dates & times.

Administrative drops are at the discretion of the instructor. If you are doing poorly in the class, but you have not contacted your professor to ask for help, and you have not withdrawn by the official withdrawal date, it will result in you receiving a grade of "F" in the course.

NOTE: LAST DAY FOR STUDENT/ADMINISTRATIVE DROP THIS 2nd Start DE SESSION:

Monday, November 13, 2017 - prior to 4:00 pm.

Course Withdrawals-First Time Freshmen Students-Fall 2007 and Later:

Effective 2007, section 51.907 of the Texas Education Code applies to first-time in college freshman students who enroll in a Texas public institution of higher education in the fall semester of 2007 or thereafter. High school students currently enrolled in HCC Dual Credit and Early College are waived from this requirement until they graduate from high school. Based on this law, **HCC or any other Texas Public institution of higher education may not permit students to drop after the official day of record more than six college level credit courses for unacceptable reasons during their entire undergraduate career.**

Course Withdrawals:

Be sure you understand HCC policies about dropping a course. It is the student's responsibility to withdraw officially from a course and prevent an "F" from appearing on the transcript. If you feel that you cannot complete this course, you will need to withdraw from the course prior to the final date of withdrawal. Before, you withdraw from your course; please take the time to meet with the instructor to discuss why you feel it is necessary to do so. The instructor may be able to provide you with suggestions that would enable you to complete the course.

Your success is very important. If you plan on withdrawing from your class, you **MUST** contact a HCC counselor or your professor prior to withdrawing (dropping) the class for approval and this must be done **PRIOR** to the withdrawal deadline to receive a "W" on your transcript.

****Final withdrawal deadlines vary each semester and/or depending on class length, please visit the online registration calendars, HCC schedule of classes and catalog, any HCC Registration Office, or any HCC counselor to determine class withdrawal deadlines. Remember to allow a 24-hour response time when communicating via email and/or telephone with a professor and/or counselor. Do not submit a request to discuss withdrawal options less than a day before the deadline.** If you do not withdraw before the deadline, you will receive the grade that you are making in the class as your final grade.
