Please keep an electronic copy of your papers for your own file; should a paper be lost, it is **your** responsibility to give me another copy.

Be aware that neither the header nor the first page information nor the work cited entry count towards the required length any assignment.

Students are expected to use standard academic American English in all writing, except when writing dialogue. This is a composition class, not a grammar class. If a student needs help with grammar, tutors in the writing center are available well as a wide range of resources available on the Web; links are available to several of these through the professor's learning web page.

I only round up on the final course grade; there is no curve. Additionally, I do not assign extra credit. Students will receive the grades they have earned in the course. Absence is not an acceptable excuse for failure to submit work by the due date.

Please remember that this syllabus is subject to change. Paper due dates are on the syllabus.

MAJOR SENTENCE Level/GRAMMAR ERRORS

The **final** draft of a paper receives a 0 upon the third major sentence error/grammar errors. No exceptions. Unless the paper is your final draft of the research paper you will be able to rewrite and correct the final paper. No final research paper cannot be rewritten. Major sentence level errors [fragment, comma splice, run-on, garbled sentence, and subject-verb agreement] cause you to lose valuable points. You have plenty of opportunity to edit these errors during drafting and through tutoring. However, this policy applies to the final draft of in-class essays as well. Since in-class essays

are shorter (and have no opportunity for peer critique and tutoring), you must use your editing time carefully. This policy does not apply to writing warm-up exercises, but you be able to easily write and recognize a complete sentence.

Components Standards for 90-100:

Content:

Superior understanding of writing assignment. Strong sense of purpose and audience. Insightful thesis supported with substantial, thorough, significant, and meaningful content. Intelligently handled focused topic and depth of development. This essay is distinctive because of originality and perceptiveness. Because of powerful content, this essay produces strong reader interest.

Organization

Excellent organizational plan related to thesis. Excellent use of appropriate developmental strategies (any use of narration, description, examples, definition, classification, and/or comparison/contrast). Excellent use of topic sentence paragraphs with topic sentence, development, unity, and coherence. Excellent “framing” with related introductory and concluding paragraphs. Organization might also include excellent use of transition paragraphs to create essay coherence. Excellent title.

Sentences

Sentences are artistically constructed. Excellent sentence variety achieved adding a richness and sophistication to the essay. No major sentence errors of fragment, comma splice, run-on, and/or awkward sentence[see above policy on final draft major sentence error]. Correct and effective modification and parallelism. No awkward or confusing sentences. Effective use of intentional fragment (if used) for stylistic effect. Forceful sentence style: graceful yet energetic. Polished, finished prose.

Diction (word choice and usage) and Tone,

Excellent use of diction and tone. Diction for the essay is distinctive and exhibits word form mastery. No clichés or slang . Artistic use of figurative language: metaphor, simile, personification, allusion, symbol, hyperbole, understatement. Vivid imagery. Strong verbs. No errors in idiomatic language. Concrete and specific language. No errors in subject-verb agreement, pronoun-antecedent agreement, pronoun case, or pronoun reference. Tone is appropriate and complements the subject. Any switch in tone is done carefully. Mature vocabulary. No misspelled words.

Punctuation, Capitalization, and Manuscript Mechanics

Clarity and effectiveness of expression are promoted by effective and consistent use of standard punctuation and capitalization. Attractive and correct manuscript mechanics (margins, course information, placement of title, and headers).

HCC Student Email Accounts

All students who have registered and paid for courses at HCC automatically have an HCC email account generated for them. Please go to <http://www.hccs.edu/students/email/> to review how to activate and send email using this account. NOTE: You must use your HCC email

account when you want to contact the on-line tutors at <http://www.askonline.net>. You may submit the first draft of all essays to askonline and turn in those comments with your final draft.

Special Conditions

Any student with a documented disability (e.g. physical, learning, psychiatric, vision, hearing, etc.) who needs to arrange reasonable accommodations must contact the Disability Services Office at the Southwest College at the beginning of each semester. Professors are authorized to provide only the accommodations requested by the Disability Support Services Office. Contact Dr. Becky Hauri at 713-780-7909.

HCC Policy Statement: Academic Honesty

You are expected to be familiar with the College's Policy on Academic Honesty, found in the catalog and student handbook. Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/or disciplinary proceedings may be initiated by College System officials against a student accused of scholastic dishonesty.

Violations: Plagiarized papers or projects will receive a grade of "0" (zero) -- no exceptions.

Cheating or collusion will also result in a grade of "0" (zero) on that paper or project. Plagiarism or collusion on a second major assignment will result in a zero in the **course**. Students need to be aware that the instructor will be utilizing plagiarism software and internet sources to check student work for potential plagiarism. This will be discussed in more detail during class lecture.

Other possible consequences for academic dishonesty may include recommendation for **probation** or **dismissal** from the College System. A recommendation for suspension or expulsion will be referred to the College Dean of Student Development for disciplinary disposition.

Students who wish to appeal a grade penalty should notify the instructional supervisor within 30 working days of the incident. A standing committee appointed by the College Dean of Instruction (Academic or Workforce) will convene to sustain, reduce, or reverse the grade penalty. The committee will be composed of two students, two faculty members, and one instructional administrator. A majority vote will decide the grade appeal and is final.

Official HCC Attendance Policy:

Students are expected to attend classes regularly. Students are responsible for material covered during their absences, and it is the student's responsibility to consult with instructors for makeup assignments. Class attendance is checked daily by instructors.

Although it is the responsibility of the student to drop a course for non-attendance, the instructor has the authority to drop a student for excessive absences.

A student may be dropped from a course for absenteeism after the student has accumulated absences in excess of 12.5 percent of the hours of instruction (including

lecture and laboratory time). If you stop attending class, you without withdrawing you will receive an FX.

Withdrawal Policy

The State of Texas now imposes penalties on students who excessively drop courses. For example, if you repeat the same course more than twice, you have to pay extra tuition. Beginning in the Fall of 2007, the Texas Legislature passed a law limiting first time entering students to no more than **six** total course withdrawals **throughout** their academic career in obtaining a certificate or baccalaureate degree. There may be future penalties imposed.

You should visit with your instructor, an HCC counselor, or HCC Online Student Services to learn what, if any, HCC **interventions** might be offered to assist you to stay in class and improve your performance. Such interventions could include tutoring.

The grade of "W" (Withdrawal) appears on grade reports when students withdraw from a class by the drop deadline. Instructors have the option of dropping students up to the deadline. After the deadline, instructors do not have that option — not even when entering final grades.

Repeat Course Fee:

The State of Texas encourages students to complete college without having to repeat failed classes. To increase student success, students who repeat the same course more than twice, are required to pay extra tuition. The purpose of this extra tuition fee is to encourage students to pass their courses and to graduate. Effective fall 2006, HCC will charge a higher tuition rate to students registering the third or subsequent time for a course. If you are considering course withdrawal because you are not earning passing grades, confer with your instructor/counselor as early as possible about your study habits, reading and writing homework, test taking skills, attendance, course participation, and opportunities for tutoring or other assistance that might be available.

International Students

If you are an international student, receiving a "W" in a course may affect the status of your student visa. Once a "W" is given for the course, it will not be changed to an "F." Please contact the International Student Office at 713-718-8520 if you have any questions about your visa status and any other transfer issues.

Course Incomplete

The grade of "I" (Incomplete) is **conditional**. It will only be assigned if at least **80%** of the course work is complete. Students receiving an "I," must make an arrangement with the instructor in **writing** to complete the course work within six months. After the deadline, the "I" becomes an "F." All "I" designations must be changed to grades prior to graduation. Changed grades will appear on student record as "I"/Grade (example: "I/A").

Early Alert Program:

To help students avoid having to drop/withdraw from any class, HCC has instituted an Early Alert process by which your professor *may* "alert" you and HCC counselors that you might fail a class because of excessive absences and/or poor academic performance. It is your responsibility to visit with your professor or a counselor to learn about what, if any, HCC

interventions might be available to assist you – online tutoring, child care, financial aid, job placement, etc. – to stay in class and improve your academic performance.

Student Course Reinstatement Policy

Students have a responsibility to arrange payment for their classes when they register, either through cash, credit card, financial aid, or the installment plan. Students who are dropped from their courses for non-payment of tuition and fees who request reinstatement after the official date of record can be reinstated by making payment in full and paying an additional \$75.00 per course reinstatement fee. The academic dean may waive the reinstatement fee upon determining that the student was dropped because of a college error.

EGLS₃ -- Evaluation for Greater Learning Student Survey System

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

Sexual Harassment:

It is a violation of HCC policy for an employee, agent, or student of the College to engage in sexual harassment as defined in the Equal Employment Opportunity Commission (EEOC) guidelines. Any student who has a complaint concerning this policy has the opportunity to seek resolution of such a complaint in accordance with procedures set forth in the Student Handbook. Report any complaints immediately to College Administration or call the Institutional Equity & Compliance Office 713.718.8271.

Use of Cameras and Recording Devices

Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. These devices are also not allowed to be used in campus restrooms. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations.

Electronics Policies

Turn off all electronic devices before entering class. Place all inactive electronics on desk to prepare for potential use. Do not keep a device in your lap so you can text or check messages or even check time. If you use your device without permission, you will be asked to leave class. No second chances for adults. If you feel you cannot abide by this policy, I am happy for you to leave tempting device with me during class.

Do not leave the class to make a call or answer calls (or worse—answer a call in class). When enter and exit the room during class, you disrupt your colleagues learning environment.

Do not wear ear buds during class.

If you have an impending emergency and need to keep an electronics device turned on, please tell me before class starts.

Required Course Conduct:

This class is conducted as a **writing community of supportive colleagues**. You are responsible for your learning. Your professor is responsible for guiding your learning and offering the class opportunities for to expand their intellectual horizons. It is the responsibility of your professor to provide a respectful learning environment for **all** students. Profanity may be used only in appropriate circumstances, which we will/have discussed. This duty may include asking a disruptive member to leave class. Any public disrespectful criticism of any class member/faculty member/staff will result in an immediate requirement to leave class. Absolutely no discrimination or stereotyping of any person or group is permitted. Respectful and legitimate inquiries about differences are **strongly encouraged** in the class discussion context. Any hostile or threatening behavior to anyone will result in an immediate call to campus police. No firearms or other potential are currently permitted on campus property.

Please do not enter the classroom if the professor is still lecturing the prior class. [Yes, I know you would not do that but I am required to tell you.

Be on time. If you are **five minutes late and your tardiness is not by caused an emergency** you are marked absent. [Emergencies rarely occur]. Consistent tardiness is not acceptable. If you have a work or class schedule conflict, inform me before it occurs.

Enter and attend class no matter how late you are because participation of all members is crucial.

Immediately beginning arranging desks in single row circle for writing groups, No back rows.

Immediately prepare to participate in class. I should not have to tell you to prepare for quizzes or have class materials on desk. See electronic policies

There is absolutely **no talking** between students when the professor or your colleagues are discussing a point. Cross talk disrupts everyone's learning environment. One person speaks at a time. [It is not the previews at the movies]. You will be required to leave class and receive a 0 for any daily work including quizzes you have already completed. If you did not hear or understand what your colleagues or professor has said, raise your hand and it will be clarified or repeated. Do not be disrespectful to a colleague by whispering "What was that?" because you will both be dismissed from class. We are going to have many opportunities to work in small groups and discuss topics with each other. Most of the time you will be discussing and working with each other , so also try to keep those discussion at a low volume.

If you are confused about instructions or lecture material, please ask your question at that time. If you are confused, someone else is also. The entire class will benefit from your inquiry. Remember your professor does not know what you do not know or understand. You have a duty to let the professor know at the time an issue arises.

I will dismiss class. Because we have no clock, you may give me HAND signal a 10-minute warning at 3:20, but class officially runs until 3:30. Do not begin making preparations for your exit before I dismiss the class.

You must always have your textbook or access to your reading assignment if not taken from textbook...

Do not bring children, significant others, family members, etc. to class with you -- only students registered in the class may attend by college policy. If you have a friend who is interested in attending class once, please make prior arrangements with me.

You should attend to physical requirements before class. The class is 90 minutes so any exits are disruptive. If you are ill or have a sudden emergency, please exit class without requesting. Sudden emergencies happen very rarely. If you have a special need that requires regular and periodic exits, your approved accommodation need must be updated each semester through the special needs office and a copy must be provided to each professor accommodation provided to your professor.

Study Groups

If you should miss class for any reason, it is your responsibility to make up the work you missed. Do not contact me for any special instructions on work you missed unless your group members have not respond.. You must you obtain the contact information of **three** classmates to aid you in this situation. These contacts are your **study group**. If you receive a request for information from a study group member, you must respond within 24 hours. Failure to respond t will result in a 0 for class participation.

Inclement Weather

During inclement weather conditions (such as a hurricane), the College contacts local television stations to inform them of campus closings. These stations broadcast school closings on a regular basis. Students should monitor these stations if they have any concerns about a campus closing due to weather conditions.

Counseling

Counseling is available at each campus. Check with the information desk at the particular campus for room numbers and consult your class schedule for telephone numbers.

Library (Learning Resource Center)

The library provides electronic resources including a computerized catalog system as well as numerous data bases that contain full-text articles. Stop by your campus library to find out hours of operation. **All students will be required to obtain and/or update an HCCS Library Card (this is your student picture id card with your library number on the back) ou may also check your demographic data in your student information.**

HCC Askonline 24/7 Online Tutoring

AskOnline online tutoring strives to foster educational autonomy through asynchronous guidance in the writing process. It provides one-on-one feedback from faculty tutors on student writing in grammar, structure, content, organization, and critical thinking in all subject areas, not just English. Students can submit papers and questions 24/7/365 and can reasonably expect responses within 18 - 24 hours. All current HCC students can register at **hccs.askonline.net**. We strongly suggest that all students view the 8-minute video on the log-in page before sending their first submission.

Writing Center

The campus writing tutors are located in the library. Please check for availability.

Open Computer Lab

You have free access to the Internet and word processing in the open computer lab center. Check on the door of the open computer lab for hours **of operation**.

Student Honor Society

Phi Theta Kappa is the honor society of two-year colleges. Students must earn a 3.5 grade point average and accumulate 12 credit hours. HCCS has a very active chapter: Omega Sigma. Numerous transfer scholarships are offered through this honors organization. Contacts are available at www.omegasigma.org. The Southwest College advisor is Professor Eunice Kallarackal at eunice.kallarackal@hccs.edu.

Meningitis Immunization Now Required

Beginning with Spring registration, November 7, students will have to satisfy this requirement prior to enrollment.
