  - g. **Incomplete grades are rarely given.**
7. **ACADEMIC DISHONESTY/CHEATING** Please refer to the student hand book regarding cheating. Students may ask questions to other students, to me, or to anyone else. This is how we learn, and I encourage it. HOWEVER, all work must be started and completed in its entirety on your own. If it is found that students are sharing the same files, and then making minor changes to submit the work as their own, students will receive a 0 on the assignment and may possibly be removed from the class. **Note: The MyLab IT software will be able to detect if students submit a file that was downloaded from another account.**
8. **MOTIVATION:** You must be **self-motivated** to be responsible for completing work on time, and without constant reminders. This class moves at a fast pace and staying ahead of schedule is the key to remaining on track.
9. **ASSIGNMENTS** If you are having problems completing course materials on time (by the "Due Date"), chat with the instructor. If you:
  - a. Have over scheduled your life (*working 40 hours a week and taking 15-20 credit hours of college instruction*),
  - b. Have computer problems (*my computer is broken, and I don't know when it will be fixed*), or
  - c. Have not purchased a textbook (*cannot buy one until payday*)...

| <b>HCC Policy on Class Attendance Policy</b> | <p>Students are expected to attend class meetings on a regular basis and to participate in class and online activities. Students may be withdrawn administratively if they don't meet the State mandated attendance policy. You are responsible for materials covered during your absences. Class attendance is checked daily. Although it is your responsibility to drop a course for nonattendance, the instructor has the authority to drop you for excessive absences. For complete information regarding Houston Community College's policies on attendance, please refer to the <a href="#">HCC Student Handbook</a>.</p> |

| <b>HCC Policy Statement-- Course Withdrawal</b> | <p>If you feel that you cannot complete this course, you will need to withdraw from the course prior to the final date of ****, 2018 (check HCCS Academic Calendar for any updates). Students must withdraw by the withdrawal deadline in order to receive a "W" on a transcript. Final withdrawal deadlines vary each semester and/or depending</p> |
|---|--|

|  |   |
|--|---|
|  | <p>on class length, please visit the online Academic Calendar, any HCC Registration Office, or any HCC advisor to determine class withdrawal deadlines.</p> <p>Be certain you understand HCC policies about dropping a course and consult with a counselor/advisor to determine if withdrawing is in your best interest. It is your responsibility to withdraw officially from a class and prevent an “F” from appearing on your transcript. Senate Bill 1231 and limits the number of W’s a student can have to 6 classes over the course of their entire academic career. This policy is effective for students entering higher education for the first time in fall 2007 and subsequent terms. Withdrawals accumulated at any other Texas public higher education institution count toward the 6 course total. Withdrawals for certain circumstances beyond the students control may not be counted toward the 6-drop limit.</p> <p>In addition, withdrawing from a course may impact your financial aid award or eligibility. Contact the Financial Aid Office or website to learn more about the impact of withdrawing on financial aid.
