****Note: This schedule is subject to change based on the progression of in-class lecture. At certain points in time we may find ourselves falling behind or moving a little ahead during the term. I will do my best to adhere to this schedule, and if any changes or augmentations occur I will give the students ample notice in class.*

INSTRUCTIONAL METHODS:

First, I want to say I want all my students to do well in my class. To try to help students achieve this I present the material in a variety of venues. I primarily use power point to highlight key concepts, themes, and subjects and elaborate on each point during lecture. Whenever appropriate I will diagram and highlight key materials on the blackboard and include video clips, the internet, and audio clips to supplement my lectures.

It is very important to note that reading all the assigned material is required before class begins. The reading load is not very heavy and averages about a chapter a week. If the students choose to read 5-10 pages of the textbook per day, they should have absolutely no problem keeping up with the all the readings. Reading is very important because I may not be able to lecture on all the material in the book, but all the material covered in the book is fair game for exams!

I do try to provide brief in-class reviews for examinations if time allows, but no guarantees.

STUDENT ASSIGNMENTS:

Exam 1: Will cover Chapters 1-3 of the required text and the Locke and Mill reading. This exam will be made up of 50 multiple choice questions.

Exam 2: Will cover Chapters 4,5,7,8 of the required text and the Chinese Exclusion Act and Japanese Internment readings. This exam will be made up of 50 multiple choice questions.

Exam 3 (Final): Will cover Chapters 11,12,14 (major focus but includes Ch. 15 and 16) of the required text. This exam will also be made up of 50 multiple choice questions and will not be comprehensive.

Paper Assignments: One written paper based on the concepts discussed from the course in conjunction with current events will be due. The topic and paper requirements will be posted on my learning web according to the dates listed under "calendar", and the paper has to be **submitted to turnitin.com** before or on the due date. Failure to turn in the paper on time (Nov. 28) will result in 10 points off for turning the paper in late and will NOT be accepted after Dec. 5.

The essay test question will be given with the case study on October 29 (if not before). The rubric for this paper is as follows:

Rubric:

- _____ 20 pts. Answered the question fully and completely on the failures identified in the case
(-1-5 for minor issues, -6-10 for missing major issue, -11-15 for missing several items, -16-20 for missing)

Late assignment/Make-up policy:

Make up exam permission is only given under certain conditions with noted documentation and email request (you need to contact me via email to create a paper trail and time stamp well before the exam). Legitimate excuses are only military orders, illness, and jury summons. If the student comes to me with ample notice before-hand I may make accommodations if I deem the reason acceptable.

ASSESSMENTS:

Exam 1: 25% worth 100 points

Exam 2: 25% worth 100 points

Exam 3: 25% worth 100 points

Paper: 25% worth 100 points

Extra Credit: I do not for see giving extra credit, but reserve the right to alter this policy.

ATTENDANCE & LATE POLICY:

I take attendance promptly at the beginning of every class. No portion of your grade will be based on attendance but I expect students to come to class. It is important that you COME TO CLASS ON TIME. It is very distracting for students to wonder late into class. Please come to class on time.

INCOMPLETE POLICY

The grade of "I" (Incomplete) is conditional. A student receiving an "I" must arrange with the instructor to complete the course work within six months of the end of the incomplete term. After the deadline, the "I" becomes an "F." Upon completion of the coursework, the grade will be entered as I/grade on the student transcript. All "I"s must be changed to grades prior to graduation.

GRADING SCALE

- A = 100-90:.....4 points per semester hour
- B = 89-80:.....3 points per semester hour
- C = 79-70:.....2 points per semester hour
- D = 69-60:.....1 point per semester hour
- 59 and below = F.....0 points per semester hour
- IP (In Progress).....0 points per semester hour
- W (Withdrawal).....0 points per semester hour
- I (Incomplete).....0 points per semester hour

This grading scale using a rounding system such that .4 will round down and .5 will round up. There are no exceptions to this policy.

Student Notification Statements:

FINAL GRADE OF FX: Students who stop attending class and do not complete at least 60% of the course, and do not withdraw themselves prior to the withdrawal deadline may either

be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.

EGLS₃ (Evaluation for Greater Learning Student Survey System)

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Go to www.hccs.edu/egls3 for more information.

HCC Policy Statement: Academic Honesty

HCCS students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/or disciplinary proceedings may be initiated by HCC System officials against a student accused of scholastic dishonesty.

"Scholastic dishonesty" includes, but is not limited to, cheating on a test, plagiarism, and collusion. Cheating on a test includes but is not limited to: Copying from another student's test paper; using unauthorized materials during a test, unauthorized collaboration with another student during a test; knowingly using, buying, selling, stealing, transporting, or soliciting in whole or part the contents of a test; and bribing another person to obtain a copy of a test. Plagiarism includes the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work. Collusion includes the unauthorized collaboration with another person in preparing written work. Possible punishments for academic dishonesty may include a grade of 0 or F in the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System. (See the Student Handbook)

Withdrawals: (PARTS OF THIS MAY VARY WITH INSTRUCTOR)

First, ALL WITHDRAWAL are up to the student. If you fail to withdraw from the class by the required withdrawal date do not ask me to do it for you, because no matter what the reason is I WILL NOT.

Students who take a course for the third time or more must now pay significant tuition/fee increases at HCC and other Texas public colleges and universities. At HCC, it is an additional \$50 per credit hour. If you are considering course withdrawal because you are not earning passing grades, confer with your instructor/ counselor as early as possible about your study habits, reading and writing homework, test-taking skills, attendance, course participation, and opportunities for tutoring or other assistance that might be available. Also, the state of Texas has passed a new law limiting new students (as of Fall 2007) to no

more than six withdrawals throughout their academic career in obtaining a baccalaureate degree.

The drop/withdrawal date this semester is Tuesday April 3rd, 2018

Repeating Courses:

As a result of recent Texas legislative changes, please be advised that HCC is charging additional tuition for students who enroll in the same class three or more times at HCC. While it is the hope of HCC that students will be successful in their first attempt at classes, we realize that life demands, academic struggles, and other issues may result in students needing to take the same class more than once. Speaking with an advisor will help you develop student success skills, improving your overall academic performance. If a student repeats a course in which a grade (A-F) has been received, the highest grade received at HCC is the permanent grade for the course and will be used in computing the GPA. All grades earned in a given course will be reflected on the transcript. Other colleges may compute the GPA differently than HCC.

I shut down my cell phone going into class, and you are too as well. For whatever reason you need to use a laptop or have your cell phone not turned off you need to make a formal request via email. If you are caught on your lap-top or cell phone doing something other than what you formally requested during class or cause a disruption, you will lose your privilege of using that electronic device in class for the duration of the semester.
- Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for more information.

- We must be mindful of others and their views. We will be discussing hot button issues in today's society. Inevitably, disagreements will arise. This is OK, and debate is encouraged. But it is important to maintain a high level of decorum during these discussions and treat your colleagues with the up-most respect. In addition, please use appropriate language in the classroom.
