

## Oral Presentation Guidelines:

- 5 minutes
- Use 3-4 sources for finding your information
- PowerPoint presentation is required (number of slides is up to you!)
- Topic is to be geared towards government in a “pro or con” argument
  - Formulate your argument and educate the class on your topic
- List of potential topics to choose from can be found on the learning web
- A short series of Q&A will occur after your presentation
- Please remain respectful of other students opinions throughout the presentations
- You must attend class on the day you do not present as well, or you will be deducted 50 points from your presentation grade
- Remember to have fun, and keep an open mind when your fellow classmates are presenting their topics!
