

***Greetings,***

***I'm JW Fregia.***

***I have degrees and field experience in Welding and in Non-Destructive Testing.***

***I am a certified weld inspector (CWI) and am a certified welding educator (CWE).***

***I've been in the welding industry for over eighteen years.***

***I've worked in refineries, chemical complexes, fabrication shops and on pipelines.***

***I have been qualified to weld to API 1104 and to ASME section IX.***

***I am currently a full time Welding Educator at HHS's Barbera Jordan Career Center.***

***I am a member of the American Welding Society (AWS) Houston Section.***

***Within the AWS Houston Section I am on the Executive Board.***

***I am the 2021/22 AWS Houston Section Chair.***

***I enjoy welding and instructing welding.***

***The welding field is so vast, the opportunities are almost limitless.***
