Expect to spend at least twice as many hours per week outside of class as you do in class studying the course content. Additional time will be required for written assignments. The assignments provided will help you use your study hours wisely. Successful completion of this course requires a combination of the following:

- Reading the textbook
- Attending class in person and/or online
- Completing assignments
- Participating in class activities

There is no short cut for success in this course; it requires reading (and probably re-reading) and studying the material using the course objectives as your guide.

### **Instructor and Student Responsibilities**

As your Instructor, it is my responsibility to:

- Provide the grading scale and detailed grading formula explaining how student grades are to be derived
- Facilitate an effective learning environment through learner-centered instructional techniques
- Provide a description of any special projects or assignments
- Inform students of policies such as attendance, withdrawal, tardiness, and make up
- Provide the course outline and class calendar which will include a description of any special projects or assignments
- Arrange to meet with individual students before and after class as required

As a student, it is your responsibility to:

- Attend class in person and/or online
- Participate actively by reviewing course material, interacting with classmates, and responding promptly in your communication with me
- Read and comprehend the textbook
- Complete the required assignments and exams
- Ask for help when there is a question or problem
- Keep copies of all paperwork, including this syllabus, handouts, and all assignments
- Be aware of and comply with academic honesty policies in the HCCS Student Handbook [HCCS Student Handbook](#)
- Take the required-online final.

### **Grading Formula**

Tests 50 %

Quizzes 30%

Term Paper 20%

*Please use the above formula to average your class average and do not rely on the class average displayed online.*

### **Evaluation/Exams:**

Evaluation: There will be three tests and a final this semester. We will utilize online testing for all exams. The tests will include multiple choice, and short answer. Each test will cover assigned readings, lectures, discussions, and other activities covered in that unit of the course. Your lowest exam grade, (excluding the final), will be dropped at the end of the semester. If you miss one of the first three exams, you will receive a zero, and that will be the lowest grade dropped during grade tabulation. **NO MAKE-UP EXAMS WILL BE GIVEN. Exam close out times are set very specifically, and they will close at the exact time listed, regardless of whether the exam is in progress, or completed.** Exams will count for 50% of your grade. If all exams are taken, and your lowest exam grade is the final, all exams are averaged together to determine if it results in a full letter grade difference. **Failure to take the final will likely result in a failing grade for the course.**

### **Quizzes`**

To improve your knowledge of American History you will be expected to read assigned articles or watch video and take quizzes based on the provided readings/media. You will be provided with instructions and a breakdown of articles to be read. If you click on the course homepage, you will see the quizzes that are assigned by the week, but with two overall due dates. Quizzes 1-5 will be due mid semester, and 6-10 near the end of the semester. Due dates will appear on your course calendar. After the due date has passed the quizzes will no longer be available to take for class credit. Quizzes are to be taken through the Eagle Online quiz feature. You have two opportunities to take the quiz and the highest grade will be taken for the grade book. Answers for quizzes do not appear until all quizzes are completed for security reasons. **Quiz close out times are set very specifically, and they will close at the exact time listed, regardless of whether the quiz is in progress, or completed.** Quizzes will count for 30% of your final grade.

### **Term Paper**

You will be required to write one term paper on pre-selected topics. You will be given a separate instruction sheet with detailed instructions. This paper will count for 20% of your grade.

**Your Class Grade** The standard college policy is followed for all grades:  
A (90-100), B (80-89), C (70-79), D (60-69), F (below 60).

HCC Grading Scale can be found on this site under Academic Information:  
<http://www.hccs.edu/resources-for/current-students/student-handbook/>

### **Course Calendar**

Your online course is set up in a week by week format, to maximize organizational skills and help you achieve your goals in class. You will also be provided with "Important Dates at a Glance", which can be found on your course homepage. This document gives you all due dates during the semester on one page. You also will be given a link to receive texts or e-mails to remind you of upcoming due dates and exams.

## **Syllabus Modifications**

The instructor reserves the right to modify the syllabus at any time during the semester and will promptly notify students in writing, typically by e-mail, of any such changes.

## **Instructor's Practices and Procedures**

### **Missed Assignments**

Acceptance of missed or late work will always be left in all circumstances to the **sole discretion** of the instructor. The instructor may ask for documentation, failure to produce said documentation upon request will likely result in a denial to turn in late or missed class work.

### **Academic Dishonesty, Plagiarism, Cheating**

Plagiarism, cheating, and other forms of academic dishonesty are prohibited by HCCS policy. Plagiarism is the use of the ideas or words of another person (either in whole or in part) without crediting the source. Plagiarism amounts to the theft of another person's work and its appropriation as one's own. Students are also prohibited from self-plagiarism or turning in work for one class in another class. Cheating involves fraud and deception for the purpose of violating legitimate testing rules. Cheating includes but is not limited to copying from another student's test paper, using materials not authorized by the instructor during an exam; collaborating with another student during an exam; knowingly using, buying, selling, etc. whole or part of an un-administered test. Any questions about academic dishonesty should be referred to the Student Conduct section of the College System catalogue. Students caught violating standards of academic honesty will be given an F for the assignment and may be given an F for the course.

Here's the link to the HCC information about academic integrity (Scholastic Dishonesty and Violation of Academic Scholastic Dishonesty and Grievance):

<http://www.hccs.edu/about-hcc/procedures/student-rights-policies--procedures/student-procedures/>

## **CLASS ATTENDANCE**

As stated in the HCC Catalog, all students are expected to attend classes regularly. Students in DE courses must log into their class or they will be counted as absent. Just like an on-campus class, your regular participation is required.

Although it is the responsibility of the student to withdraw officially from a course, the professor also has the authority to block a student from accessing Canvas, and/or to withdraw a student for excessive absences or failure to participate regularly. DE students who do not log into their Canvas class before the Official Day of Record will be automatically dropped for non-attendance. Completing the DE online orientation does not count as attendance.

*If you stop attending classes after the "Last day to withdraw":*

- Academic consequence – grade of **"FX"** (same impact on your GPA as an "F")
- Financial consequence – required to repay all or a portion of your financial aid

\*\*Future financial aid eligibility may be affected no matter when you withdraw.

### **Virtual Classroom Conduct**

As with on-campus classes, all students in HCC Online courses are required to follow all HCC Policies & Procedures, the Student Code of Conduct, the Student Handbook, and relevant sections of the Texas Education Code when interacting and communicating in a virtual classroom with your professor and fellow students. Students who violate these policies and guidelines will be subject to disciplinary action that could include denial of access to course-related email, discussion groups, and chat rooms or even removal from the class. <http://www.hccs.edu/about-hcc/procedures/student-rights-policies--procedures/student-procedures/>

### **Technological Requirements**

HCC uses the Canvas learning management system (LMS), which we call Eagle Online. To access Eagle Online, you will need a PC (Windows 7 sp1 or better), or Mac (OS X 10.8 or better) with a broadband connection to the Internet. You may use mobile devices to access basic class materials, yet **mobile devices are not recommended for online quizzes and exams.**

Eagle Online should be used with Firefox, or Chrome failure to use the browser can lead to problems with quizzes and exams.

If you do not have this program you can download it for free.
