

## **Group Project**

Finally some more details on the last project & the schedule for the rest of the semester!

**Client:** Vecino Health Center is a nonprofit family health center serving the Houston community. Learn more about their organization here:  
<http://www.vecinohealthcenters.org/>

In your groups, you will be conceptualizing and creating artwork for a space in the Vecino's Denver Harbor Clinic location.

424 Hahlo Street  
Houston, Texas 77020-3022

Group 1: Community Room  
Group 2: Hallway  
Group 3: Exam Rooms (2-3 rooms)

Each group has the choice to do either one large work (48" x 48" or larger) or a series (3 minimum) of smaller works. Choose a size and scale that is appropriate to your space. Painting/ drawing/ print techniques on canvas are the required medium because the works need to be lightweight and portable for the client.

### **Friday November 8**

**5:30-6:15** Meet at Vecino Denver Harbor Clinic

424 Hahlo Street  
Houston, Texas 77020-3022

We will be meeting with Debbie Dalton, the Director of Development, who will give us a tour of the building and tell us more about what they would like to see.

**6:30-8:30** Come back to classroom and create a proposal in your groups.  
(I will scan sketches and put them into a powerpoint)

### **Friday November 15**

**5:30-6:15**

Meet at Vecino Denver Harbor Clinic and present your ideas to a group of employees

**6:30**

Meet back in classroom and adjust your design if necessary to respond to feedback. Begin gathering materials and planning production in your groups

**Friday November 22**
