

## Foundation Drawing I

### Project 1: Line

Using one or all of the following drawing materials: 2B, 4B, 6B or 8B graphite pencil complete a still life using a minimum of 3 objects. The drawing should contain **all** of the listed techniques throughout the entire composition:

1. Outline
2. Contour
3. Hatching
4. Cross-Hatching
5. Stippling

Objectives	Each Objective is worth 20 points
Reflection and Knowledge of Skills	Drawing exhibits attention to detail and a variety of drawing techniques addressed in the assignment. The drawing represents a clear understanding of the information presented.
Line Drawing Techniques	Line drawing techniques, including outline, contour, Hatching/Cross-Hatching and stippling is well done with defined attention to detail. Objects appear real and three-dimensional.
Layout/Proportion	Layout and proportion are properly sketched. Measuring taken into account.
Originality/Creativity	The student explored several choices, generating many ideas, unusual combinations or changes on several ideas.
Performance and Effort	Worked independently. Followed directions and classroom rules. Used art materials wisely. Participated in class discussions and cleaned up their workspace. Project is complete and shows effort far beyond that which was required.
