Course Description

A continuation of ESOL 0352, this course provides a review of both essential and finer points of the grammatical structural features of formal written English. Emphasis is placed on active production and error analysis of standard English.

Course Statement of Purpose

This course seeks to prepare students for college-level academic or workforce study by accomplishing the following objectives:

- Students build on the syntactic knowledge that they have gained in previous study of English grammar, while being introduced to more advanced structures as well as the finer nuances involving tense and aspect of English verbs.
- Students strengthen their abilities to produce the new grammatical structures in a variety of communicative contexts.

Student Learning Outcomes

After completing this course, students should be able to:

1. Demonstrate a working knowledge of all of the English verb tenses;
2. Transform active sentences into passive sentences, and vice versa;
3. Transform discourse into complex sentences using noun clauses;
4. Combine simple sentences into complex sentences using adverbial clauses.

Learning Objectives Leading to the Outcomes Above

- 1.1 Demonstrate a working knowledge of simple tenses: present and past;
- 1.2 Demonstrate a working knowledge of progressive tenses: present, past and future;
- 1.3 Demonstrate a working knowledge of perfect tenses: present, past and future;
- 1.4 Demonstrate a working knowledge of combinations of tenses, e.g. past perfect progressive;
- 1.5 Demonstrate a working knowledge of combined tense forms using modal verbs, e.g. *should have . . .* , *must have . . .* , etc.

- 2.1 Accurately describe the structure of the passive verb form;
- 2.2 Summarize the conditions in which the passive verb form is preferred;
- 2.3 Transform active sentences into passive sentences;
- 2.4 Transform passive sentences into active sentences.

- 3.1 Distinguish between direct quotation and indirect quotation (reported speech);
- 3.2 Accurately transform sentences using direct quotation into sentences using indirect quotation, using the appropriate sequence of tenses, pronoun transformation and other required changes;
- 3.3 Accurately parse a sentence with an embedded quotation or question, identifying the basic parts of that sentence (subject + predicate);
- 3.4 Transform two simple sentences into an appropriate complex sentence using the process of nominalization to turn one sentence into a noun clause in the other.

- 4.1 Accurately distinguish classes of subordinating conjunctions according to function (time, causality, condition, reason, concession, comparison, contrast, etc.);
- 4.2 Transform simple sentences into complex sentences using appropriate subordinating conjunctions;

- 4.3 Demonstrate a working knowledge of construction of conditional sentences according to their truth conditions (i.e. real v. unreal) and time (i.e. present v. past);
- 4.4 Accurately distinguish between the meaning of sentences containing *wish* and that of sentences containing *hope*.

Please do not eat nor drink during class. However, water in a closed bottle is permitted.

Missed tests or quizzes: Please do not be absent on testing days. If you are absent for one quiz or test, you must ask your instructor for permission to make up what you missed. The second missed quiz or cannot be made up and a grade of zero will be given.

EGLS3: Evaluation for Greater Learning Student Survey System

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

HCC Policy Statement: Academic Dishonesty

Any form of copying, cheating, or plagiarism will result in a grade of 0 for the assignment. The instructor will decide whether to permit you to make up the work, and under what circumstances it might be made up. If you are charged with academic dishonesty, pleading ignorance of the rules will not help you.

Penalties and/or disciplinary proceedings may be initiated by HCC officials against a student who is accused of scholastic dishonesty. "Scholastic dishonesty" includes, but is not limited to, cheating on a test, plagiarism, and collusion.

Cheating on a test includes:

- Copying from another students' test paper;
- Using materials not authorized by the person giving the test;
- Collaborating with another student during a test without authorization;
- Knowingly using, buying, selling, stealing, transporting, or soliciting in whole or part the Bribing another person to obtain a test that is to be administered.

Plagiarism means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

Collusion means the unauthorized collaboration with another person in preparing written work offered for credit. Possible punishments for academic dishonesty may include a grade of 0 or F in the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System.

See the HCCS Student Handbook for further information.

HCC Policy Statement: Attendance

All students who have not attended by the Official Day of Record (**Feb. 1**) will be dropped or withdrawn from the class for non-attendance. According to the HCC Student Handbook, you may be dropped from a course after accumulating absences in excess of 12.5 percent of the total hours of instruction (lecture and lab). For Intensive English if you exceed a total of **10 hours** (12.5%) of absence in any class, including labs, you can be dropped from **all** Intensive English classes. This will make F1 students out of status and cause visa problems. If you are absent, it is your responsibility to contact your instructor to find out what you have missed and whether it is possible to make up the work. If you do not take this responsibility, you risk receiving grades of zero and not being allowed to make up the work. No absences are excused. Class attendance leads to class success.

Tardiness and in-class time absence

Classes and tests begin on time. Lateness of five minutes or more counts as a class or lab absence. You can enter the classroom, but you will be counted absent. Lateness after break times, leaving early or disappearing for more than five minutes during class or lab are also counted as absences. Texting, using social networking sites, or other improper use of technology during class time or lab time are also counted towards your absences (1 warning = 1 tardy).

HCC Withdrawal Deadline

To drop a class, you must speak with a counselor or an advisor. The last day students may withdraw or be dropped from a class with a grade of W is **Friday April 3rd** before 4:30 p.m. Students who have excessive absences after that date will receive the grades they earn. Note: International students will be out of status if they drop or are dropped from their classes and may have to return to their countries. Speak with a counselor or an advisor before dropping classes to make sure you understand the procedures.

HCC Policy on Students Repeating a Course for the Third Time Repeating students:

Grades of IP or F are failing grades; the student will have to repeat the course. A student who fails a class for the second time must receive a grade of F for that class. Students who repeat a course for three or more times will have to pay a higher tuition fee at HCC and other Texas public colleges and universities.

If you are having trouble in class, talk to your teacher and get help from a tutor. Get other assistance from a counselor before withdrawing or for advice if your grades are not passing. Students should get help so that they will not fail. Tutoring is also available at Gulfton Center on Tuesdays, Wednesdays and Thursdays from 1:30 to 2:30 in Room 121 and on Fridays from 9:00-11:00 in the Audio Lab. Evening tutoring is available on Tuesdays from 6:30 to 7:00 p.m. in the Audio Lab.

HCC Policy on Pregnancy

Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' rights with regard to sex/gender discrimination. Information regarding these rights are on the HCC website under Students-Anti-discrimination.

Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understand and conform to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations.

Log into www.edurisksolutions.org. Sign in using your HCC student email account, then go to the button at the top right that says Login and enter your student number.

HCC Policy Statement: ADA

Policy on Sexual Harassment

Sexual harassment in any form is not tolerated at Houston Community College. It is a violation of HCCS policy for an employee, agent, or student of the college to engage in sexual harassment as defined in the EEOC guidelines (EEO/AA Compliance Handbook 47). See HCCS Student Handbook for more information.

CLASSROOM BEHAVIOR

Treat your classmates and teacher with respect. Use English. Make the most of your class time by actively participating in discussions and activities. Turn off your cell phone during class. If you are expecting an emergency call, ask your instructor's permission to leave your cell phone on vibrate.

Use of Camera and/or Recording Devices

Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations.

Misuse of Electronic Devices in the Classroom

The use of electronic devices by students in the classroom is up to the discretion of the instructor. Any use of such devices for purposes other than student learning is strictly prohibited. If an instructor **perceives** such use as disruptive and/or inappropriate, the instructor has the right to terminate such use. If the behavior continues, the student may be subject to disciplinary action to include removal from the classroom or referral to the Dean of Student Services. (Please see the Attendance Policy for this class.)

Disruptive Behavior: Students who conduct themselves in a manner that significantly interferes with college teaching, research, administration, disciplinary procedures or other authorized college activities (including its public service functions) on the college premises will be subject to disciplinary action. Any student who behaves in this way may be required by the instructor to leave the classroom and be counted absent for the rest of that class period.
