Tutoring

HCC provides free, confidential, and convenient academic support, including writing critiques, to HCC students in an online environment and on campus. Tutoring is provided by HCC personnel in order to ensure that it is contextual and appropriate. Visit the [HCC Tutoring Services](#) website for services provided.

Libraries

The HCC Library System consists of 9 libraries and 6 Electronic Resource Centers (ERCs) that are inviting places to study and collaborate on projects. Librarians are available both at the libraries and online to show you how to locate and use the resources you need. The libraries maintain a large selection of electronic resources as well as collections of books, magazines, newspapers, and audiovisual materials. The portal to all libraries' resources and services is the HCCS library web page at <http://library.hccs.edu>.

Supplementary Instruction

Supplemental Instruction is an academic enrichment and support program that uses peer-assisted study sessions to improve student retention and success in historically difficult courses. Peer Support is provided by students who have already succeeded in completion of the specified course, and who earned a grade of A or B. Find details at <http://www.hccs.edu/resources-for/current-students/supplemental-instruction/>.

Course Overview

This is a systemic evaluation of classical and/or contemporary ethical theories concerning the good life, human conduct in society, morals, and standards of value. This course provides a practical, community-minded introduction to questions of character and human excellence in a multi-cultural, global environment. Traditional and contemporary views concerning the nature of goodness, happiness, duty, and freedom serve as points of departure for this largely thematic inquiry into right conduct and ways of thinking that leads to that conduct.

Core Curriculum Objectives (CCOs)

Student Success

Expect to spend at least twice as many hours per week outside of class as you do in class studying the course content. Additional time will be required for written assignments. The assignments provided will help you use your study hours wisely. Successful completion of this course requires a combination of the following:

- Reading the textbook
- Attending class in person and/or online
- Completing assignments
- Participating in class activities
- Knowing and abiding by the syllabus

There is no short cut for success in this course; it requires reading (and probably re-reading) and studying the material using the course objectives as a guide.

Instructor and Student Responsibilities

As your Instructor, it is my responsibility to:

- Provide the grading scale and detailed grading formula explaining how student grades are to be derived
- Facilitate an effective learning environment through learner-centered instructional techniques
- Provide a description of any special projects or assignments
- Inform students of policies such as attendance, withdrawal, tardiness, and making up assignments
- Provide the course outline and class calendar that will include a description of any special projects or assignments
- Arrange to meet with individual students before and after class as required

As a student, it is your responsibility to:

- Attend class in person and/or online
- Participate actively by reviewing course material, interacting with classmates, and responding promptly in your communication with me
- Read and comprehend the textbook
- Complete the required assignments and exams
- Ask for help when there is a question or problem
- Keep copies of all paperwork, including this syllabus, handouts, and all assignments
- Be aware of and comply with academic honesty policies in the HCCS Student Handbook (THIS MAY BE EDITED OR ELIMINATED BY INSTRUCTOR)

Assignments, Exams, and Activities

Written Assignment

Term Paper: A term paper on a topic assigned by the instructor. The due date is listed on the reading schedule. No late papers are accepted. If you are caught plagiarizing your term paper, you will receive a zero on it. There will be no second chances. Students caught engaging in plagiarism will also be entered into HCC's internal tracking system. Students who are caught engaging in academic dishonesty multiple times will be subject to discipline, which includes suspension and expulsion. Students who do not submit a term paper will fail the course. (200 points)

Exams

Three Exams: These exams are worth 100 points each. (300 points) These exams test knowledge of basic course concepts. They are completed on scantron. The dates of each exam is on the reading schedule. If you arrive one second late for the exam, you will not be allowed to take the exam. If you miss one of the first two exams, your next one will count double. If you miss both the first two exams, you get a zero on them. You may not miss the final.

No late work is accepted. You must meet all the deadlines.

In-Class Activities

In-Class Assignments: 10 in-class assignments worth 45points each. (450 points) These will be completed in-class. We will do them at the beginning of the meeting. If you arrive after I begin scoring the assignments, you have a zero. If you leave before we finish scoring the assignment, you receive a zero. Period. Students must both complete the assignment in the classroom and participate in the in-class grading process to receive credit. We do 17 of these, but I count only the highest 10. There are no excused assignments, since I ultimately count only 10.

I will implement surprise measures to prevent cheating during the grading phase of these assignments. If you are caught cheating, you will receive a zero on the assignment and lose the opportunity to count only your 10 highest grades. I count the zero and your ten lowest scores to that point. Just don't cheat.

See class etiquette for further details.

Writing Workshop: Students will be a rough draft of their term papers to class and complete a peer review session. For credit, each student must have a draft of his/her paper and participate in the two-part evaluation process. (50 points)

Final Exam

The third exam is the Final Exam.

Grading Formula

A = 90% to 100% (900 to 1000 points) 4 points per semester hour
 B = 80% to 89.9% (800 to 899 points) 3 points per semester hour
 C = 70% to 79.9% (700 to 799 points) 2 points per semester hour
 D = 60% to 69.9% (600 to 699 points) 1 point per semester hour
 F = 0% to 59.9% (000 to 539 points) 0 points per semester hour
 FX (Failure due to non-attendance) 0 points per semester hour
 IP (In Progress) 0 points per semester hour
 W (Withdrawn) 0 points per semester hour
 I (Incomplete) 0 points per semester hour
 AUD (Audit) 0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses.

FINAL GRADE OF FX: Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class.

Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.

To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

Incomplete Policy:

I will allow a student to take an Incomplete in this class only if they have met all of the following conditions:

1. The student has a medical, legal, family, or personal emergency that prevents them from completing work for the course.
2. This issue occurs after the last day to withdraw.
3. The student has maintained good academic standing in the course up to that point.
4. The student requests an incomplete from the professor prior to the end of the course.
5. The student arranges a schedule for completing incomplete assignments in writing with Professor.

Additionally, any student who is unable to complete the course due to pregnancy can receive an incomplete, even if she does not meet the previous conditions.
