Assignments, Exams, and Activities

Written Assignment

The bulk of the assessment of student performance in this class is based on in-class essays of 350 to 500 words in length. Students will write a minimum of four and a maximum of five such essays. The completed essay will be the result of a comprehensive writing process consisting of organized pre-writing, in-class drafting and out-of-class revision. The teacher will take all of these stages into account when calculating the final grade for each essay.

Exams

The major assessment in this course consists of the essays described above. The students will also take quizzes and complete lab assignments. There are no major exams as such except the Final Exam described below.

In-Class Activities

The teacher may include activities such as quizzes, group activities and peer editing assignments as part of the assessment of student performance.

Final Exam

The Final Examination consists of a major essay written in-class, based on choice of prompts which students have not previously seen, but which correspond to the kinds of writing that students have engaged in during the course.

Students who are absent from the final exam without discussing their absence with the instructor in advance or within 24 hours afterward will receive a course grade of Incomplete. Any student who does not take a makeup exam by the end of the following long semester will receive a final exam grade of zero and a course grade of F.

Grading Formula

The total grade for the course will be based on the following percentage breakdown.

Essays	50%
Quizzes / discussions.	15%
Writing Skills Interactive	15%
<u>Final Exam</u>	<u>20%</u>
Total	100%

Grade	Total Points
A	90+
B	80-89
C	70-79
F/IP	60-69

Incomplete Policy:

In order to receive a grade of Incomplete ("I"), a student must have completed at least 85% of the work in the course. In all cases, the instructor reserves the right to decline a student's request to receive a grade of Incomplete.

Instructor's Practices and Procedures

Missed Assignments

You must submit essays on Canvas (Turnitin) and revisions to the essay on or before the due date. Missed assignments get a lower grade. Please check Canvas frequently

Academic Integrity

Any form of copying, cheating, or plagiarism will result in a grade of 0 for the assignment. The instructor will decide whether to permit you to make up the work, and under what circumstances it might be made up. If you are charged with academic dishonesty, pleading ignorance of the rules will not help you. Penalties and/or disciplinary proceedings may be initiated by HCC officials against a student who is accused of scholastic dishonesty. "Scholastic dishonesty" includes, but is not limited to, cheating on a test, plagiarism, and collusion.

Cheating on a test includes:

- Copying from another students' test paper;
- Using materials not authorized by the person giving the test;
- Collaborating with another student during a test without authorization;
- Knowingly using, buying, selling, stealing, transporting, or soliciting in whole or part the contents of a test that has not been administered;
- Bribing another person to obtain a test that is to be administered.

Plagiarism means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

Collusion mean the unauthorized collaboration with another person in preparing written work offered for credit. Possible punishments for academic dishonesty may include a grade of 0 or F in the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System. (See the Student Handbook)

If you are not attending class, you are not learning the information. As the information that is discussed in class is important for your career, students may be dropped from a course after accumulating absences in excess of 12.5% hours (10 hours) of instruction (F-1 students should particularly take note of this so as not to affect your visa status). The ten hours of class time would include any total classes missed or for excessive tardiness (being late twice or, leaving early is counted as an absence). Remember: Class attendance equals class success.

Student Conduct

As your instructor and as a student in this class, it is our shared responsibility to develop and maintain a positive learning environment for everyone. Your instructor takes this responsibility very seriously and will inform members of the class if their behavior makes it difficult for him/her to carry out this task. As a fellow learner, you are asked to respect the learning needs of your classmates and assist your instructor achieve this critical goal. Please be sure to turn off ALL electronic devices and put your phones and computers away.

Students are expected to arrive to class on time with ALL THEIR MATERIALS INCLUDING THE TEXT BOOKS. Returning late from a break or leaving class early counts as being tardy. Being tardy twice will equal one absence (whether ten minutes or one hour). If you miss 10 hours of class, you can be dropped without notification and will, therefore, be out of compliance if you are an F-1 student. If a student misses a class, it is his or her responsibility to see the instructor about the work that was missed.

Instructor's Course-Specific Information (As Needed)

All essays and assignments have to be submitted on time on Turnitin only. You will be given enough time to complete your essays, so excuses for late submission will not be accepted. You will lose points for late submissions.

Electronic Devices

Cell phones should be turned off during class hours.
