

THE HCC POLITICAL SCIENCE CLUB

invites you to its roundtable discussion:

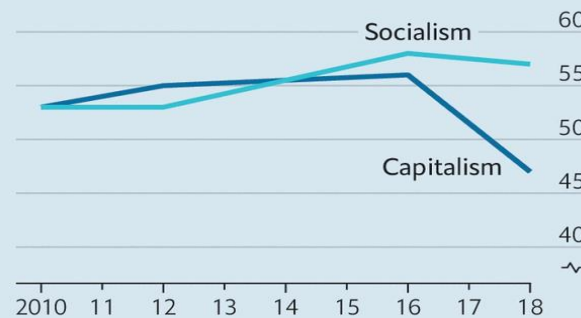

American Socialism?

Is there a newfound acceptance of socialism in the USA? Are Social Security, Medicare, unemployment and disabilities benefits, public education, parks, infrastructure, public transportation, minimum wages and overtime, child labor laws, farm and business subsidies, government corporations, aid, public housing, college grants and loans, bailouts, etc. *socialism*?

Better than the alternative?

United States, positive views about capitalism and socialism by Democrats and Democratic-leaning independents, %
