Course Description: Practical experience in the techniques of imaginative writing. May include fiction, nonfiction, poetry, screenwriting, or drama. Prerequisites: ENGL 1301 or permission of the Department Chair.

- Understand literary tropes and points of craft.
- Apply terms to specific examples and written exercises.
- Analyze representative works of published writers.
- Analyze and evaluate other students' works.
- Write creative works in a variety of genres.

Core Objectives: Given the rapid evolution of necessary knowledge and skills and the need to take into account global, national, state, and local cultures, the core curriculum

must ensure that students will develop the essential knowledge and skills they need to be successful in college, in a career, in their communities, and in life. Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Students enrolled in this core curriculum course will complete assignments designed to cultivate the following core objectives:

- **Critical Thinking Skills**—to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information.
- **Communication Skills**—to include effective development, interpretation and expression of ideas through written, oral and visual communication.

- **Teamwork**—to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal.

Course Materials: There is no formal textbook required for this class. We will use online sources and handouts furnished by your professor. You will however, need a notebook with 8.5 x 11' ruled paper, devoted exclusively to the work in this class, You will use this for quizzes, notes, and in class assignments.

Course Requirements: Grades are computed in the following manner: Writing Portfolio (70%), Quizzes on assigned material (20%), Participation (10%)

Do not discard anything you have written for the class!!
All notes, completed assignments, and drafts of assignments will be collected and constitute your Writing Portfolio at the end of the semester.

Instructor Requirements:

Late papers will receive a ten-point deduction class period that passes between the due date/time and the date/time received. No paper will be accepted if it is more than 1 week late. No exceptions unless arrangements are made in advance. If you miss a Quiz/Response Assignment, you may not make it up. You will receive a zero for that assignment.

NOTE: All out of class assignments must be typed. Any assignment less than the required length will receive a failing grade. No paper written for this class may be submitted for credit via email or any other electronic source.

Student Support Services:

Online Tutoring:

The goal of online tutoring is to help students become academically independent through guided assistance by HCC faculty or faculty-eligible tutors in almost all departments. Our tutoring is asynchronous, which means that it is NOT real-time.

Students can get real-time help on campus and through several textbook sources. We believe that when tutors can take time to absorb and analyze the work, we give a different type of help. Because the tutoring is asynchronous, it is important for students to plan ahead. It generally takes about two days to get a complete review back, and it may be longer than that when hundreds of papers come in every day for several days in a row. It is crucial for students to look at the yellow banner on the log-in page to see how long the turn-around time is.

Students can submit work 24/7/365; we tutor even when the college is closed for holidays or natural disasters. All HCC students can take advantage of online tutoring by logging on to **hccs.upswing.io**. The HCC email address and the associated password get students into the online tutoring site, so when the email password changes, so does the Upswing password.

Tutoring Centers:

The HCC Tutoring Centers provide academic support to our diverse student population by creating an open atmosphere of learning for all students enrolled at HCC. Using a variety of tutoring techniques, we assist students across academic disciplines,

addressing their individual needs in a constructive, safe, and welcoming environment. Our emphasis is on maximizing academic potential while promoting student success and retention. We are committed to helping students achieve their educational, personal, and career goals by empowering them to become confident, independent, lifelong learners.

Tutoring for individual subjects is offered at specific times throughout the week on various campuses. There is no need to make an appointment. If you need a tutor, please refer to our website: hccs.edu/findatutor for times and locations. For more information about tutoring at HCC, please go to hccs.edu/district/students/tutoring.

Ability Services:

Houston Community College is dedicated to providing an inclusive learning environment by removing barriers and opening access for qualified students with documented disabilities in compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act. Ability Services is the designated office responsible for approving and coordinating reasonable accommodations and services in order to assist students with disabilities in reaching their full academic potential. In order to receive reasonable accommodations or evacuation assistance in an emergency, the student must be registered with Ability Services.

If you have a documented disability (e.g. learning, hearing, vision, physical, mental health, or a chronic health condition), that may require accommodations, please contact the appropriate Ability Services Office below. Please note that classroom accommodations cannot be provided prior to your Instructor's receipt of an accommodation letter and accommodations are not retroactive. Accommodations can be requested at any time during the semester, however if an accommodation letter is provided to the Instructor after the first day of class, sufficient time (1 week) must be allotted for the Instructor to implement the accommodations.

Libraries: HCC has a Learning Resource Center at each campus for student use. The library provides electronic resources including an online catalog system as well as numerous databases that contain full-text articles all available at <https://library.hccs.edu>. Additionally, many of the required texts are on reserve at the library. Find out library locations and hours here: http://library.hccs.edu/about_us/intersession_hours

Open Computer Labs: Students have free access to the internet and word processing in open computer labs available at HCC campuses. Check on the door of the open computer lab for hours of operation.

Important HCCS and Course Policies:

Repeating Courses: Students who repeat a course for three or more times will face significant tuition/fee increases at HCC and other Texas public colleges and universities. Please ask your instructor or counselor/advisor about opportunities for tutoring and/or other assistance prior to considering course withdrawal or if you are not receiving passing grades.

Attendance: Attendance, preparedness, and participation are essential for your success in this course. HCC does not differentiate between excused and unexcused absences. If you are not in class, you are absent. HCC Policy states that you can miss up to but not exceeding 12.5% of class hours, which is equivalent to 6 hours. When you miss class, you are still responsible for what happens in class. Keep in mind that whatever the reason for your absence, you will still miss important course work. If you know you must be absent or if you have an emergency, let me know **before class** and make plans to meet with me in office hours. If you have more than four (4) absences before the official date of record, **Wednesday, February 1, 2017**, you may be automatically withdrawn from the course.

Withdrawal Policy: Before withdrawing from the course, it is important to communicate with your professor and counselors to discuss your options for succeeding in the course. If all other options have been exhausted, you may withdraw yourself, but the last date to withdraw this semester is **Monday, April 3, 2017**. Please remember that it is the student's responsibility to withdraw from a course. If you stop attending the class and don't withdraw by this date, you are subject to the FX grading policy.

International Students: Receiving a W in a course may affect the status of your student Visa. Once a W is given for the course, it will not be changed to an F because of the visa consideration. Since January 1, 2003, International Students are restricted in the number of distance education courses that they may take during each semester. International students must have full-time enrollment status of 12 or more semester credit hours, and of these at least 9 semester credit hours must be face-to-face on-

campus courses. Please contact the International Student Office at 713-718-8521 or email int_student_svcs@hccs.edu, if you have any questions about your visa status and other transfer issues.

Final Grade of FX: Students who stop attending class or stop actively participating in class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of FX at the end of the semester. Students who stop attending classes or who stop actively participating in classes will receive a grade of FX, as compared to an earned grade of F, which is due to poor performance. Logging into a DE course without active participation is considered non-attending.

Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of FX is treated exactly the same as a grade of F in terms of GPA, probation, suspension, and satisfactory academic progress.

Academic Honesty: A student who is academically dishonest is, by definition, not showing that the coursework has been learned, and that student is claiming an advantage not available to other students. The instructor is responsible for measuring each student's individual achievements and also for ensuring that all students compete on a level playing field. Thus, in our system, the instructor has teaching, grading, and enforcing roles. You are expected to be familiar with the HCC's policy on Academic Honesty found in the catalogue. What that means is that if you are charged with an offense, pleading ignorance of the rules will not help you.

Just so there is no misunderstanding, plagiarism (using another's ideas or words without giving credit), collusion (unauthorized collaboration with another person in preparing written work offered for credit), and other forms of cheating will not be tolerated. To be accepted, all papers require proof of their development. Students who plagiarize, collude, or cheat may face disciplinary action including the grade of 0 for the assignment, an F for the course, and/or dismissal from the college. (See Student Handbook)

EGLS3 (Evaluation for Greater Learning Student Survey System): At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Go to www.hccs.edu/egls3 for directions.

Title IX Discrimination: Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' rights with regard to sex/gender discrimination. Information regarding these rights are on the HCC website

under Students-Anti-discrimination. Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understands and conforms to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations by logging in from your HCC student email account, go to www.edurisksolutions.org Go to the button at the top right that says **Login** and click. Enter your student number.

*Open/Campus Carry of Handguns: **No Firearms Are Allowed on Campus.*** If you see anyone carrying a firearm on campus call the HCC Police Department at **8-8888** immediately.

Texas House Bill 910—known as the “Open Carry” law—provides holders of a handgun license may now carry their handgun visibly in a waist belt holster or a shoulder holster, but they may not openly carry on or in a college campus or building and they may not openly carry on any public or private driveway, street, sidewalk or walkway, parking lot, parking garage or other parking area of the college. Open Carry is effective as of January 1, 2016.

Campus carry and open carry are two (2) separate laws. Texas Senate Bill 11—known as the “Campus Carry” law—will allow individuals who have a valid Texas handgun license to carry a concealed handgun in certain areas on college campuses. The Campus Carry law becomes effective at 4-year institutions on August 1, 2016 and at 2-year institutions on August 1, 2017.

All information regarding both Open Carry and Campus Carry will be posted at <http://www.hccs.edu/campuscarry>.

Campus Safety: If you are on campus and need emergency assistance, call 713-718-8888 or, from any campus phone, 8-8888. Use this emergency number instead of 911, which gets routed back to the HCC Police Department dispatch thus lengthening response time to your emergency situation.
