What's Exciting About This Course

You will learn so much about your life and the lives of those around you. Do you know how one learns? How memory works? Why we have different personalities? How health is related to stress? The course will look at how and why we develop from children that seem to have so much in common to adults that do and do not. What happens? Are there best practices in child rearing and in life-long development or is it just luck? Where are you in your development? And what about schizophrenia and other psychological disorders? Are they avoidable? What causes them? The information in this course will enable you to understand the people in your life as well as develop new habits to increase your personal success.

My Personal Welcome

Prerequisites and/or Co-Requisites

PSYC 2301 requires college-level reading and writing skills. Research indicates that you are most likely to succeed if you have already taken and passed ENGL 1301. The minimum requirements for enrollment in PSYC 2301 include placement in college-level reading (or take INRW 0420 or ESOL 0360 as a co-requisite). If you have enrolled in this course having satisfied these prerequisites, you have a higher chance of success than students who have not done so. Please carefully read and consider the repeater policy in the [HCCS Student Handbook](#).

Canvas Learning Management System

This section of PSYC 2301 will use [Canvas](https://eagleonline.hccs.edu) (<https://eagleonline.hccs.edu>) to supplement in-class assignments, exams, and activities. All your resources are posted Canvas such as the *Final Exam Handbook*, scoring rubrics for assignments, and other information to assist you in the course. All assignments must be submitted on Canvas.

HCCS Open Lab locations may be used to access the Internet and Eagle Online Canvas. It is recommended that you **USE [FIREFOX](#) OR [CHROME](#) AS YOUR BROWSER**.

HCC Online Information and Policies

Although this is an in-person class, I encourage you to visit the HCC Online information pages. They contain a great deal of useful information about using Canvas. Here is the link to HCC Online: <http://www.hccs.edu/online/>.

Scoring Rubrics, Assignment Instructions, etc.

Look in Eagle Online Canvas for the scoring rubrics for assignments, assignment instructions, exam instructions, and other information to assist you in the course.

Instructional Materials

Textbook Information

The textbook listed below is **required** for this course. ***Mastering the World of Psychology*** (6th edition) by Wood, Wood, and Boyd (Pearson).

A package that includes the text as well as an access code for Pearson Revel (ISBN 9780135192870) may be purchased through the [HCC Bookstore's website](#).

Temporary Free Access to E-Book

Students can get free access to a digital version of the textbook for a limited period of time. Here's how to get access. Look on Canvas for detailed instructions for activating temporary free access to the e-book.

Other Instructional Resources

Courseware

"Courseware" is a premium website designed to accompany a specific textbook that includes practice quizzes, videos, and other useful study tools. The courseware that accompanies the required text in this class is [Pearson Revel](#). The courseware is good for practice and review. We will not be using the courseware for any graded assignments.

Tutoring

HCC provides free, confidential, and convenient academic support, including writing critiques, to HCC students in an online environment and on campus. Tutoring is provided by HCC personnel in order to ensure that it is contextual and appropriate. Visit the [HCC Tutoring Services](#) website for services provided.

Libraries

The HCC Library System consists of 9 libraries and 6 Electronic Resource Centers (ERCs) that are inviting places to study and collaborate on projects. Librarians are available both at the libraries and online to show you how to locate and use the resources you need. The libraries maintain a large selection of electronic resources as well as collections of books, magazines, newspapers, and audiovisual materials. The portal to all libraries' resources and services is the HCCS library web page at <http://library.hccs.edu>.

Supplementary Instruction

Supplemental Instruction is an academic enrichment and support program that uses peer-assisted study sessions to improve student retention and success in historically difficult courses. Peer support is provided by students who have already succeeded in completion of the specified course, and who earned a grade of A or B. Find details at <http://www.hccs.edu/resources-for/current-students/supplemental-instruction/>.

Course Overview

PSYC 2301 is a survey course of the basic principles underlying human behavior. Emphasis is placed on major areas of study in the field of psychology, such as motivation, development, thought processes, and personality. (PSYC 2301 is included in the [Psychology Field of Study](#).)

Core Curriculum Objectives (CCOs)

PSYC 2301 satisfies the social science requirement in the HCCS core curriculum. The HCCS Psychology Discipline Committee has specified that the course address the following core objectives:

- **Critical Thinking:** Students will demonstrate the ability to engage in inquiry and analysis, evaluation and synthesis of information, and creative thinking by completing a written assignment such as a book report, research paper, or essay.
- **Communication Skills:** Students will demonstrate effective development, interpretation and expression of ideas through written, oral, and visual communication by completing a written assignment such as a book report, research paper, or essay.

- **Quantitative and Empirical Literacy:** Students will demonstrate the ability to draw conclusions based on the systematic analysis of topics using observation, experiment, and/or numerical skills by completing textbook reading assignments, completing assignments, and answering questions on quizzes and exams.
- **Social Responsibility:** Students will demonstrate cultural self-awareness, intercultural competency, civil knowledge, and the ability to engage effectively in regional, national, and global communities by completing textbook reading assignments, completing assignments, and answering questions on quizzes and exams.

Program Student Learning Outcomes (PSLOs)

Can be found at:

<http://www.hccs.edu/programs/areas-of-study/social--behavioral-sciences/psychology/>

Course Student Learning Outcomes (CSLOs)

Upon completion of PSYC 2301, the student will be able to:

- Demonstrate knowledge in multiple (8) areas of psychology, including concepts, facts, and theoretical perspectives.
- Define and identify the basic research and evaluation methods used in psychology, including the strengths and weaknesses of each method.
- Demonstrate knowledge of and identify concepts related to personal development and the development and behavior of others.
- Apply psychological concepts to the solution of issues and problems including ethics, coping with stressful events, health and wellness, parenting, learning, memory, and /or evaluation of media presentations.

Learning Objectives

Learning Objectives for each CSLO can be found at [Learning Objectives for PSYC 2301](#)

Student Success

Expect to spend at least twice as many hours per week outside of class as you do in class studying the course content. Additional time will be required for written assignments. The assignments provided will help you use your study hours wisely. Successful completion of this course requires a combination of the following:

- Reading the textbook
- Attending class in person and/or online
- Completing assignments
- Participating in class activities

There is no short cut for success in this course; it requires reading (and probably re-reading) and studying the material using the course objectives as your guide.

Instructor and Student Responsibilities

As your Instructor, it is my responsibility to:

- Provide the grading scale and detailed grading formula explaining how student grades are to be derived
- Facilitate an effective learning environment through learner-centered instructional techniques
- Provide a description of any special projects or assignments
- Inform students of policies such as attendance, withdrawal, tardiness, and make ups
- Provide the course outline and class calendar which will include a description of any special projects or assignments
- Arrange to meet with individual students before and after class as required

As a student, it is your responsibility to:

- Attend class in person and/or online
- Participate actively by reviewing course material, interacting with classmates, and responding promptly in your communication with me
- Read and comprehend the textbook
- Complete the required assignments and exams
- Ask for help when there is a question or problem
- Keep copies of all paperwork, including this syllabus, handouts, and all assignments
- Attain a raw score of at least 50% on the departmental final exam
- Be aware of and comply with academic honesty policies in the HCCS Student Handbook

Assignments, Exams, and Activities

Please carefully review all of the information in this section and don't hesitate to ask questions if anything is unclear to you. Be assured that I have thoughtfully designed all of the assignments, exams, and activities in this course to enable you to learn the material and to be successful. By providing due dates, I am helping you stay on track and accomplish your goal of getting the best grade you can in this course.

Written Assignment(s)

Written Assignment: Video Documentary Notes (150 points)

You must submit a set of Documentary Notes for **120 minutes of the documentaries (online videos)** for which hyperlinks are provided in Canvas. Notes can be in bullet point or numbered format. (NO PARAGRAPHS, ESSAYS, OR NARRATIVES) The standard against which notes for each documentary will be graded is that the instructor needs to be able to tell from the notes that the student watched the entire documentary and grasped all of the concepts and factual details presented in it. The following components are needed for this assignment:

Grading Criteria:

Video Title(s)	10 points
Time of each video (total time must equal at least 120 minutes or 2 hours)	10 points
Content of Notes: main points you learned from each of the videos in your own words in bullet form	120 points

Grammar, spelling and adhering to total word count for all notes of 1500 words	10 points
--	-----------

You can only submit a .doc, a .pdf, or a .jpg. If you are using a Mac, please make sure that you only submit these file extensions. I cannot read a .pages file so you will receive a zero on any assignment that is uploaded as a .pages or other Mac extension

Exams

You will take FIVE exams worth 100 points each. The exams will have 50 multiple-choice questions worth 2 points each that cover the material in your textbook chapters. Please read your textbook and take good notes. You are responsible for the information in the textbook, even if we do not discuss it in class! Exams will be available on Eagle Online Canvas until midnight of the due date (please see the Course Calendar). You will have 80 minutes to complete each exam. All questions will appear one at a time, no backtracking allowed. Exams must be completed individually, without help from your textbook, notes, or friends. You will be able to review your exam results, but correct answers will not be provided. You may take each exam TWICE. I will keep your highest grade.

In-Class Activities

In this course, you will work in teams to complete a variety of activities designed to help you explore and apply the concepts you are learning. There will be TWO graded class activities worth a total of 40 points. Each activity is worth 20 points. Information on the activities will be provided in class and on EagleOnline. I expect that you will have read the chapter(s) assigned before coming to class. This is an interactive course that will include writing, researching information, and team presentations. Teams will be created by your instructor during the first week of class. You will work with the same team members throughout the semester.

Team Presentation1: Ch8-9 Team Presentations	20 points
Team Presentation 2: Abnormal Psychology Case Study Presentations	20 points

Other Assignments and Activities

In this course, you will complete a variety of online activities designed to help you explore and apply the concepts you are learning.

- an ID Verification Honor Pledge assignment worth 10 points
- An extra credit "Get to Know You" online discussion worth 25 points
- Online Discussion 1: Psychology Degrees and Careers
- Online Discussion 2: Personality Assessment worth 25 points

Instructions for online discussions: You will write a discussion post based on the topic list in Canvas. The minimum word requirement for your initial post is 300 words. Then reply to one of your peers' posts. The minimum word requirement for your reply post is 150 words. Writing counts! Please proofread and check your spellings and grammar to ensure that your posts are readable and that your message is as clear as possible. **Please be respectful of each other's viewpoints.**

Note: You will only be able to see your peers' posts after you have entered your own post.

Grading Criteria for Online Discussions

Content of initial post:	15 points
Content of reply post(s) that adds to the discussion and shows relevance to the original post:	7 points
Writing and clarity of posts (including minimum word requirement)	3 points

Practice Final Exam

The Practice Final Exam is posted on EagleOnline Canvas. It is worth 50 points and provides a good overview of the types of questions that are on the Departmental final. It is in your best interest to complete the exam as many times as you need in preparation for your final exam.

Comprehensive Departmental Final Exam

All students in PSYC 2301 are required to take a comprehensive departmental final exam consisting of 100 multiple-choice questions. All of the information you need to succeed on the exam may be found at <https://learning.hccs.edu/programs/psychology/psyc-2301-departmental-final-exam-preparation-resources>. The final exam is worth 200 points, 2 points per question.

The exam will be administered on Canvas with these restrictions:

- Available only on the dates listed in the Course Calendar
- May not be taken early under any circumstances
- Time limit: 120 minutes
- Attempts: 1
- Questions shown one at a time
- After a question has been answered, students cannot return to it.
- Viewing of exam questions and submitted answers is not permitted.

Students must correctly answer at least 50 of the 100 questions on the final exam (50%) to pass the course.

Students who are absent from the final exam must discuss their absence with the instructor in advance or within 24 hours afterward. You must have a doctor's note or some verifiable form of documentation of an emergency to show that you were unable to take the final exam on the date it was available.

Grading Formula

Your final grade will be determined by the total points you earn based on the activities listed below.

Written Assignment(s): Video Documentary Notes for 120 minutes	150 points
Exams (5 @ 100 points each)	500 points
Other Assignments and Activities:	
In Class Team Activities	40 points
ID Verification	10 points
Online Discussions (2 @ 25 points each)	50 points
Practice Final Exam	50 points
Comprehensive Departmental Final Exam	200 points
Total	1000
Extra Credit: Get to Know You Discussion	25 points
Maximum Extra Credit	25 points

Grade	Total Points
A	900+
B	800-899
C	700-799
D	600-699
F	<600

Incomplete Policy

In order to receive a grade of Incomplete ("I"), a student must have completed at least 85% of the work in the course. In all cases, the instructor reserves the right to decline a student's request to receive a grade of Incomplete.

HCC Grading Scale can be found on this site under Academic Information:
<http://www.hccs.edu/resources-for/current-students/student-handbook/>

Syllabus and Calendar Modifications

The instructor reserves the right to modify the syllabus and/or course calendar at any time during the semester and will promptly notify students in writing, typically by e-mail, of any such changes.

Instructor's Practices and Procedures

Missed Assignments

All work must be completed by the due dates. I will allow makeups on a case-by-case basis. Any assignments that are accepted late will have a minimum of a 10% late penalty to the grade.

Academic Integrity

Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/or disciplinary proceedings may be initiated by college district officials against a student accused of scholastic dishonesty. "Scholastic Dishonesty"

includes, but is not limited to, cheating on a test, plagiarism and collusion. Any instance of scholastic dishonesty may be reported to the Maxiant system. Possible punishments for scholastic dishonesty include a grade of "0" or "F" on the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the college district. A recommendation for suspension or expulsion will be referred to the college Dean of Students for disciplinary disposition. Students have the right to appeal the decision.

I will give a warning for the first infraction for which you will have the opportunity to redo the assignment. A second infraction will result in a zero for the assignment and a third infraction will result in an F for the course.

Here's the link to the HCC information about academic integrity (Scholastic Dishonesty and Violation of Academic Scholastic Dishonesty and Grievance):
<http://www.hccs.edu/about-hcc/procedures/student-rights-policies--procedures/student-procedures/>

Attendance Policy

Attendance is an important aspect of this course as much of the work will be completed in class in teams. Please be here on time and available for your peers!

Student Conduct

Professional conduct is expected at all times. Please be considerate of others in your manner and speech, especially when discussing sensitive issues.

Instructor's Course-Specific Information

I prefer to be addressed as Dr. N. Please check your Canvas at least once a day to ensure that you do not miss important information. All written assignments will be graded within one week of the due date. The online quizzes are automatically graded when you submit.

Electronic Devices

Electronic devices are encouraged for learning purposes. You will be asked to bring in your laptops to work on projects in class. Please keep your phones on silent and if you need to make a call, please do so outside the classroom.

Psychology Program Information

Visit the [Psychology Program Pages](#) on the HCC Learning Web for information about our faculty and courses. You will also find information about majoring in psychology.

Psychology Field of Study

[The Field of Study curriculum for Psychology](#) is an 18-credit-hour set of lower division courses that must be applied to a bachelor's degree in Psychology, regardless of degree designation. If a student successfully completes a field of study for an established degree program, the student may transfer that block of courses for full academic credit. The transferred field of

study courses must be substituted for the receiving institution's lower-division requirements for the discipline degree program into which the student transfers. If a student completes only part of the field of study, then credit for those courses must also apply toward the major.

- PSYC 2314 Lifespan Growth & Development
- PSYC 2317 Statistical Methods in Psychology
- PSYC 2319 Social Psychology
- PSYC 2320 Abnormal Psychology
- PSYC 2330 Biological Psychology

Associate in Science in Psychology

HCC students may earn an Associate in Science (A.S.) degree in psychology by completing the approved [degree plan](https://learning.hccs.edu/programs/psychology/majoring-in-psychology-1) (<https://learning.hccs.edu/programs/psychology/majoring-in-psychology-1>).

Student Organizations

Psi Kappa

All students are invited to join Psi Kappa, an organization that can help students learn about psychology outside the classroom, serve the community, meet students in other PSYC classes, interact with PSYC faculty, and learn leadership skills.

Psi Beta

HCC has an active chapter of Psi Beta: National Honor Society in Psychology for Community and Junior Colleges. To learn more about this organization visit the [Psi Beta](#) website. For information about the HCC chapter, visit the [Psi Beta page](#) on the HCC Learning Web.

HCC Foundation: Psychology Achievers Scholarship

To be eligible for the \$125 per semester Psychology Achievers Scholarship, a student must (1) meet all HCC Foundation criteria for scholarship eligibility, and (2) make an A in either PSYC 2301 or PSYC 2314.

EGLS³

The EGLS³ ([Evaluation for Greater Learning Student Survey System](#)) will be available for most courses near the end of the term until finals start. This brief survey will give invaluable information to your faculty about their teaching. Results are anonymous and will be available to faculty and division chairs after the end of the term. EGLS³ surveys are only available for the Fall and Spring semesters. -EGLS3 surveys are not offered during the Summer semester due to logistical constraints.

HCC Email Policy

When communicating via email, HCC requires students to communicate only through the HCC email system to protect your privacy. If you have not activated your HCC student email account, you can go [to HCC Eagle ID](#) and activate it now. You may also use Canvas Inbox to communicate.

Housing and Food Assistance for Students

Any student who faces challenges securing their foods or housing and believes this may affect their performance in the course is urged to contact the Dean of Students at their college for support. Furthermore, please notify the professor if you are comfortable in doing so. This will enable HCC to provide any resources that HCC may possess.

Office of Institutional Equity

Use the link below to access the HCC Office of Institutional Equity, Inclusion, and Engagement (<http://www.hccs.edu/departments/institutional-equity/>)

disAbility Services

HCC strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please meet with a campus Abilities Counselor as soon as possible in order to establish reasonable accommodations. Reasonable accommodations are established through an interactive process between you, your instructor(s) and Ability Services. It is the policy and practice of HCC to create inclusive and accessible learning environments consistent with federal and state law. For more information, please go to <http://www.hccs.edu/support-services/disability-services/>

Title IX

Houston Community College is committed to cultivating an environment free from inappropriate conduct of a sexual or gender-based nature including sex discrimination, sexual assault, sexual harassment, and sexual violence. Sex discrimination includes all forms of sexual and gender-based misconduct and violates an individual's fundamental rights and personal dignity. Title IX prohibits discrimination on the basis of sex-including pregnancy and parental status in educational programs and activities. If you require an accommodation due to pregnancy please contact an Abilities Services Counselor. The Director of EEO/Compliance is designated as the Title IX Coordinator and Section 504 Coordinator. All inquiries concerning HCC policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to:
