Course Requirements:

Several different types of writing assignments comprise the bulk of your work for this course. These submissions will be graded for appropriateness, unity and focus, development, organization, sentence structure, word usage, and mechanics, as well as (for research-based writing) proper citation and documentation of sources in current MLA format.

MLA Format:

MLA is the required format we are using in English 1301. Your essays must be typed in 12 pt. font, double-spaced with no extra space between paragraphs; paragraphs should be indented 5 spaces. Your first page must include a proper heading, page headers, with page headers on subsequent pages. You must include parenthetical citations for quotes, paraphrases, and ideas

that are not your own. Failure to acknowledge sources, ideas that are not your own will result a “0” –F. Failure to put quotation marks around the author’s words will result in a “0” –F. Failure to put in parenthetical citations for ideas not your own, for paraphrases will result in a “0” –F. Failure to include a Work Cited page will result in a “0” –F.

Assessments (grade values of assignments):

Unless the professor makes changes and announces otherwise, the overall breakdown of graded assignments and their corresponding values will be calculated as follows:

70% In class and out of class papers

10% Instructor’s choice: reading responses, collaborative/oral assignments, and quizzes

20% Final in-class essay

Grading:

A (90-100%) Excellent work that demonstrates a clear understanding of the assignment, has few errors of any kind, and shows exceptional ability to communicate to a specific audience.

B (80-89%) Above average work that shows understanding of the writing topic, has few serious errors, and provides good communication with a specific audience.

C (70-79%) Average work that shows understanding of the writing topic, contains few errors that interfere with adequate communication.

D (60-69%) Below average work that fails to follow the assignment and/or fails to respond adequately to the writing topic, contains a number of serious errors, and demonstrates only marginal communication with a specific audience.

F (0-59%) Incomplete work, work that fails to follow the assignment, and/or work that fails to respond to the writing topic, contains a number of serious errors, and provides little communication with a specific audience

Late Paper Policy:

Out-of-class Papers are due on the designated date on [turnitin.com](https://www.turnitin.com). If you will be absent on the day an essay is due, arrange to turn it in before the deadline. **No late papers will be accepted!**

In-class Essay & Final Exam Policy:

Students will be allowed to take a make-up in-class essay or exam if they have medical emergencies. Students will be responsible for contacting the instructor and **providing documentation** of the emergency situation to receive consideration. **Do not bother discussing without documentation. Students are strongly encouraged to avoid taking this measure.**

Student Support Services:

Any student who faces challenges securing their food or housing and believes this may affect their performance in the course is urged to contact the Dean of Student Success for support. Furthermore, please notify the professor if you are comfortable in doing so. This will enable us to provide any resources that HCC may possess.

Ability Services:

Houston Community College is dedicated to providing an inclusive learning environment by removing barriers and opening access for qualified students with documented disabilities in compliance with the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act. Ability Services is the designated office responsible for approving and coordinating reasonable accommodations and services in order to assist students with disabilities in reaching their full academic potential. In order to receive reasonable accommodations or evacuation assistance in an emergency, the student must be registered with Ability Services.

If you have a documented disability (e.g. learning, hearing, vision, physical, mental health, or a chronic health condition), that may require accommodations, please contact the appropriate Ability Services Office below. Please note that classroom accommodations cannot be provided prior to your Instructor's receipt of an accommodation letter and accommodations are not retroactive. Accommodations can be requested at any time during the semester, however if an accommodation letter is provided to the Instructor after the first day of class, sufficient time (1 week) must be allotted for the Instructor to implement the accommodations.

Accommodations due to a Qualified Disability: HCC strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please meet with a campus Abilities Counselor as soon as possible in order to establish reasonable accommodations. Reasonable accommodations are established through an interactive process between you, your instructor(s) and Ability Services. It is

the policy and practice of HCC to create inclusive and accessible learning environments consistent with federal and state law. For more information, please go to <http://www.hccs.edu/support-services/disability-services/>

Libraries: HCC has a Learning Resource Center at each campus for student use. The library provides electronic resources including an online catalog system as well as numerous databases that contain full-text articles all available at <https://library.hccs.edu>. Additionally, many of the required texts are on reserve at the library. Find out library locations and hours here: http://library.hccs.edu/about_us/locations_hours

Online Tutoring:

The goal of online tutoring is to help students become academically independent through guided assistance by HCC faculty or faculty-eligible tutors in almost all departments. Our tutoring is asynchronous, which means that it is NOT real-time.

Students can get real-time help on campus and through several textbook sources. We believe that when tutors can take time to absorb and analyze the work, we give a different type of help. Because the tutoring is asynchronous, it is important for students to plan ahead. It generally takes about two days to get a complete review back, and it may be longer than that when hundreds of papers come in every day for several days in a row. It is crucial for students to look at the yellow banner on the log-in page to see how long the turn-around time is.

Students can submit work 24/7/365; we tutor even when the college is closed for holidays or natural disasters. All HCC students can take advantage of online tutoring by logging on to <https://hccs.upswing.io/>. The HCC email address and the associated password get students into the online tutoring site, so when the email password changes, so does the Upswing password.

Open Computer Labs: Students have free access to the internet and word processing in open computer labs available at HCC campuses. Check on the door of the open computer lab for hours of operation.

Tutoring Centers:

The HCC Tutoring Centers provide academic support to our diverse student population by creating an open atmosphere of learning for all students enrolled at HCC. Using a variety of tutoring techniques, we assist students across academic disciplines, addressing their individual needs in a constructive, safe, and welcoming environment. Our emphasis is on maximizing academic potential while promoting student success and retention. We are committed to helping students achieve their educational, personal, and career goals by empowering them to become confident, independent, lifelong learners.

Tutoring for individual subjects is offered at specific times throughout the week on various campuses. There is no need to make an appointment. If you need a tutor,

please refer to our website: <http://ctle3.hccs.edu/alltutoring/> for times and locations. For more information about tutoring at HCC, please go to hccs.edu/district/students/tutoring.

Important HCCS and Course Policies:

Repeating Courses: Students who repeat a course for three or more times will face significant tuition/fee increases at HCC and other Texas public colleges and universities. Please ask your instructor or counselor/advisor about opportunities for tutoring and/or other assistance prior to considering course withdrawal or if you are not receiving passing grades.

Attendance: Attendance, preparedness, and participation are essential for your success in this course. HCC does not differentiate between excused and unexcused absences. If you are not in class, you are absent. HCC Policy states that you can miss up to but not exceeding 12.5% of class hours, which is equivalent to 6 hours. When you miss class, you are still responsible for what happens in class. Keep in mind that whatever the reason for your absence, you will still miss important course work. If you exceed the allowed hours, you may be automatically withdrawn from the course.

Withdrawal Policy: Before withdrawing from the course, it is important to communicate with your professor and counselors to discuss your options for succeeding in the course. If all other options have been exhausted, you may withdraw yourself, but the last date to withdraw this semester is **11/02/18**. Please remember that it is the student's responsibility to withdraw from a course. If you stop attending the class and don't withdraw by this date, you are subject to the FX grading policy.

International Students: Receiving a W in a course may affect the status of your student Visa. Once a W is given for the course, it will not be changed to an F because of the visa consideration. Since January 1, 2003, International Students are restricted in the number of distance education courses that they may take during each semester. International students must have full-time enrollment status of 12 or more semester credit hours, and of these at least 9 semester credit hours must be face-to-face on-campus courses. Please contact the International Student Office at 713-718-8521 or email int_student_svcs@hccs.edu, if you have any questions about your visa status and other transfer issues.

Final Grade of FX: Students who stop attending class or stop actively participating in class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of FX at the end of the semester. Students who stop attending classes or who stop actively participating in classes will receive a grade of FX, as compared to an earned grade of F, which is due to poor performance. Logging into a DE course without active participation is considered non-attending.

Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of FX is treated exactly the same as a grade of F in terms of GPA, probation, suspension, and satisfactory academic progress.

Academic Honesty: A student who is academically dishonest is, by definition, not showing that the coursework has been learned, and that student is claiming an advantage not available to other students. The instructor is responsible for measuring each student's individual achievements and also for ensuring that all students compete on a level playing field. Thus, in our system, the instructor has teaching, grading, and enforcing roles. You are expected to be familiar with the HCC's policy on Academic Honesty found in the catalogue. What that means is that if you are charged with an offense, pleading ignorance of the rules will not help you.

Just so there is no misunderstanding, plagiarism (using another's ideas or words without giving credit), collusion (unauthorized collaboration with another person in preparing written work offered for credit), and other forms of cheating will not be tolerated. To be accepted, all papers require proof of their development. Students who plagiarize, collude, or cheat may face disciplinary action including the grade of 0 for the assignment, an F for the course, and/or dismissal from the college. (See Student Handbook)

Title IX Discrimination: Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' rights with regard to sex/gender discrimination. Information regarding these rights are on the HCC website under Students>Anti-discrimination. Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understands and conforms to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations.

Log in to www.edurisksolutions.org. Sign in using your HCC student email account, then go to the button at the top right that says **Login** and enter your student number.

Any student who feels they have been discriminated against or harassed on the basis of race, sex, gender identity, gender expression, national origin, religion, age, disability, sexual orientation, color or veteran status including sexual harassment, has the opportunity to seek informal or formal resolution of the matter. All complaints/concerns should be directed to the Office of Institutional Equity, 713 718-8271 or oi@hccs.edu. Additional information may be obtained online. Visit <http://www.hccs.edu/district/departments/institutionalequity/>

Complaints involving sexual misconduct to include but not limited to: sexual assault, stalking, dating violence, sexual harassment or domestic violence should be directed to the HCC Title IX Coordinator, Renée Mack at 713 718-8272 or renee.mack@hccs.edu.

Campus Carry: At HCC the safety of our students, staff, and faculty is our first priority. As of August 1, 2017, Houston Community College is subject to the Campus Carry Law (SB11 2015). For more information, visit the HCC Campus Carry web page at <http://www.hccs.edu/departments/police/campus-carry/campus-carry-and-open-carry-faqs/>

Campus Safety: If you are on campus and need emergency assistance, call 713-718-8888 or, from any campus phone, 8-8888. Use this emergency number instead of 911, which gets routed back to the HCC Police Department dispatch thus lengthening response time to your emergency situation.

Inclement Weather: During inclement weather conditions, monitor major local channels for updates on school closings. Please check the HCC website for campus openings/closings in severe weather events: <http://hccs.edu/>

Use of Cameras and Recording Devices: Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. These devices are also not allowed to be used in campus restrooms. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding reasonable accommodations.

Other Course Policies:

1. Turn off and put away all cell phones and other electronic devices when class starts.
2. No food or gum is allowed in class.
3. Do not bring anyone to class. Only registered students are allowed in the class.
4. If I am more than fifteen minutes late, class is dismissed. Follow your course calendar and complete any assignments for the next session.
- 5. The time to discuss an essay grade is after it is returned, not at the end of the semester.**
