### **Instructional Methods**

Distance Education

### **Student Assignments**

(1) Your primary assignment is to learn the material in the text for each class prior to the class. You should spend a minimum of two hours studying in preparation for each hour of class. You are responsible for knowing all of the material assigned in the textbook.

(2) You will have several interactive assignments. These assignments are designed to stimulate critical thinking, and reinforce key concepts. Students receive immediate feedback and can track their progress in their own report.

### **Student Assessment(s)**

There are 3 exams which will be a combination of True and False, Multiple Choice and Fill in the Blanks. **There will be no make-up of examinations unless dire extenuating circumstances exist and these need to be discussed with professor prior to granting such exam.**

### **Instructor's Requirements**

Students are expected to maintain a state of **technical compliance**, including (but not limited to): up-to-date software as required by

the instructor; a stable Internet connection; and use of the Firefox browser when using Eagle Online.

The instructor is NOT required to give consideration for lost/missing/unacceptable work stemming from technical non-compliance and/or end-user technical issues.

The concept behind DE is relevant material and standardized instructional delivery to a group, in a consistent and fair manner, and at the lowest tuition price possible. To achieve these ends, **deadlines** must be adhered to strictly. This is a standard for all DE institutions, HCC college policy, and that of every instructor; not just mine. Tests and Assignments **MUST** be submitted through the window on the assignments page. If it is locked out, you missed it!

Deadlines *and penalties* are a part of the business world. When your rent is late, landlords charge a \$5 penalty each day late. If you are late picking up children from daycare, the fine is \$1/minute late. IRS charges penalties AND interest on a daily basis. Both utility and credit card companies have late fees, penalties, and ultimately higher interest rates for missed deadlines. These are the ways of the world!! You must learn them now. In rare circumstances, special arrangements could possibly be made in advance if there is some rare reason you need preferential treatment, but do not count on it.

DE instruction is for mature, disciplined students who are college-ready and prepared to work independently. You **MUST** have the reading/writing/typing skills *and* the discipline to accomplish this on your own within the allotted timelines, otherwise you should **NOT** be enrolled in a DE class.

**Program/Discipline Requirements: If applicable**
