## Syllabus and Calendar Modifications

The instructor reserves the right to modify the syllabus and/or course calendar at any time during the semester and will promptly notify students in writing, typically by e-mail, of any such changes.

## Instructor's Practices and Procedures

### Missed Assignments

**There will be no make-up exams;** however, one test grade will be dropped. If you have taken all of the three tests, then your lowest test score will be dropped. Best two of three tests account for 400 points of your final grade. If you have missed a test, then that one test will be dropped. Since only one missed test will be dropped, please be careful not to miss more than one test. Makeup exam may only be provided due to extenuating circumstances with proper documentation and letter of reasonable accommodations from the ADA/Disability Support Services Office. NO exam/test RETAKE allowed. **Late submission of assignments:** at least **10 points will be deducted each day** for late submission of any assignment.

### Academic Integrity

Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/ or disciplinary proceedings may be initiated by college district officials against a student accused of scholastic dishonesty. "Scholastic Dishonesty" includes, but is not limited to, cheating on a test, plagiarism and collusion. Any instance of scholastic dishonesty may be reported to the Maxiant system. Possible punishments for scholastic dishonesty include a grade of "0" or "F" on the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the college district. A recommendation for suspension or expulsion will be referred to the college Dean of Students for disciplinary disposition. Students have the right to appeal the decision.
