

## Physical Education and Health Instructional Program

A detailed Schedule of Assignments will be available on the Homepage once the class begins.

# YOU MUST LOG-IN PRIOR TO THE OFFICIAL DATE OF RECORD OR YOU ARE SUBJECT TO AN ADMINSTRATIVE WITHDRAWAL.

First Aid	
Fall 2015 – 1 <sup>st</sup> 8 weeks	
PHED 1306 CRN# 73919	

Instructor:	Stacie Ringleb-Krutilek
Phone/Email:	713-718-5714 / s.ringlebkrutilek@hccs.edu
Office location and	Stafford Campus, Learning Hub room 305 / by appointment
hours:	only
Course	Online – Eagle 2.0
location/Times:	
Course semester	3 Semester Credit hours
credit hours:	
Course contact hours:	48 Contact Hours
Course length:	16 weeks/12 weeks/8 weeks/5 weeks
Instruction type:	In-person/face to face/Online/Hybrid
Course Prerequisites:	EDUC 1300, ENGL 0310 or 0349

### **Course Description:**

The purpose of the American Red Cross CPR and First-Aid course is to train citizens to help people in emergencies. This course teaches the Standard First Aid and CPR skills a person needs to act as the first link in the emergency medical services system. <Not Professional Rescuer> This course fulfills the New Core 2014 requirement under the Component Area Option.

<u>Instructional Material:</u> Responding to Emergencies, American Red Cross, Staywell Publications (1-800-667-2968) ISBN # 978-158480-554-0

Program SLO's:	Students will perform physical skills to improve and enhance cardio-respiratory, strength, endurance, flexibility, and/or balance as measured with a departmental field exam.     Students will develop broad content knowledge within the discipline of health/physical education associated with good health management, health risks and/or disease prevention.     Students will demonstrate an understanding of basic safety/emergency procedures.
Course SLO's:	Demonstrate CPR techniques on Adult, Child, and Infant     Demonstrate Rescue Breathing techniques on Child and Infant

	2 Demonstrate Classing Chatgueted Aircrays for Adult Child and Infant
	<ul><li>3. Demonstrate Clearing Obstructed Airways for Adult, Child, and Infant</li><li>4. Demonstrate appropriate techniques for Sudden Illness</li></ul>
Learning Objectives:	Demonstrate CPR techniques on Adult, Child, and Infant
	1. Have an understanding of all Basic Life Support Procedures and learn
	the process of giving CPR for Adult, Child, and Infant
	Demonstrate Rescue Breathing techniques on Child and Infant
	Learn the process of giving Rescue Breaths to child and infant
	Demonstrate Clearing Obstructed Airways for Adult, Child, and
	Infant
	Learn when an Airway is obstructed and understand the process of
	clearing an obstructed airway for Adult, Child, and Infant
	Demonstrate appropriate techniques for Sudden Illness
	Have an understanding of what a Sudden Illness is and how to care
	for the Illness
Student Assignments:	Demonstrate CPR techniques on Adult, Child, and Infant
	Discussions
	Lab Exercises
	Homework Exercises
	Readings

	Reading and then writing about seming Quizzes/Tests which may include: def	
	true/false, short answer, brief essay	minorio, matering, manipie onoice,
	Discipline Required SLO-Specific Sta	ndard Form Rubrics
Core Curriculum Competencies:	ore Curriculum Given the rapid evolution of necessary knowledge and skill	
	Students enrolled in this core curriculu essays, including at least one oral pre the following core objectives:	
	•Critical Thinking Skillsto include inquiry, and analysis, evaluation and s •Communication Skills to include interpretation and expression of ideas communication •Quantitative and Empiricalto inc	synthesis of information effective development, through written, oral and visual lude the manipulation and analysis
	of numerical data or observable facts •Social Responsibilityto include in knowledge of civic responsibility, and regional, national, and global communications.	tercultural competence, the ability to engage effectively in
	Student proficiency in Communication assessed through written, oral and maneeded for an emergency situation. Sand Empirical Literacy will be assesse questions. Social Responsibility will be reflection paper about their civic response	anual demonstration of skills tudent proficiency in Quantitative d through a series of essay e assessed by a 500 word
HCC Grading Scale:	A = 100- 90	4 points per semester hour
	B = 89 - 80:	3 points per semester hour
	C = 79 - 70:	2 points per semester hour
	D = 69 - 60:	1 point per semester hour
	59 and below = F	0 points per semester hour
	FX (Failure due to non-attendance)	0 points per semester hour
	IP (In Progress)	0 points per semester hour
	W (Withdrawn)	0 points per semester hour
	I (Incomplete)	0 points per semester hour
	AUD (Audit)	0 points per semester hour
	IP (In Progress) is given only in certai student must re-enroll to receive credinon-credit and continuing education certain the students who	n developmental courses. The it. COM (Completed) is given in ourses.
	withdraw themselves prior to the withdraw	

dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class. Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress. To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA. Health Sciences Programs Grading Scales may differ from the approved HCC Grading Scale. For Health Sciences Programs Grading Scales, see the "Program Discipline Requirements" section of the Program's svllabi. PHED Attendance As stated in the HCC Catalog, all students are expected to attend Policy: classes regularly. Although it is the responsibility of the student to drop a course for non-attendance, the instructor also has the authority to drop a student for excessive absences or failure to participate regularly. According to HCCS Policy (see catalog schedule), a student may be dropped from the course for excessive absences after the student has accumulated absences in excess of 12.5% of the hours of instruction. (6 hours in a 48-hour course) CPR requires strenuous effort. If a person has any concerns about how Program this may affect their health, they should consult a physician before Requirements: coming to class. Students are expected to maintain a state of technical compliance, including (but not limited to): up-to-date software as required by the instructor; a stable Internet connection; and use of the Firefox browser when using Eagle Online. The instructor is NOT required to give consideration for lost/missing/unacceptable work stemming from technical non-compliance and/or end-user technical issues. Turn off pagers, Phones, No Cameras/Recording Devices: Instructor's Student should turn off pagers and cell phones before entering class; Requirements: ringing, buzzing, and other forms of disturbances (electronic or otherwise) is not good for the class. Your full and active attention is required throughout the class period. Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office of Students with Disabilities

Instructor Grading	
Criteria:	

for information regarding reasonable accommodations.

<u>Grading:</u>	<no make-ups="" no<="" th=""><th>late assignments</th><th>accepted&gt;</th></no>	late assignments	accepted>
-----------------	--	------------------	-----------

Skills Test	100 points
Exam #1	50 points
Exam #2	100 points
Exam #3	100 points
Exam #4	100 points
Exam #5	100 points
Exam #6	100 points
Mid-Term Exam	100 points
Final Exam	100 points
Written Skills Exam	50 points
Quantitative/Empirical Essay	50 points
Social Responsibility Essay	50 points

#### Total of 1000 points:

1000-900	= A
899-800	= B
799-700	= C
699-600	= D
below 599	= F

Skills Test and Written Skills Exam: All students will be presented with an emergency scenario in which they will orally and manually perform skills needed for the scenario presented. During the skills assessment, the students will need to be able to verbalize and perform the proper skills based on the scenario. Written communication will be assessed through a short assignment of 500 words. This assignment deals with the steps of evaluating an unconscious or conscious victim and providing the appropriate care. Communication and Critical Thinking will cumulatively be valued at 15% of the final course grade.

Quantitative/Empirical Essay: Students will answer a series of essay questions presented to them. Essay questions will require students to draw conclusions bases on systematic analysis of the data provided. Quantitative and Empirical Literacy will be valued at 5% of the final course grade.

<u>Social Responsibility Essay</u>: In culmination of the semester, students will write a 500 word reflection essay about their civic responsibility to help others within their community. Social Responsibility will be valued at 5% of the final course grade.

#### Make Up Policy:

The tests – skills and written - will cover all material covered in the course. This includes handouts, lectures, demonstrations, and discussions. *No make ups or extra credit will be given.* Failing to take an exam will result in a "0" for the grade. This also pertains to the Skills Test Days.

#### **CPR/First-Aid Certificates:**

Successful completion of 80% or greater on all tests is required to obtain certification. Certification Certificates are available upon request and for a small fee.

EGLS3 Evaluation for	At Houston Community College, professors believe that thoughtful
Greater Learning	student feedback is necessary to improve teaching and learning. During
Student Survey System	a designated time, you will be asked to answer a short online survey of
	research-based questions related to instruction. The anonymous results
	of the survey will be made available to your professors and division
	chairs for continual improvement of instruction. Look for the survey as
	part of the Houston Community College Student System online near the
	end of the term.
