-------------------	---

<b>Course Reference Number (CRN)</b>	<b>37591 – On-Campus Section</b>	<b>Course Level:</b>	Beginning
<b>Course Description:</b>	Computer terminology, hardware, software, operating systems, and information systems relating to the business environment. The focus of this course is on business applications of software, including word processing, spreadsheets, databases, and presentation graphics.		
<b>Course Prerequisite(s)</b>	Must be at college-level skills in reading, writing, and mathematics. <b>Must be familiar with the basics of word processing and file management (e.g., know how to copy and move files and folders).</b>		
<b>Course Semester Credit Hours (SCH) (Lecture, Lab)</b>	Credit Hours 4.0 (Lecture 3, Lab 3)		
<b>Course Location/Times</b>	<p><b>Class Platform:</b> This is a Web-Enhanced class and is offered both in-classroom and online. Practices, exercises, assignments, projects, exams, online discussion, emails, team works, or lecture will be conducted using <u>Eagle Online</u> and <u>MyITLab</u> (in addition to other platforms based on individual teachers).</p> <p><b>CRN: 37585 – On-Campus Section</b>  Meeting: <b>Mo/We, 10 am-11:50 am, Spring Branch, Room 120</b>  Plus – Access course through Eagle Online (EO) Website (<a href="http://eagleonline.hccs.edu">http://eagleonline.hccs.edu</a>)</p>		
<b>Total Course Contact Hours</b>	96 Hours		
<b>Instructional Materials (Book and MIL) <b>TO BE PURCHASED AT HCC BOOKSTORE FOR A SPECIAL PRICING</b></b>	 <p><b>Exploring Microsoft Office 2016, Volume 1</b>  By Poatsy, Mulbery, Krebs, Hogan, Cameron, Davidson, Lau, Lawson, Williams  © 2017 by Pearson Education, Inc.</p> <p><b>ISBN 10: 0134563352 OR ISBN 13: 9780134563350</b></p> <p><b>This Textbook bundle will include the following (3) items:</b></p> <ol style="list-style-type: none"> <li>1. <b>Office 2016 book AND</b></li> <li>2. <b>Required MyITLab Access Code AND</b></li> <li>3. <b>Microsoft Office Trial Access Card (for those who don't have Office 2016).</b></li> </ol> <p>* <b>In addition to the above, you will need a MyITLab Course ID which your instructor will provide</b></p> <p>This is a <b>custom bundle</b> for Houston Community College. <u>Use only one of the above ISBNs</u> to purchase the bundle FROM THE HCC BOOKSTORE, which will automatically include (i) a spiral bound Office textbook, (ii) the MyITLab (MIL) access code, and (iii) Microsoft Office Trial Access Card.</p> <p>This textbook bundle must be purchased from an <u>HCC bookstore</u>. The textbook can be purchased from the bookstore at approximately <b>\$150</b> (<i>though this price may change</i>).</p> <p>* In addition to the Eagle Online website, students will be accessing an additional website during this course, the MyITLab (MIL) website. You will need an <b>MIL Access Code</b> to setup MIL as listed above. This is found in your textbook bundle (if purchased from HCC). If you are sharing a textbook, or if you did not purchase your book from HCC (or directly from the publisher), you will have to purchase the MIL Access Code separately for approximately \$99. More information on this in the second module of our course.</p>		

		* In addition to the MIL access code, the instructor will supply you with a MIL Course ID to enroll in our MIL section. <b>MIL Course ID:</b> uskup47767	
<b>Instructional Methods</b>	<b>On-Campus:</b> Face to Face/Web-enhanced (49% or less) <b>Online:</b> Distance (100%)	<b>Type of Instruction</b>	Lecture/Lab
<b>Course Length (number of weeks)</b>		16 Weeks	

## Course Grading Criteria, Instructor's Requirements, and Course Calendar

### Instructor Grading Criteria

A - 900 to 1000 points (90% to 100%)  
 B - 800 to 899 points (80% to 89.9%)  
 C - 700 to 799 points (70% to 79.9%)  
 D - 600 to 699 points (60% to 69.9%)  
 F - 0 to 599 points (0% to 59.9%)  
 OR  
 FX – Failed Due to lack of participation

### Instructor's Requirements

1. **FLASH DRIVE** Required for On-Campus students and you will need a 128MB or larger flash drive by the second day of class. We will use this flash drive to store your student data files and assignments. It is **recommended** for Online students to use a flash drive for portability and security of their data.
2. **TEXTBOOK** You must purchase the textbook from an HCC bookstore, as the book comes in a bundle with other required information. Use either the ISBN10 or ISBN13 information above. If you would like to purchase the textbook online, you may purchase it directly from the publisher at [www.mypearsonstore.com](http://www.mypearsonstore.com) (but the price on their website will be higher than what you will find in our bookstore). More information is covered within our first module in the course, via the eagle online website. In addition, you must obtain the book as soon as possible (first week preferably) or you may fall behind.
3. **COMMUNICATION**
  - a. The Inbox mail tool from within Canvas/Eagle Online will be the communication tool to compose email to your instructor.
  - b. Emails from your instructor will be accessible via Eagle Online Inbox, though you may forward them to your cell phone or other email.
  - c. If you send email directly to me outside of our course website (Eagle Online), then you must put in the proper subject line with the CRN, course name, and your full name in the format:  
**CRN37591-BCIS1405 YourLastname, YourFirstname.**  
Any emails received without this information in the subject line will be unanswered.
4. **ADEQUATE WINDOWS PC HARDWARE**
  - a. 2 GHz or faster CPU
  - b. 1GB or more of RAM
  - c. GRAPHICS CARD WITH 128 MB OF MEMORY
  - d. 4 GB OF DISK STORAGE SPACE
  - e. AUDIO CAPABILITIES, and

f. HIGH SPEED INTERNET ACCESS

5. **ADEQUATE WINDOWS PC SOFTWARE**

a. **OPERATING SYSTEM** Windows XP – SP2, Vista, 7, 8, or 10

b. **FIREFOX AND CHROME WEB BROWSER**

**Firefox** (preferred web browser to use for Eagle Online) – free at <http://www.mozilla.com>

**Chrome** (preferred to use for MIL or Eagle Online) – free at <https://www.google.com/intl/en/chrome/browser/>

c. **OFFICE 365** (Same as Office 2016) You must have **Office 365** software. A 180-day trial version of Office 365 is bundled with your textbook (this includes Word 2016, Excel 2016, Access 2016 and PowerPoint 2016) if you do not have Office 365. In addition, you may download Office 365 from your HCC email page. **AGAIN: You must have Office 365 on an accessible computer to complete the assignments. This means that you must have access to Word 2016, Excel 2016, Access 2016 and PowerPoint 2016.** Note: A MAC is sufficient for many of the assignments, but you will still need to find a Windows based PC to complete the MyITLab Grader assignments that require Office 2016.

d. **ADOBE READER SOFTWARE** is REQUIRED. free online at <http://www.adobe.com> .More information in the first module of our course.

e. **MIL SOFTWARE (MyITLab)** will be used to access simulation exercises at the MIL website (This is provided as part of your textbook when purchasing your book via the HCC bookstore or Publisher). You will be given setup instructions in the second module of the course. Make sure you have the access code provided to you in your book bundle before beginning enrollment/registration. You can access the MyITLab software using a MAC.

f. **ADMINISTRATOR RIGHTS** You must have **administrator rights** to setup the MIL software and the Office 365 trial

6. **USER IDS** Make sure you keep track of your two user ids (one for Eagle Online, and another one you will create for MyITLab).

7. **MOTIVATION** You must be self-motivated to be responsible for completing work on time, and without constant reminders. This class moves at a fast pace and staying ahead of schedule is the key to remaining on track.

8. **NETWORK ISSUES** Please note, the network or computer going down the night before an assignment is due is NOT a valid excuse. Assignments have ample lead time before the Official Due Dates to allow for these types of situations. Start work early and submit your work early and you should not have a problem. If you have internet or computer problems you must be willing to use other resources, such as the HCC open labs.

9. **COMPUTER SCIENCE LABS:** In addition to the HCC labs, our department has our own computer labs located at Central, Northwest, Southwest, and Stafford. These labs are monitored by a lab tech who can answer your questions. Ask your instructor for more information!

10. **STUDENT ATTENDANCE/PARTICIPATION IS MANDATORY**

a. As an Online section or On-Campus section of this topic, you must make satisfactory progress in this course. **Students may be withdrawn if the student misses turning in assignments or quizzes that total to more than 89 points** (which is more than 12.5% of the course work prior to the Final Exam).

b. **On-Campus students may be withdrawn if the student is absent 12.5% of class.**

c. Contact the instructor if you are having a problem.

d. Our course is on a 1000-point scale.

e. If you decide to quit participating in the course *before* the Last Day for Administrative/Student Withdrawals, you may withdraw yourself, or ask the instructor to withdraw you, or in some cases the instructor may withdraw you without your approval if you have not attended and participated. Talk to you instructor for details.

f. After the withdrawal date deadline, the instructor is not able to withdraw you.

g. You may receive an FX as your grade due to lack of participation if you have not withdrawn yourself. If you receive an FX you may or may not have to return the financial aid.

h. **Incomplete grades are rarely given.**

11. **ACADEMIC DISHONESTY/CHEATING** Please refer to student hand book regarding cheating. Students may ask questions to other students, to me, or to anyone else. This is how we learn and I encourage it. HOWEVER, all work must be started and completed in its entirety on your own. If it is found that students are sharing the same files, and then making minor changes to submit the work as their own, students will receive a 0 on the assignment and may possibly be removed from the class. **Note: The MyITLab software will be able to detect if students submit a file that was downloaded from another account.**
12. **ASSIGNMENTS** must be submitted and quizzes taken by 11:55:00 PM (on OUR CLOCK) on the “Due Date”. The “Due Date” is **the last possible date you can turn in the assignment**. Remember, successful students work ahead and stay ahead by completing the Quizzes and submitting the assignments before the “Due Date”, but never after the “Due Date”.
  - a. If you are having problems completing course materials on time (by the “Due Date”), chat with the instructor. If you have over scheduled your life (working 40 hours a week and taking 15 credit hours of college instruction), have computer problems (my computer is broke and I don’t know when it will get fixed) or don’t have a textbook (cannot buy one until payday) – DON’T BE SURPRISED if the instructor suggests you should withdraw from the course. In other words, the instructor will expect materials to be submitted by the “Due Date”.
  - b. However, under unusual circumstances (death or illness in the family and other items that greatly disrupt your life), the instructor might be willing to accept late materials. But the time to chat with the instructor is when the problem arises not after something is “Due”. Don’t wait until the “Due Date” to announce that you have a problem and would like some consideration; again – you might not get much sympathy.
13. **FINAL EXAM**
  - a. **On Campus** class will take the exam on **Monday 12/4/17, 10 am, Room 120.**

### Eagle Online and MIL Requirements

**EAGLE ONLINE DELIVERY OF INSTRUCTION** This course is delivered to the student using Eagle Online (educational delivery software) using Canvas as the Learning Management System. **The Eagle Online website is where you will go to enter our virtual classroom!** The **MYEAGLE STUDENT SIGN-INS** area at the top of the <http://hccs.edu> website has links to get you access to the correct Eagle Online course area ONCE YOU COMPLETE THE ONLINE ORIENTATION.

**EAGLE ONLINE USER ID** Your Eagle Online login user ID will be your HCC User ID (sometimes referred to as the “W” number). All HCC students have a unique User ID. If you do not know your User ID, you can look it up by visiting the HCC home page.

- To log into Eagle Online, go to <http://hccs.edu/online> and click on the Course Resources link on the left side of the window or use the Search for a course & HCC Online Orientations link located on the right side of the window. **MAKE SURE AND ACCESS the MANDATORY HCC ONLINE COURSE ORIENTATION.**
- After completing the orientation, you may log into Canvas Eagle Online. Go to <http://hccs.edu> and click on **MYEAGLE STUDENT SIGN-INS**. Choose: **Eagle Online** (It will probably be the 7th box on the screen).
  - Or you may directly use <http://eagleonline.hccs.edu>

**EAGLE ONLINE TECHNICAL HELP** Go to <http://hccs.edu/online> and click on **Technical Support** on the far left. This page contains helpful Canvas/Eagle Online links. It also lists the three support methods available:

- The recommended way to get support is to use the Student Help Form
- Technical Support number
- IT Password Reset number (713-718-8800, option 1)

**MIL ONLINE USER ID** All students in this course will need to access the <http://www.myitlab.com> website to complete the majority of our assignments. This site will require you to setup MIL on your computer. The instructions for setting up a MyITLab (MIL) account are available from within our course website. Chrome is the preferred browser to access MIL.

**MIL TECHNICAL HELP** Go to <http://myitlab.com> and under Students, click Support. You may also call the Pearson MIL support line for help at (800) 677-6337 Monday through Friday, Noon to 8PM EST

**POP UP** If a pop-up is blocked, you will need to set your pop-up blocker to allow pages from our Eagle Online and MyITLab sites. **The technical requirements section of the orientation will discuss how to allow pop-ups from Eagle Online. Do this before beginning our course as many of the early links in the course are pop-ups!**

## Course Calendar

### **DUE DATE TIMES ARE 11:55pm on the day they are due!**

This course is based out of 1000 points. You will earn points for each assignment. Add up your points to determine your final grade using the Grading Scale shown below this course calendar.

**Note: DUE DATE is last possible date assignment can be submitted. It is highly suggested that you submit assignments SOONER.**

1. *EO Discuss* are discussions you must complete in Eagle Online
2. *EO Assign* are assignments you must complete on your PC and upload into Eagle Online
3. *EO Quiz* are quizzes you must complete in Eagle Online (unlimited attempts)
5. **MIL Sim/Exam** are simulations in MIL that do not require Office on your PC (3 attempts)
6. **MIL Graders must be completed in Office 2016 and then uploaded into MIL (unlimited attempts)**
7. Some classes will have 3 exams (Word, Excel & Access) while some will have 1 comprehensive Final

#### **HOLIDAYS and Important Dates:**

<b>Program/Discipline Requirements:</b>	Instructors will use syllabus that will satisfy CurricuUNET requirements and improve on-going assessment of student-centered learning and teaching.
<b>Academic Discipline/CTE Program Learning Outcomes</b>	<ol style="list-style-type: none"> <li>1. Develop essential operating systems skills including how to use, setup, configure, troubleshoot and maintain a current microcomputer operating system</li> <li>2. Use and configure essential office applications and</li> <li>3. Help other technology users, develop training and maintenance plans and to translate new technical knowledge so that others can use it</li> <li>4. Install, configure, and administer Linux/UNIX and other systems.</li> <li>5. Document work log, write clearly and appropriately in an Information Technology context, respect user's data, including backup and security</li> </ol>
<b>SCANS and/or Core Curriculum Competencies: If applicable</b>	<ol style="list-style-type: none"> <li>1. C1: Allocates Time Students will learn to allocate time to perform each task (online course will emphasize this task more).</li> <li>2. C5: Acquires and Evaluates Information Student will be able to identify need for data, obtain it from existing sources or create them, and evaluate information.</li> <li>3. C6: Organizes and Maintains Information Students will learn to organize their assignments and manage to complete them with specific deadline.</li> <li>4. C20: Maintains and Troubleshoots Technology Student will be able to prevent, identify or solve problems in machines, computers, and other technologies.</li> <li>5. F10: Seeing Things in the Mind's Eye Student will be able to organize and process symbols, pictures, graphs, objects or other information.</li> </ol> <p>Every semester, calendar based weekly learning material (reading, hands exercises for in-class, web enhanced, or online assignments, and scheduled quiz/test/exam) will be posted as part of the syllabus.</p>
<b>HCC Policy Statement</b>	
<b>Access Student Services Policies on their Web site:</b>	<p><a href="http://www.hccs.edu/district/students/student-handbook/">http://www.hccs.edu/district/students/student-handbook/</a> and then click on Student Services and Student Rights and Responsibilities sections under the Student Handbook by sections.</p> <p><b>MENINGITIS IMMUNIZATION REQUIREMENT</b> Texas Senate Bill 1107 passed in May 2011, requires that new HCC students and former HCC students returning after an absence of at least one fall or spring semester who are under the age of 30 are required to present a physician-signed certificate showing they have been vaccinated against bacterial meningitis. All students will have to satisfy this requirement prior to enrollment.</p>

**EGLS3 - EVALUATION FOR GREATER LEARNING STUDENT SURVEY SYSTEM** At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

**CAMPUS CARRY** At HCC the safety of our students, staff, and faculty is our first priority. As of August 1, 2017, Houston Community College is subject to the Campus Carry Law (SB11 2015). For more information, visit the HCC Campus Carry web page at <http://www.hccs.edu/district/departments/police/campus-carry/>.

**TITLE IX** Houston Community College is committed to cultivating an environment free from inappropriate conduct of a sexual or gender-based nature including sex discrimination, sexual assault, sexual harassment, and sexual violence. Sex discrimination includes all forms of sexual and gender-based misconduct and violates an individual's fundamental rights and personal dignity. Title IX prohibits discrimination on the basis of sex-including pregnancy and parental status-in educational programs and activities. If you require an accommodation due to pregnancy please contact an Abilities Services Counselor. The Director of EEO/Compliance is designated as the Title IX Coordinator and Section 504 Coordinator. All inquiries concerning HCC policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to:

**ACCOMODATIONS** HCC strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic or temporary medical conditions), please meet with a campus Abilities Counselor as soon as possible in order to establish reasonable accommodations. Reasonable accommodations are established through an interactive process between you, your instructor(s) and Ability Services. It is the policy and practice of HCC to create inclusive and accessible learning environments consistent with federal and state law. For more information, please go to <http://www.hccs.edu/district/students/disability-services/>

### HCC Online and/or Continuing Education Policies

**Access Online Policies on their Web site:**

**ONLINE STUDENT SERVICES** The Online Student Handbook contains policies and procedures unique to the Online student. It is the student's responsibility to be familiar with the handbook's contents and part of the mandatory orientation. The handbook contains valuable information, answers, and resources, such as Online contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the Online Student Handbook by visiting this link: <http://www.hccs.edu/district/students/student-handbook/>

**STUDENTS LIVING OUT OF THE HCC SERVICE AREA** Students living out of the HCC service area during the semester in which they are enrolled at HCC in online classes need to make special arrangements to accommodate their needs. In the event the course requires onsite exams, it is the student's responsibility to obtain a proctor. This proctor must be someone in the testing center at a local community college or at a university. The proctor will need to provide a secure testing

	<p>environment and possibly (depending on the course) a computer with Internet access. A valid picture ID must be presented to the proctor when taking the exam. All fees associated with proctoring are the responsibility of the student. Exams will be sent via fax, email, or US mail directly to the proctor with instructions for administering the exams. This will be done at no cost to the student; however, the student WILL BE responsible for fees associated with returning the exams (including costs of overnight express, etc. to meet deadlines).</p> <p>The proctor approval form <b>MUST</b> be completed and approved at least <b>2 weeks prior to the first scheduled exam</b>. For additional questions, contact Shirley Smith at <a href="mailto:shirley.smith@hccs.edu">shirley.smith@hccs.edu</a>.</p>
<p><b>Access CE Policies on their Web site for non-credit classes:</b></p>	<p><a href="http://www.hccs.edu/continuing-education/departments/online-ce/">http://www.hccs.edu/continuing-education/departments/online-ce/</a></p>
