<b>C. Instructional Methods and Materials</b>	
<b>C.1 Success in the Course</b>	<p>As with any three-hour course, you should expect to spend <i>at least six hours per week</i> outside of class reading and studying the material. I will provide assignments to help you use those six hours per week wisely. Additional time will be required for the written assignment. Successful completion of this course requires a combination of reading the textbook, attending class, completing assignments in Eagle Online, and participating in class discussions. There is no short cut for success in this course; it requires reading (and probably re-reading) and studying the material using the course objectives as your guide.</p>
<b>C.2 Eagle Online Canvas</b>	<p>This section of PSYC 2301 will use Eagle Online Canvas to supplement in-class assignments, exams, and activities. HCCS Open Lab locations may be used to access the Internet and Eagle Online Canvas. Visit the page below and click “Resources for Online Students” for information about system requirements and login procedures for accessing Canvas.</p> <p><a href="https://learning.hccs.edu/programs/psychology/online-resources-for-students">https://learning.hccs.edu/programs/psychology/online-resources-for-students</a></p>

HCC does not provide students with Scantron forms. They are sold in campus bookstore.

- **The time limit for all chapter exams is 50 minutes.**
