Midterm Exam	100pts	100pts
Final Exam	125pts	125pts
Total		500pts

Grading Policy:

All grades will be calculated according to a percentage of *total points*. The total number of points for this term is 500. The term grade legend follows:

A = 90% to 100% (450 to 500 point)	4 points per semester hour
B = 80% to 89.9% (400 to 449 points)	3 points per semester hour
C = 70% to 79.9% (350 to 399 points)	2 points per semester hour
D = 60% to 69.9% (300 to 349 points)	1 point per semester hour
F = 0% to 59.9% (000 to 299 points)	0 points per semester hour
FX (Failure due to non-attendance)	0 points per semester hour
IP (In Progress)	0 points per semester hour
W (Withdrawn)	0 points per semester hour
I (Incomplete)	0 points per semester hour
AUD (Audit)	0 points per semester hour

IP (In Progress) is given only in certain developmental courses. The student must re-enroll to receive credit. COM (Completed) is given in non-credit and continuing education courses. FINAL GRADE OF FX: Students who stop attending class and do not withdraw themselves prior to the withdrawal deadline may either be dropped by their professor for excessive absences or be assigned the final grade of "FX" at the end of the semester. Students who stop attending classes will receive a grade of "FX", compared to an earned grade of "F" which is due to poor performance. Logging into a DE course without active participation is seen as non-attending. Please note that HCC will not disperse financial aid funding for students who have never attended class.

Students who receive financial aid but fail to attend class will be reported to the Department of Education and may have to pay back their aid. A grade of "FX" is treated exactly the same as a grade of "F" in terms of GPA, probation, suspension, and satisfactory academic progress.

To compute grade point average (GPA), divide the total grade points by the total number of semester hours attempted. The grades "IP," "COM" and "I" do not affect GPA.

Late policy:

See Make-up policy.

Academic Honesty:

You are expected to rely exclusively on your own understanding in completing tests in this course. If you are observed cheating on a test, you will receive a zero on that test. A second offense may result in your expulsion from the class.

Make-up Policy:

Late Test Policy (a test is either a quiz, midterm, or final): You must notify me in advance if you are going to miss a test. Failure to notify beforehand results in a zero for that test. If you notify me in advance, your first missed test can be made up in the Testing Center without deduction. Subsequent missed tests receive an automatic deduction (5pts for quizzes, 10pts for midterm, 15pts for final) and must be made up in the Testing Center.

Attendance and Withdrawal Policy:

HCC Students are expected to attend class regularly. A daily record of absences will be maintained throughout the semester. NOTE: It is the responsibility of the student to drop, or officially withdraw from this course. Your instructor will withdraw a student if and only if provided a written request from that student. Additionally, system-wide rules affect withdrawals:

- (1) Students who repeat a course for a third, or more times, may face a significant tuition/fee increase at HCC and other Texas public colleges and universities.
- (2) The Texas Legislature passed a law limiting new students (those starting college in Fall 2007) to no more than six total course withdrawals throughout their academic career in obtaining a baccalaureate degree. There may be future penalties imposed.
- (3) No student may withdraw from a course following the set "last date to withdraw", which for Spring 2017 on XXXXXXXX, XXXXXXXX XX at X:XX XX. After that date and time, a student can only be given a grade earned, or an "I" for incomplete. Incompletes must be made up by the end of the following long semester, after which they will automatically change to a grade of "F". Students receiving an "I" for a course are ineligible for graduation until the "I" has been removed from a student's transcript.

Students with Disabilities:

The HCC Accessibility website is located at the following url:

<http://www.hccs.edu/district/departments/accessibility/>. You will find information about the types of assistance offered to students with special instructional needs on that web page. You will also find contact information for your college's ADA compliance and accessibility office.

For questions, please contact Donna Price at 713.718.5165 or the ADA counselor at your college campus. You can find a list of counselors [here](#).

EGLS3 – Evaluation for Greater Learning Student Survey System:

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time near the end of the term, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and department chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.
