**NOTE: MENINGITIS IMMUNIZATION REQUIRED FOR FALL REGISTRATION**

Texas Senate Bill 1107 passed in May 2011, requires that new HCC students and former HCC students returning after an absence of at least one fall or spring semester who are under the age of 30 are required to present a physician-signed certificate showing they have been vaccinated against bacterial meningitis. All students will have to satisfy this requirement prior to enrollment. For more information and a list of exemptions, please go to <http://www.hccs.edu/hccs/admissions-registration-center/new-student-general-admissions-steps/submit-meningitis-documentation>

HCC is committed to provide a learning and working environment that is free from discrimination on the basis of sex which includes all forms of sexual misconduct. Title IX of the Education Amendments of 1972 requires that when a complaint is filed, a prompt and thorough investigation is initiated. Complaints may be filed with the HCC Title IX Coordinator available at 713 718-8271 or email at [oie@hccs.edu](mailto:oie@hccs.edu).

Title IX of the Education Amendments of 1972 requires that institutions have policies and procedures that protect students' right with regard to sex/gender discrimination. Information regarding these rights are on the HCC website under Student-Anti-discrimination. Students who are pregnant and require accommodations should contact any of the ADA Counselors for assistance.

It is important that every student understand and conforms to respectful behavior while at HCC. Sexual misconduct is not condoned and will be addressed promptly. Know your rights and how to avoid these difficult situations. Log in [www.edurisksolutions.org](http://www.edurisksolutions.org). Sign in using your HCC student email account, then go to the button at the top right that says Login and enter your student number.

Students should have reviewed the handbook as part of the mandatory orientation. It is the student's responsibility to be familiar with the handbook's contents. The handbook contains valuable information, answers, and resources, such as DE contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the DE Student Handbook by visiting this link: <a href="http://de.hccs.edu/de/de-student-handbook">http://de.hccs.edu/de/de-student-handbook</a></p>		

	<p><b>STUDENTS LIVING OUT OF THE HCC SERVICE AREA</b>  Students living out of the HCC service area during the semester in which they are enrolled at HCC in online classes need to make special arrangements to accommodate their needs. In the event the course requires onsite exams, it is the student's responsibility to obtain a proctor. This proctor must be someone in the testing center at a local community college or at a university. The proctor will need to provide a secure testing environment and possibly (depending on the course) a computer with Internet access. A valid picture ID must be presented to the proctor when taking the exam. All fees associated with proctoring are the responsibility of the student. Exams will be sent via fax, email, or US mail directly to the proctor with instructions for administering the exams. This will be done at no cost to the student; however, the student <b>WILL BE</b> responsible for fees associated with returning the exams (including costs of overnight express, etc. to meet deadlines).</p> <p>The proctor approval form <b>MUST</b> be completed and approved at least <b>2 weeks prior to the first scheduled exam</b>. For additional questions, contact Shirley Smith at <a href="mailto:shirley.smith@hccs.edu">shirley.smith@hccs.edu</a>.</p>

# Course Grading Criteria, Instructor's Requirements, and Course Calendar

## Instructor Grading Criteria

A - 900 to 1000 points (90% to 100%)  
B - 800 to 899 points (80% to 89.9%)  
C - 700 to 799 points (70% to 79.9%)  
D - 600 to 699 points (60% to 69.9%)  
F - 0 to 599 points (0% to 59.9%)

OR

FX – Failed Due to lack of participation

## Instructor's Requirements

- Flash Drive:** Required for On-Campus students and you will need a 128MB or larger flash drive by the second day of class. We will use this flash drive to store your student data files and assignments.  
**Recommended** for Distance Education students to use a flash drive for portability and security of their data.
- TEXTBOOK** – You must purchase the textbook from an HCC bookstore, as the book comes in a bundle with other required information. If you would like to purchase the textbook online, you may purchase it directly from the publisher at [www.mypearsonstore.com](http://www.mypearsonstore.com) (use the ISBN number located in the area above as long as you are not using financial aid). More information is covered within Topic 2 of the course, within Eagle Online.  
In addition, you must obtain the books during the first week of course, at the latest, by the end of the 2nd week or you will fall very behind. There is a special access code that is supplied with our bundle (that is otherwise \$90) that is used right away!
- COMMUNICATION** - Quickmail in EO2 course will be the communication tool to compose email to your instructor. Emails from your instructor will go to your HCC student email account. Make sure to read your HCC email account regularly since your instructor will be using this address to communicate with you. Your emails to me using this Quickmail tool will go to my HCCS email address and the system will automatically identify that the email is coming from a particular course. If you send email direct to me without using the Quickmail tool, then you must put in the proper subject line with the CRN, course name, and your fullname in the format **[CRN (87367/86496)-BCIS1405] YourLastname, YourFirstname**. Any emails received without this information in the subject line will just be returned unanswered.
- Adequate Windows PC hardware** including a 1 GHz or faster CPU, 1GB or more of RAM, graphics card with 128 MB of memory, 4 GB of disk storage space and handle multimedia items (sound and maybe a microphone [suggested but not required this semester]).
- Windows XP – SP2, Window Vista, Windows 7, or Windows 8 Operating System**
- Firefox, and Chrome web browser**  
**Firefox** (preferred web browser) to use for Eagle Online – free online at <http://www.mozilla.com>  
**Chrome** (preferred web browser) to use for MIL – free online at <https://www.google.com/intl/en/chrome/browser/>
- Adobe Reader software** - free online at <http://www.adobe.com>
- High speed Internet access** (DSL or cable - dial up will NOT work)
- MIL software** to be used to access simulation exercises at the MIL website (This is provided as part of your textbook when purchasing your books via the HCC bookstore or Publisher). You will be given installation instructions in Topic 5 of the course. Make sure you have the access code provided to you in your book bundle before beginning installation.
- Make sure you keep track of your two user ids (one for Eagle Online, and another one you will create in Topic 5 for MIL).

11. You must have **administrator rights** to install the MIL software and the Office 365 (same as Office 2013) trial (if you don't already have Office loaded).
12. You must have **Office 365 (NOT FREE)** software. A 180 day trial version of Office 365 is bundled with your textbook (this includes Word 2013, Excel 2013, Access 2013 and PowerPoint 2013) if you do not have Office 365. **AGAIN: You must have Office 365 on an accessible computer in order to complete the assignments. This means that you must have access to Word 2013, Excel 2013, Access 2013 and PowerPoint 2013.**
13. You must be **self-motivated** in order to be responsible for completing work on time, and without constant reminders. This class moves at a fast pace and staying ahead of schedule is the key to remaining on track.
14. You must have access to the necessary computer resources stated above. Please note, the network or computer going down the night before an assignment is due is **NOT** a valid excuse. Assignments have ample lead time before the Official Due Dates to allow for these types of situations. Start work early and submit your work early and you should not have a problem. If you have internet or computer problems you must be willing to use other resources, such as the HCC open labs.
15. **STUDENT ATTENDANCE/PARTICIPATION IS MANDATORY:** As a DE section or On-Campus section of this topic, you must make satisfactory progress in this course. Students may be withdrawn if the student misses turning in assignments or quizzes that total to more than 89 points (which is more than 12.5% of the course work prior to the Final Exam). On-Campus students may be withdrawn if the student is absent 12.5% of class which is 4 class periods. Contact the instructor if you are having a problem (our course is on a 1000 point scale). If you decide to quit participating in the course *before* the Last Day for Administrative/Student Withdrawals, you may withdraw yourself, or ask the instructor to withdraw you. After the withdrawal date deadline, the instructor is not able to withdraw you. If you quit participating in the course *after* the Last Day for Administrative/Student Withdrawals, you will receive an FX for your grade. If you receive an FX as your grade, you may or may not have to return the financial aid. This will apply to all students. Incomplete grades are rarely given. **Some students think they will automatically be withdrawn if they quit participating. That is NOT always the case.**
16. **Please refer to student hand book regarding cheating.** Students may ask questions to other students, to me, or to anyone else. This is how we learn and I encourage it. HOWEVER, all work must be started and completed in its entirety on your own. If it is found that students are sharing the same files, and then making minor changes to submit the work as their own, students will receive a 0 on the assignment and may possibly be removed from the class.
17. **Assignments** must be submitted and quizzes taken by 11:55:00 PM (on OUR CLOCK) on the **"Due Date"**. **The "Due Date" is the last possible date you can turn in the assignment.** Remember, successful students work ahead and stay ahead by completing the Quizzes and submitting the assignments before the **"Due Date"**, but never after the **"Due Date"**.
18. If you are having problems completing course materials on time (by the "Due Date"), chat with the instructor. If you have over scheduled your life (working 40 hours a week and taking 15 credit hours of college instruction), have computer problems (my computer is broke and I don't know when it will get fixed) or don't have a textbook (cannot buy one until payday) – DON'T BE SURPRISED if the instructor suggests you should withdraw from the course. In other words, the instructor will expect materials to be submitted by the **"Due Date"**.

However, under unusual circumstances (death or illness in the family and other items that greatly disrupt your life), the instructor might be willing to accept late materials. But the time to chat with the instructor is when the problem arises not after something is **"Due"**. Don't wait until the **"Due Date"** to announce that you have a problem and would like some consideration; again – you might not get much sympathy.

19. The **Final Exam:**

**Distance Ed** classes require an on-campus visit. It is scheduled for: Friday 10AM - 8PM, May 8<sup>th</sup> and Saturday 9AM - 3PM, May 9<sup>th</sup>, at the J. Don Boney building at the Central Campus which is located at 1300 Holman. The exam will be limited to 2 hours unless a student has ADA accommodations (Be sure to arrive no later than 6pm on Friday or 1pm on Saturday in order to have 2 hours to take the exam. If you are an ADA student and are to receive 3 hours for testing time, then you must arrive no later than 5PM on Friday or no later than 12 noon on Saturday. Students are expected to pick which day they will attend for these exams. Potential conflicts should be resolved individually with your Instructor. **Additional information will be provided in the "Topic 23 – Final Overview"**.

**On Campus** class will take the exam on see below in schedule.

**One special note: Failing the Final Exam (less than 60%) may cause you to fail the course regardless of what your grades have been on the assignments. Final grade will be determined by your Instructor.**

The **DE Final Exam** will cover Word, Excel, and Access. We anticipate that all of the exam will be similar to the MIL assignments. It is **CLOSED BOOK** and **ON-CAMPUS**. There will not be any quiz type questions on the final. **If you do not pass the final, I assume you have not truly learned the use of the software, thus you will fail the class.**

### Eagle Online and MIL Requirements

**EAGLE ONLINE DELIVERY OF INSTRUCTION:** This course is delivered to the student using Eagle Online (educational delivery software). Basically, the Eagle Online website is where you will go to enter our virtual classroom! The Distance Education site has links to get you access to the correct Eagle Online course area.

**Eagle Online USER ID:** Your Eagle Online login user ID will be your HCC User ID (sometimes referred to as the “W” number). All HCC students have a unique User ID. If you do not know your User ID, you can look it up by visiting the HCC home page. If you have never logged into Eagle Online (or Moodle) at HCC, the password will be “distance”:

- To log into Eagle Online, go to <http://distance.hccs.edu> and click on the Course/Go To Class link. **MAKE SURE AND COMPLETE THE ORIENTATION FIRST!**
- [You may click here for extra login help.](#)

**Eagle Online TECHNICAL HELP:** Go to <http://distance.hccs.edu> and click on the Eagle Online Help Desk link. Within our Eagle Online course there is also a blue HELPDESK button located at the top of the course.

**POP UP?** If a pop-up is blocked, you will need to set your pop-up blocker to allow pages from our Eagle Online site. *The technical requirements section of the orientation will discuss how to allow pop-ups from Eagle Online. The HELPDESK button will explain this as well, located at the top of the course. Do this before beginning our course as many of the early links in the course are pop-ups!*

**MIL:** The course materials are available under Eagle Online. However, all students in this course will need to access the <http://www.myitlab.com> website to complete other assignments. This site will require you to install information on your computer. More information on this in a later topic. Chrome is the preferred browser to access MIL.

**MIL TECHNICAL HELP:** Go to [Student Support Website](#) or you may call the Pearson MIL support line for help at (800) 677-6337 Monday through Friday, Noon to 8PM EST

**POP UP?** You will also need to allow pop-ups from our MIL site. This is discussed within Topic 5 of our course.

### Other Requirements

**Meningitis immunization requirement:** Texas Senate Bill 1107 passed in May 2011, requires that new HCC students and former HCC students returning after an absence of at least one fall or spring semester who are under the age of 30 are required to present a physician-signed certificate showing they have been vaccinated against bacterial meningitis. All students will have to satisfy this requirement prior to enrollment. For more information and a list of exemptions, please go to <http://www.hccs.edu/hccs/admissions-registration-center/new-student-general-admissions-steps/submit-meningitis-documentation>.

**EGLS3 - Evaluation for Greater Learning Student Survey System:** At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

## Course Calendar

**DUE DATE TIMES ARE 11:55pm on the day they are due!**

Note: Eagle Online assignments are assignments that you will do on your PC and upload into Eagle Online. The points for these assignments are designated below. Not all Topics will have this type of assignment.

MyITLab Assignments will be done on the MyITLab website or uploaded into MyITLab. All your MyITLab grades (Exams and Grader Projects) will be averaged together. The approx. *points* for MyITLab assignments are designated below. MyITLab grades comprise 25% (250 points out of 1000 points) of your final grade.

For example, looking below we can see that Topic 14 Excel Chapter 4 has a MyITLab Assignment worth 12.5 points AND an Eagle Online assignment which will be uploaded in Eagle Online worth 65 points. Topic 6 Office Fundamentals shows that there will be one MyITLab assignment worth 12.5 points and one Eagle Online quiz worth 20 points.

**Note: DUE DATE is last possible date assignment can be submitted. It is highly suggested that you submit assignments SOONER.**

<b>Distance Education and/or Continuing Education Policies</b>	
<b>Access DE Policies on their Web site:</b>	<p><b>DE STUDENT SERVICES</b></p> <p>The Distance Education Student Handbook contains policies and procedures unique to the DE student. It is the student's responsibility to be familiar with the handbook's contents and part of the mandatory orientation. The handbook contains valuable information, answers, and resources, such as DE contacts, policies and procedures (how to drop, attendance requirements, etc.), student services (ADA, financial aid, degree planning, etc.), course information, testing procedures, technical support, and academic calendars. Refer to the DE Student Handbook by visiting this link: <a href="http://de.hccs.edu/de/de-student-handbook">http://de.hccs.edu/de/de-student-handbook</a></p> <p><b>STUDENTS LIVING OUT OF THE HCC SERVICE AREA</b></p> <p>Students living out of the HCC service area during the semester in which they are enrolled at HCC in online classes need to make special arrangements to accommodate their needs. In the event the course requires onsite exams, it is the student's responsibility to obtain a proctor. This proctor must be someone in the testing center at a local community college or at a university. The proctor will need to provide a secure testing environment and possibly (depending on the course) a computer with Internet access. A valid picture ID must be presented to the proctor when taking the exam. All fees associated with proctoring are the responsibility of the student. Exams will be sent via fax, email, or US mail directly to the proctor with instructions for administering the exams. This will be done at no cost to the student; however, the student WILL BE responsible for fees associated with returning the exams (including costs of overnight express, etc. to meet deadlines).</p> <p>The proctor approval form <b>MUST</b> be completed and approved at least <b>2 weeks prior to the first scheduled exam</b>.
