

MUSC 1331 – MIDI I

Audio Recording Program / Northwest College

CRN 56630 – Fall 2011 Mon/Wed 8:30pm–10:30pm

Spring Branch Campus – PAC Rm#418 |

3 Hour Lecture, 4 Hour Lab course/ 112 Contact Hours per semester / 16 weeks

Instructor: Ted Wenglinski 832-434-2152 t.wenglinski@hccs.edu

Office Hours: By appointment

Course Description:

An overview of the Musical Instrument Digital Interface (MIDI) system and applications. Topics include the history and evolution of MIDI, hardware requirements, computer numbering systems, channels and modes, the MIDI language, and typical implementation of MIDI applications in the studio environment using software-based sequencing programs. Students are required to attend additional lab hours outside of class.

Prerequisites: None

Course Goal:

Have students understand and apply concepts and techniques of MIDI implementation in a modern recording studio.

Student Learning Outcomes:

The student will be able to:

1. Summarize the history and evolution of MIDI.
2. Apply and use MIDI system devices.
3. Utilize software-based sequencing programs.

SCANS or Core Curriculum Statement:

The following workplace competencies and foundation skills have been designed into this courses curriculum:

- Participate as a team member
- Works with diversity
- Selects technology
- Reading

16 WEEK CALENDAR

WEEK ONE Intro, Syllabus, OSX, **Listening Assignment, Juno D Lab**

WEEK TWO MIDI hardware, Chapter 1, Getting Started DP, USB

WEEK THREE Music Basics, MIDI messages, Chapter 2, **Drum Lab, Toast**

WEEK FOUR Channel Voice Messages, **JV1010 Lab**

WEEK FIVE Control Changes, Using DP 3, Review for Quiz 1

WEEK SIX **Quiz 1, Mid Term Project**

WEEK SEVEN Return Quiz 1, work on Mid Term Projects

WEEK EIGHT Mid Term Exam, Mid Term Projects Due

WEEK NINE Return and review Mid Term Exams and Projects
General MIDI and SMF, Chapter 4, **SMF Lab**

WEEK TEN Automation, **Auto Lab**

WEEK ELEVEN Importing Audio Files

WEEK TWELVE Intro to Logic, **Logic Loops Lab, Logic Pro Lab**, Review
for Quiz 2

WEEK THIRTEEN **Final Project, Quiz 2**

WEEK FOURTEEN Return Quiz 2, Work on Final Projects

WEEK FIFTEEN Final Project Due, Review for Final Exam

WEEK SIXTEEN Final Exam

Instructional Methods:

MUSC 1427 is a required course for all audio recording majors. Instruction includes project-based learning, discussions, demonstrations, lectures, textbook reading, and peer-to-peer learning.

Student Assignments:

Students will be required to complete the following assignments during the semester:

Student Survey

Mac OS X Lab
 Listening Assignment
 Juno Sounds
 Reading Review Questions Chapter 1
 Drum Lab
 JV1010 Sounds
 Reading Review Questions Chapter 3
 Mid Term
 Project
 Reading Review Questions Chapter 4
 Standard MIDI Files Lab
 Reading Review Questions Chapter
 8
 Lab
 Lab
 Lab
 Project

Automation
 Logic Loops
 Logic Pro
 Final

Assessments:

Attendance: 10%
 Labs: 20%
 Quizzes: 10%
 Midterm: 15%
 Final Exam: 15%
 Major Projects: 30%

Instructional Materials:

1. Pocket USB Drive (1GB minimum)
2. MIDI Power! by Robert Guerin **ISBN** 978-1598630848
3. CD-Rs for data backup and Audio CDs
4. Jewel cases or paper sleeves for CD-Rs
5. Permanent marker (for labeling CDs)
6. Notebook for notes
7. Stereo Headphones with ¼" and 1/8" plugs

Class Attendance

Class Attendance – It is important that you come to class! Attending class regularly is the best way to succeed in this class. Research has shown that the single most important factor in student success is attendance. Simply put, going to class greatly increases your ability to succeed. You are expected to attend all lecture and labs regularly. You are responsible for materials covered during your absences. Class attendance is checked daily. Although it is your responsibility to drop a course for

nonattendance, the instructor has the authority to drop you for excessive absences.

If you are not attending class, you are not learning the information. As the information that is discussed in class is important for your career, students may be dropped from a course after accumulating absences in excess of 12.5% hours of instruction. The six hours of class time would include any total classes missed or for excessive tardiness or leaving class early.

You may decide NOT to come to class for whatever reason. As an adult making the decision not to attend, you do not have to notify the instructor prior to missing a class. However, if this happens too many times, you may suddenly find that you have “lost” the class.

Poor attendance records tend to correlate with poor grades. If you miss any class, including the first week, you are responsible for all material missed. It is a good idea to find a friend or a buddy in class who would be willing to share class notes or discussion or be able to hand in paper if you unavoidably miss a class.

Quizzes and Tests

Quizzes and tests must be taken on the day they are scheduled. Make ups will only be given in extremely rare cases, such as serious illnesses, death in immediate family, etc. Documentation of emergency situation is required. If you miss a quiz or test for any non-emergency reason, you will not be allowed to make it up.

EGLS3 Evaluation for Greater Learning Student Survey System

At Houston Community College, professors believe that thoughtful student feedback is necessary to improve teaching and learning. During a designated time, you will be asked to answer a short online survey of research-based questions related to instruction. The anonymous results of the survey will be made available to your professors and division chairs for continual improvement of instruction. Look for the survey as part of the Houston Community College Student System online near the end of the term.

HCC Policy Statement – ADA

Any student with a documented disability (e.g. physical, learning, psychiatric, vision, hearing, etc.) who needs to arrange reasonable accommodations must contact the Disability Services Office at the respective college at the beginning of

each semester. Faculty is authorized to provide only the accommodations requested by the Disability Support Services Office.

HCC Policy Statement – Academic Honesty

A student who is academically dishonest is, by definition, not showing that the coursework has been learned, and that student is claiming an advantage not available to other students. The instructor is responsible for measuring each student's individual achievements and also for ensuring that all students compete on a level playing field. Thus, in our system, the instructor has teaching, grading, and enforcement roles. You are expected to be familiar with the University's Policy on Academic Honesty, found in the catalog. What that means is: If you are charged with an offense, pleading ignorance of the rules will not help you. Students are responsible for conducting themselves with honor and integrity in fulfilling course requirements. Penalties and/or disciplinary proceedings may be initiated by College System officials against a student accused of scholastic dishonesty. "Scholastic dishonesty": includes, but is not limited to, cheating on a test, plagiarism, and collusion.

Cheating on a test includes:

- Copying from another students' test paper;
- Using materials not authorized by the person giving the test;
- Collaborating with another student during a test without authorization;
- Knowingly using, buying, selling, stealing, transporting, or soliciting in whole or part the contents of a test that has not been administered;
- Bribing another person to obtain a test that is to be administered.

Plagiarism means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

Collusion mean the unauthorized collaboration with another person in preparing written work offered for credit. Possible punishments for academic dishonesty may include a grade of 0 or F in the particular assignment, failure in the course, and/or recommendation for probation or dismissal from the College System. (See the Student Handbook)

HCC Course Withdrawal Policy

If you feel that you cannot complete this course, you will need to withdraw from the course prior to the final date of withdrawal. Before you withdraw from your course; please take the time to meet with the instructor to discuss why you feel it is necessary to do so. The instructor may be able to provide you with suggestions that would enable you to complete the course. Your success is very important. Beginning in fall 2007, the Texas Legislature passed a law limiting first time entering freshmen to no more than **SIX** total course withdrawals **throughout** their educational career in obtaining a certificate and/or degree.

To help students avoid having to drop/withdraw from any class, HCC has instituted an Early Alert process by which your professor may “alert” you and HCC counselors that you might fail a class because of excessive absences and/or poor academic performance. It is your responsibility to visit with your professor or a counselor to learn about what, if any, HCC interventions might be available to assist you – online tutoring, child care, financial aid, job placement, etc. – to stay in class and improve your academic performance.

If you plan on withdrawing from your class, you **MUST** contact a HCC counselor or your professor prior to withdrawing (dropping) the class for approval and this must be done **PRIOR** to the withdrawal deadline to receive a “W” on your transcript. ****Final withdrawal deadlines vary each semester and/or depending on class length, please visit the online registration calendars, HCC schedule of classes and catalog, any HCC Registration Office, or any HCC counselor to determine class withdrawal deadlines. Remember to allow a 24-hour response time when communicating via email and/or telephone with a professor and/or counselor. Do not submit a request to discuss withdrawal options less than a day before the deadline.** If you do not withdraw before the deadline, you will receive the grade that you are making in the class as your final grade.

Repeat Course Fee

The State of Texas encourages students to complete college without having to repeat failed classes. To increase student success, students who repeat the same course more than twice, are required to pay extra tuition. The purpose of this extra tuition fee is to encourage students to pass their courses and to graduate. Effective fall 2006, HCC will charge a higher tuition rate to students registering the third or subsequent time for a course. If you are considering course withdrawal because you are not earning passing grades, confer with your instructor/counselor as early as possible about your study habits, reading and writing homework,

test taking skills, attendance, course participation, and opportunities for tutoring or other assistance that might be available.

Instructor Requirements:

As each instructor sees fit.

Program/Discipline Requirements:

None for this course.

HCC Grading Scale:

90 - 100 = A

80 - 89 = B

70 - 79 = C

60 - 69 = D

Below 60 = F
