What's Exciting About This Course

MUAP 2135 is an introductory studio course in learning about and playing your respective instruments, my focus is the saxophone. We will explore good instrumental technique, posture, appropriate repertoire, and prominent composers and performers.

My Personal Welcome

Welcome to Instrumental Studio III — I'm delighted that you have chosen this course! One of my passions is to know as much as I can about music, and I can hardly wait to pass that on. I will present the information in the most exciting way I know, so that you can grasp the concepts and apply them now and hopefully throughout your life. As you read and wrestle with new ideas and facts that may challenge you, I am available to support you. The fastest way to reach me is by my HCC email. The best way to really discuss issues is in person and I'm available during posted office hours to tackle the questions. My goal is for you to walk out of the course with a better understanding of yourself, music, and why you enjoy the music that you do. Please visit me or contact me by email whenever you have a question.

Course Overview

Requisites

MUAP 2135 requires college-level reading and writing skills. Research indicates that you are most likely to succeed if you have already taken and passed ENGL 1301. If you have enrolled in this course having satisfied these prerequisites, you have a higher chance of success than students who have not done so. Please carefully read and consider the repeater policy in the [HCCS Student Handbook](#). It is STRONGLY recommended you either have taken or be currently enrolled in MUSI 2311 Music Theory III. The co-requisite for this course is MUAP 2134, Saxophone II.

If you are a music major pursuing an AA in Music, you should also be enrolled in a Music Theory course, Sight Singing & Ear Training course, Piano Class course, an ensemble, and MUAP Private lessons and studio in the instrument in which you specialize. Please see a full-time music instructor or your MUAP instructor for academic advising and to learn how you can finish a music degree in 2-3 years with proper guidance.
