## Course Overview

---

### Course Description

MUAP 1139 is an introductory studio course in learning about and playing the trumpet and general brass performance. We will explore brass technique, mechanics, appropriate repertoire, and prominent brass composers and performers

### Requisites

MUAP 1135 requires college-level reading and writing skills. Research indicates that you are most likely to succeed if you have already taken and passed ENGL 1301. If you have enrolled in this course having satisfied these prerequisites, you have a higher chance of success than students who have not done so. Please carefully read and consider the repeater policy in the [HCCS Student Handbook](#). It is STRONGLY recommended you either have taken or be currently enrolled in MUSI 1303 Fundamentals of Music, or in MUSI 1311 Music Theory I. The co-requisite for this course is MUAP 1133, Saxophone I.

*If you are a music major pursuing an AA in Music, you should also be enrolled in a Music Theory course, Sight Singing & Ear Training course, Piano Class course, an ensemble, and MUAP Private lessons and studio in the instrument in which you specialize. Please see a full-time music instructor or your MUAP instructor for academic advising and to learn how you can finish a music degree in 2-3 years with proper guidance.*
