Department Of Counseling

Counseling Services at Houston Community College (HCC) Contributing to Your Success

HCC Counselors are licensed professional counselors, psychologists, marriage & family therapists, and clinical social workers who are dedicated to aiding students in the completion of their educational, career and personal goals. Appointments are available by request. Contact one of our counselors for an appointment.

- Career assessment, planning, and exploration (for all students, especially undecided students)
- Student success workshops (e.g., time management, goal-setting, on-line resources, etc.)
- Personal counseling
- SLIP sessions for students on suspension and probation
- Strategies for managing stress and anxiety (including test anxiety)
- Crisis intervention
- ADA services to include reasonable accommodations
- Alcohol and other drugs issues
- Sexual and domestic violence issues
- Community resource information
